NOTICE TO EXECUTIVE BRANCH STATE CONTRACTORS AND PROSPECTIVE STATE CONTRACTORS OF CAMPAIGN CONTRIBUTION AND SOLICITATION BAN

This notice is provided under the authority of Connecticut General Statutes 9-612(g)(2), as amended by P.A. 07-1, and is for the purpose of informing state contractors and prospective state contractors of the following law (italicized words are defined below):

Campaign Contribution and Solicitation Ban
No state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor, with regard to a state contract or state contract solicitation with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall make a contribution to, or solicit contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee;

In addition, no holder or principal of a holder of a valid prequalification certificate, shall make a contribution to, or solicit contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of State senator or State representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

Duty to Inform
State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

Penalties for Violations
Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil penalties--$2000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of $2000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or $5000 in fines, or both.

Contract Consequences
Contributions made or solicited in violation of the above prohibitions may result, in the case of a state contractor, in the contract being voided.

Contributions made or solicited in violation of the above prohibitions, in the case of a prospective state contractor, shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State will not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

Usage

Technicians monitor the performance of the wireless networks with the ZK-SAM (System Access Monitor). (Sprint/Nextel, AT&T Mobility, Verizon Wireless and T-Mobile) When the network functions differently or a failure occurs the Technician will be advised immediately in order to perform corrective action.

It can be installed in a safe location inside the vehicle and set to turn on, boot up and start collecting data when the Technician turns on the vehicle. Within 5 seconds from turning the key the ZK-SAM is literally monitoring the network and collecting data.

The ZK-SAM is an extremely rugged piece of equipment. It has no moving parts and can operate in extremely cold as well as hot, humid environments. All designs are environmentally stress tested for shock and vibration at a certified laboratory.

The ZK-SAM display module is custom designed to be used in the vehicular environment. The transflective display can be viewed in direct sunlight or when it gets hot or cold. For night driving the backlight can be adjusted down. The buttons are also backlit and custom designed to provide instant feedback. The number and placement of the buttons allow the user to safely operate the unit.

Up to five (5) phones can be connected to the ZK-SAM to simultaneously display and log data on any of the supported technologies. Through the easy to navigate menus the user can change the configuration settings and program the auto dial, data testing and scanning parameters of the phones. If the Technician imports custom cell site names the ZK-SAM will display the name of the cell/sector that corresponds with the serving channel as well as the neighbor channels. Up to 5,000 names can be imported. If more than one cell site name has the same channel number, BSIC or PN then the ZK-SAM compares their locations with the current location of the ZK-SAM and chooses the closest one. Audible alerts and Replay can be used to indicate problems and troubleshoot them in the field. Thresholds can be configured by the user to indicate an alert. A voice announcement can be turned on or off for each alert. Replay can be used to provide a safe and quick method of troubleshooting network issues in the field. Data is logged to an industrial grade Compact Flash card. It is stored in standard ASCII text format and can be imported by third party applications.

NOTIFICATION TO BIDDERS

The contract to be awarded is subject to contract compliance requirements mandated by Sections 4a-60 and 4a-60a of the Connecticut General Statutes; and, when the awarding agency is the State, Sections 46a-71(d) and 46a-81i(d) of the Connecticut General Statutes. There are Contract Compliance Regulations codified at Section 46a-68j-21 through 43 of the Regulations of Connecticut State Agencies, which establish a procedure for awarding all contracts covered by Sections 4a-60 and 46a-71(d) of the Connecticut General Statutes.

According to Section 46a-68j-30(9) of the Contract Compliance Regulations, every agency awarding a contract subject to the contract compliance requirements has an obligation to “aggressively solicit the participation of legitimate minority business enterprises as bidders, contractors, subcontractors and suppliers of materials.” “Minority business enterprise” is defined in Section 4a-60 of the Connecticut General Statutes as a business wherein fifty-one percent or more of the capital stock, or assets belong to a person or persons: “(1) Who are active in daily affairs of the enterprise; (2) who have the power to direct the management and policies of the enterprise; and (3) who are members of a minority, as such term is defined in subsection (a) of Section 32-9n.” “Minority” groups are defined in Section 32-9n of the Connecticut General Statutes as “(1) Black Americans . . . (2) Hispanic Americans . . . (3) persons who have origins in the Iberian Peninsula . . . (4)Women . . . (5) Asian Pacific Americans and Pacific Islanders; (6) American Indians . . .” An individual with a disability is also a minority business enterprise as provided by Section 4a-60g of the Connecticut General Statutes. The above definitions apply to the contract compliance requirements by virtue of Section 46a-68j-21(11) of the Contract Compliance Regulations.

The awarding agency will consider the following factors when reviewing the bidder’s qualifications under the contract compliance requirements:

(a) the bidder’s success in implementing an affirmative action plan;
(b) the bidder’s success in developing an apprenticeship program complying with Sections 46a-68-1 to 46a-68-17 of the Administrative Regulations of Connecticut State Agencies, inclusive;
(c) the bidder’s promise to develop and implement a successful affirmative action plan;
(d) the bidder’s submission of employment statistics contained in the “Employment Information Form”, indicating that the composition of its workforce is at or near parity when compared to the racial and sexual composition of the workforce in the relevant labor market area; and
(e) the bidder’s promise to set aside a portion of the contract for legitimate minority business enterprises. See Section 46a-68j-30(10)(E) of the Contract Compliance Regulations.

INSTRUCTIONS AND OTHER INFORMATION

The following BIDDER CONTRACT COMPLIANCE MONITORING REPORT must be completed in full, signed, and submitted with the bid for this contract. GEN. STAT., and Sections 46a-68j-23 of the Regulations of Connecticut State Agencies regarding equal employment opportunity, and the bidders good faith efforts to include minority business enterprises as subcontractors and suppliers for the work of the contract.

1. Bidders must supply their earliest guaranteed delivery time (A.R.O.) and be specific.

2. Bidders must include all ancillary costs associated with the acquisition of a product or service in their bid. Failure to include specific reference to an applicable cost will be interpreted as that cost being included in the product or service price.

3. Bidders must be able, at the State's option, to demonstrate any/all proposed hardware/software products. Any required benchmark demonstration must be provided at a site approved by the State and without cost to the State.

4. Bidders must certify that their bid is good for the term of the contract award.

5. Bidders agree to accept purchase orders for additional quantities beyond that specified in this document for a period of 6 months after an award unless further extended by mutual consent or equipment is no longer available.

6. The State reserves the right to request complete documentation for any item proposed. Failure to provide said documentation upon request might result in disqualification from an award.

7. Notwithstanding any provision or language in this contract to the contrary, the Chief Information Officer may terminate this contract whenever he/she determines in his/her sole discretion that such termination is in the best interests of the State. Any such termination shall be effected by delivery to the Contractor of a written notice of termination. The notice of termination shall be sent by registered mail to the Contractor address furnished to the State for purposes of correspondence or by hand delivery. Upon receipt of such notice, the Contractor shall both immediately discontinue all services affected (unless the notice directs otherwise) and deliver to the State all data, drawings, specifications, reports, estimates, summaries, and such other information and materials as may have been accumulated by the Contractor in performing his duties under this contract, whether completed or in progress. All such documents, information, and materials shall become the property of the State. (2) A customer’s payment of a use tax to the Contractor or its Affiliates relieves the customer of liability for the use tax;

(3) The Contractor and its Affiliates shall remit all use taxes they collect from customers no later than the last day of the month of the calendar quarter that follows the effective date of this Agreement or the last day of the tax collection period during which the tax was collected, whichever is later. Notwithstanding the previous sentence, if the Agreement provides for an earlier date, then that earlier date shall control;

(4) The Contractor and its Affiliates are not liable for use tax billed by them but not paid to them by a customer; and

(5) If the Contractor or its Affiliates fail to remit use taxes collected on behalf of their customers by the date required above, then they shall be subject to the interest and penalties provided for persons required to collect sales tax under Chapter 219 of the Connecticut General Statutes.

The Contractor represents and warrants that each of its Affiliates has vested in the Contractor plenary authority to so bind the Affiliates in any agreement with the State of Connecticut. The Contractor on its own behalf and on behalf of its Affiliates shall also provide, no later than 30 days after receiving a request by the State’s contracting authority, such information as the State may require to ensure, in the State’s sole determination, compliance with the provisions of Chapter 219 of the Connecticut General Statutes, including, but not limited to, §12-411b.

      Product as a Department does its own property of a similar nature and shall take reasonable steps to assure that
      neither the Product nor any part thereof received by Department under this Agreement shall be disclosed for
      other than its own business interests. Such prohibition on disclosures shall not apply to disclosures by a
      Department to its employees or its representatives, provided such disclosures are reasonably necessary to
      Department’s use of the Product, and provided further that Department shall take all reasonable steps to insure
      that the Product is not disclosed by such parties in contravention of this Agreement.
   
   b. A Department shall use any license software Product only in the pursuit of its own business interests. Customer shall not sell, lease, license or otherwise transfer with or without consideration, any such Product to any
      third party (other than those nondesignated third parties that have need to know and agree to abide by the terms of
      this Section 10.) or permit any third party to reproduce or copy or otherwise use such Product. Customer will not
      create derivative works, translate, reverse engineer or decompile the Product software, in whole or in part, nor
      create or attempt to create, by reverse engineering or disassembling of the design, algorithms or other proprietary
      trade secrets of the source code version of the Product software.
   
   c. Supplier hereby agrees that:
      1) All Department information exposed or made available to Supplier or its representatives shall be
         considered confidential and handled as such.
      2) Any such Department information is not to be removed, altered, or disclosed to others in whole
         or in part by Supplier and its representatives.
      3) All Department security procedures shall be adhered to by Supplier and its representatives.

It is expressly understood and agreed that the obligations of this Section 15. shall survive the termination of this
Agreement.

16. MAINTENANCE & SUPPORT
   a. After acceptance of any Product by a Department and subject to the terms, conditions, and charges set
      forth in this Agreement, Supplier represents and warrants that maintenance and support services for any Product
      shall be provided to a Department as follows:
1) Supplier shall provide such reasonable and competent assistance as necessary to cause the Product to perform in accordance with applicable portions of the Specifications; and
2) Supplier shall provide Improvements which may be available to Supplier to any Product; and
3) Supplier shall update any Product, if and as required, to cause it to operate under new versions or releases of the operating system(s) specified in the Attachment.

   b. Maintenance and support services shall be provided by the Supplier on an annual basis and shall automatically renew for successive twelve (12) month periods unless thirty (30) days' prior written notice of termination is provided to the Supplier by a Department before the end of the initial term or any renewal term of maintenance and support services.

c. Supplier shall maintain sufficient and competent Product support services staff, replacement products and ancillary products to satisfy the Supplier obligations specified herein for any Product.

d. Supplier shall have full and free access to any Product to provide required services thereon.

e. If any Product becomes not usable due to the computer manufacturer's release and the installation of (1) a new PU operating system or (2) an updated version of the present PU operating system or (3) a change to the present PU operating system and the Supplier is unable to provide changes to the Product to cause it to operate according to Specifications within thirty (30) days of written notification by a Department to Supplier of such failure to operate, any such Product so affected shall have its paid maintenance and support period, periodic-payment license period or limited term license period extended an additional period of time equal to the period of time the Product was not usable. If, after the expiration of thirty (30) days from the date of said notification, the Product remains not usable, then the applicable license may be terminated at the option of said Department without further obligation or liability.

   f. Supplier shall typically respond to a Department's telephone requests for technical support relative to any installed Product within two (2) hours of such requests during Department weekday working hours (8:00 A.M. to 5:00 P.M., Eastern time). Failure to provide reasonable and competent telephone assistance, the Customer's sole determination, within the two (2) hour period shall entitle said Department to either credit or reimbursement against the applicable Product invoice in regard to a nonperpetual license in the amount of ten percent (10%) of the Supplier's current license fee for each succeeding two (2) hour period that said reasonable and competent assistance is not provided by Supplier. For a perpetual license, the amount shall be 1/6 times the related Product Schedule annual maintenance and support charge, or two (2) times the related Product Schedule monthly maintenance and support charge, as the case may be, whether payable or not by a Department, for each succeeding two (2) hour period that said reasonable and competent assistance is not provided by Supplier.

17. WARRANTIES
   a. Supplier hereby warrants its ownership and/or marketing rights to the Products. Unless stated otherwise in an Attachment, Supplier hereby warrants that a Product installed by Supplier, or installed by a Department in accordance with Supplier's instructions, shall function according to the Specifications on the Acceptance Date for such Product, and that Supplier shall modify and/or replace such Product as necessary to maintain ongoing Product reliability according to Section 16. MAINTENANCE & SUPPORT. This latter warranty shall not apply to any Product deficiency caused by maintenance by a person other than the Supplier or its representative.
b. If the ongoing performance of a Product does not conform to the Section 16. MAINTENANCE & SUPPORT provisions of this Agreement, a Department shall give Supplier written notice of performance deficiencies. Supplier shall then have not more than a ten (10) calendar day cumulative cure period per twelve (12) month period to correct such deficiencies. If the cumulative number of days in a twelve (12) month period is exceeded, and said performance continues to be in nonconformance with said Section 14., the Supplier shall be in default of this Agreement and the Customer at its option may thereupon:

1) request Supplier to replace said Product or service resource at Supplier's expense with a functional Product or competent service.

2) terminate the Product license or service without Department penalty, further obligation or financial liability. In the event of such termination, the Department shall be entitled to a refund according to the following schedule:

Termination of a lump-sum payment perpetual license
Period license of terminated Product has been in effect starting with Acceptance Date:
- 1st - 12th month - 75% of license fee paid to be refunded
- 13th - 24th month - 50% of license fee paid to be refunded
- 25th - 36th month - 25% of license fee paid to be refunded
- 37th month and over - No refund

Termination of associated services or a periodic payment license or a lump-sum payment nonperpetual
license
Fee paid by a Department applicable to the period following default shall be refunded to the Department.

c. The Supplier neither excludes nor modifies the implied warranties of merchantability and fitness for a particular purpose concerning the Products and services offered under the terms and conditions of this Agreement.
In consideration of these presents, the Invitation to Bid and the Contract, and for other good and valuable consideration, the receipt and sufficiency of which are acknowledged, the parties agree to these Standard Bid and Contract Terms and Conditions (the "Terms and Conditions"), the terms of the Invitation to Bid and the Contract.

ALL INVITATIONS TO BID ISSUED BY THE DEPARTMENT OF INFORMATION TECHNOLOGY ("DOIT") WILL BIND BIDDERS TO THESE TERMS AND CONDITIONS, WHICH, UNLESS OTHERWISE SPECIFICALLY NOTED, MAY BE ABROGATED, MODIFIED OR SUPPLEMENTED IN WHOLE OR IN PART BY THE SPECIAL BID AND CONTRACT TERMS AND CONDITIONS (THE "SPECIFICATIONS") ISSUED IN CONNECTION WITH ANY INDIVIDUAL INVITATION TO BID. BY SUBMITTING A BID, THE BIDDER REPRESENTS AND WARRANTS THAT IT IS AGREEING TO ALL OF THE PROVISIONS IN THE INVITATION TO BID, INCLUDING THESE TERMS AND CONDITIONS.

(q) Multiple Bids: More than one Bid submitted in response to the same invitation to bid by the same bidder, whether on a separate bid form or attached to the initial bid form. upper left-hand corner of the Bid package. Bids may be submitted for all or any part of total quantities or for any or all agency requirements listed in the Invitation to Bid, unless otherwise specifically indicated.

3. Bid Preparation, Content, Execution and Copies. Bids must include all information required in the Invitation to Bid in order for the Bid to be accepted and not rejected. Failure to provide such information will result in the rejection of the Bid. Bidders must verify the contents of their Bids before submission, as DOIT will not consider amendments to any Bids after the time specified for the opening of Bids. Bidders must submit one original and one copy of the Bid to DOIT. Bids shall be handwritten in ink, typewritten, or computer prepared. DOIT will reject all Bids prepared in pencil. A person duly authorized to sign Bids on behalf of the Bidder shall sign all Bids. DOIT shall reject all unsigned Bids. All signatures shall be original signatures, unless there is specific authorization from DOIT for the use of non-manual forms of signature. The person signing the Bid or his authorized designee shall initial and date all erasures, alterations or corrections on both the original and copy of any documentation submitted to DOIT. Failure to do so may result in rejection of the Bid for those items erased, altered or corrected and not initialed.

4. Addenda to Invitation to Bid. If DOIT issues any addendum to the Invitation to Bid, the Bidder should sign it and return it with the Bid or before the Bid opening. In the event that it is not, vendors shall still be held to the obligation of whatever change/modification is set forth in the Addendum.

5. Conditional Bids. Conditional Bids may be rejected in whole or in part.

6. Alternate and Multiple Bids. Alternate Bids or Multiple Bids may be rejected in whole or in part.

7. No Substitute Specification. Unless limited by the term "no substitute," the use of the name of a manufacturer or of any particular make, model, or brand in describing a System, does not restrict Bidders to that manufacturer or specific System or System Properties. Such use simply and only indicates the character or quality of the System in which the State is interested. The System offered must be of similar character and quality and include any applicable options, accessories, etc., and serve the purpose for which it is to be used equally as well as the one specified. By submitting the Bid, the Bidder so warrants the System. Bids on comparable Systems must clearly state the exact System offered including any and all applicable options, accessories, etc., and the Bidder shall furnish such other information concerning the System as will be helpful in evaluating its acceptability for the purposes intended. If the Bidder does not indicate that the System offered is other than as specified, it will be understood that the Bidder is offering the System exactly as specified.

8. Pricing. Prices must be in decimals, not fractions, net, and shall include transportation and delivery charges fully prepaid by the Contractor, FOB, to the destination specified in the Invitation to Bid. In the event of a discrepancy between the unit price and the extension price, the unit price shall govern. Any discrepancy between the original and the copy of the Bid may result in rejection of the Bids for the System items so affected, except in the event of Bids awarded on a total basis, in which case DOIT shall consider the lower total price in making the award.

9. Tax Exemption. In accordance with section 12-412 of the Connecticut General Statutes, the State is exempt from the payment of excise, transportation and sales taxes imposed by the Federal Government and/or the State. Such taxes must not be included in Bid prices.

10. Bid Opening. DOIT will open and read all Bids publicly, unless otherwise provided by law. Bidders may be present or be represented at all openings. After DOIT makes the award, Bids are subject to public inspection by appointment during DOIT’s normal business hours. DOIT will not prepare, discuss or communicate summaries of Bids in any way.

11. Right to Cancel or Amend. DOIT may amend an Invitation to Bid at any time prior to the date and time of Bid opening. DOIT may cancel an Invitation to Bid at any time prior to the date and time of Contract award. Such cancellation shall not be deemed to be a breach of contract by DOIT.

12. Samples. If the Invitation to Bid requires that Bidders submit samples of Systems, the samples must meet at a minimum all Specifications. Bidders must submit samples when required and strictly in accordance with instructions, or DOIT may reject the Bid. If DOIT accepts a sample that does not meet the Specifications, this does not indicate or mean that DOIT has lowered or modified the Specifications. However, if any Bid sample is superior in quality to the Specifications, all deliveries shall have the same or identical quality as the Bid sample. If DOIT requests samples subsequent to the opening of Bids, the Bidder shall deliver them as specified in the Bid, free of any charges or fees and be accompanied by a descriptive memorandum indicating the Bidder desires for their return. The State shall return any samples in accordance with such memorandum, provided that they have not been used or made useless by testing. The State may hold samples for comparison with deliveries.

13. Rejected Items; Abandonment. If DOIT notifies Bidders that they must retrieve samples, or any other Systems, goods or equipment (collectively, the “Rejected Items”) belonging to the Bidder, wherever located, the Bidder must do so within forty-eight (48) hours after notification unless public health and safety require immediate destruction or other disposal of the Rejected Items. The Bidder agrees and acknowledges that its failure to retrieve and remove from any State premises the Rejected Items within such time shall be deemed to be an abandonment of the Rejected Items and, without more required of any party, shall vest authority in DOIT or any Agency to use or dispose of the Rejected Items as if they were the State’s own property, as they deem it to be appropriate and in accordance with the law without incurring any liability or obligation to the Bidder or any other party. To the extent that DOIT and/or any Agency incurs any costs or expenses in connection with the Rejected Items, including, but not limited to, disposing of the Rejected Items, the Bidder shall reimburse the appropriate State entity no later than thirty (30) days after the date of invoice for such costs and expenses. All samples will be set up at DOIT unless DOIT indicates another location.

14. Award Criteria. DOIT shall award Contracts to the Lowest Responsible Qualified Bidder, in accordance with the factors set forth in 4a-59 of the Connecticut General Statutes, in the corresponding regulations and in the Invitation to Bid. Past performance, financial responsibility, the quality of the Systems to be supplied, their conformity with Specifications, their suitability to the requirements of the State, the delivery terms and administrative costs to the State shall always be factors in making contract awards.

15. Right to Manage Award. DOIT may award by System item, or part thereof, groups of Systems, or all Systems in the Invitation to Bid; reject any and all Bids in whole or in part; waive or correct minor irregularities and omissions if, in DOIT’s judgment, the best interest of the State will be served; or correct inaccurate awards, as it deems to be appropriate, resulting from clerical or administrative errors. If in the case of an irregularity, omission or mistake, the intended correct Bid is clearly evident on the face of the Bid, the Bidder shall be given an opportunity to correct the Bid to reflect the correct intent. Examples of mistakes that are clearly evident on the face of the Bid include but are not limited to, typographical errors, errors in extending unit prices, transposition errors, and arithmetical errors.

16. **Effective Date.** The Contract shall be deemed to exist and be effective from the time that the Bidder accepts DOIT’s Contract award notice to the Bidder. Bidder acceptance shall occur earlier than the date of the Bidder’s written acceptance to DOIT in response to the Contract award notice or, absent such written acceptance, ten (10) days from the date of the Contract award notice. If any Bidder refuses or fails to accept DOIT’s Contract award within ten (10) days from the date of the Contract award notice, DOIT may award the Contract to the next Lowest Responsible Qualified Bidder, and so on until the Contract is awarded and accepted. Refusal to accept a Contract after the ten (10) day period shall be deemed to be a breach of Contract and the Contractor shall be subject to the section in these terms and conditions concerning Open Market Purchases.

17. **Bidder Obligations Concerning the Bid.** A Bidder, if requested, must present evidence of experience, ability, service facilities, factory authorization and financial standing necessary to meet satisfactorily the requirements set forth or implied in the Invitation to Bid.

18. **Discounts.** Bidders may offer a discount for prompt payment, but such discount will not be taken into consideration in determining lowest price, except in the case of a price tie.

19. **Rejection of Bids for Malfesseance.** DOIT may, in its sole discretion, reject the Bid of any Bidder if at the time of Bid submittal the Bidder or Bidder Parties is in breach of any of the applicable representations and warranties listed in the Representations and Warranties section of these Terms and Conditions.

20. **Order and Delivery.** The Contract shall bind the Bidder to furnish and deliver the Systems and/or services at the prices set forth in the Bid and in accordance with the Invitation to Bid, including these Terms and Conditions. Subject to the sections in these terms and conditions concerning Force Majeure, Termination, Cancellation and Expiration and Open Market Purchases, the Contract shall bind the State to order the Systems and any associated services from the Contractor, and to pay for the accepted Systems and any associated services at the Contract prices. The State may order and the Contractor shall deliver accordingly up to ten (10) percent more or less than the quantity listed in the Invitation to Bid. Subject to Contractor acceptance, Agencies not originally or specifically mentioned in the Invitation to Bid may purchase Systems and associated services from the Contractor. Agencies mentioned in the Invitation to Bid may transfer Systems and any associated services that they would have ordered to one or more other Agencies and the Contractor shall perform accordingly, subject to an adjustment in transportation costs, if applicable, resulting from any possible change in delivery sites. Provided further that such transportation costs are based on separately determined delivery costs to individual Agencies.

21. **Contract Amendments.** No alterations or variations of the Contract shall be valid or binding upon the State unless made in writing and signed by both parties.

22. **Term.** Contracts will remain in force for the full period specified in the Invitation to Bid or until:
   a. Terminated or Cancelled in accordance with these Terms and Conditions; or
   b. Extended in accordance with section 4a-59a of the Connecticut General Statutes, upon written authorization of the CIO and acceptance by the contractor, to permit ordering of unsecured balances or additional quantities at the contract price and in accordance with the contract terms.
   c. Expired.

23. **Assignment.** The Contractor shall not assign any of its rights or obligations under the Contract, voluntarily or otherwise, in any manner without the prior written consent of DOIT. DOIT may void any purported assignment in violation of this section and to declare the Contractor in breach of Contract. If the Contractor assigns its rights or obligations under the Contract without the consent of DOIT, DOIT may cancel the Contract in accordance with the Termination, Cancellation and Expiration section of these Terms and Conditions, effective as of the assignment’s occurrence or such other time as DOIT specifies in the Cancellation notice. Any Cancellation is without prejudice to DOIT’s rights or possible Claims.

24. **Termination, Cancellation and Expiration.**
   (a) Notwithstanding any provisions in the Invitation to Bid, including these Terms and Conditions, DOIT’s Chief Information Officer (“CIO”), or the CIO’s designee, may Terminate or Cancel the Contract whenever the CIO makes a written determination that such Termination or Cancellation is in the best interests of the State. DOIT shall notify the Contractor in writing of Termination or Cancellation pursuant to this section, which notice shall specify the effective date of Termination or Cancellation and the extent to which the Contractor must complete performance under the Contract prior to such date.

   (b) The CIO shall send the notice of Termination or Cancellation via registered mail, return receipt requested, to the Contractor at the most current address which the Contractor has furnished to the State for purposes of correspondence, or by hand delivery. Upon receiving such notice from the State, the Contractor shall immediately discontinue all services and take all actions affected in accordance with the notice, undertake all commercially reasonable efforts to mitigate any losses or damages, and deliver to the State all Records. The Records are deemed to be the property of the State and the Contractor shall deliver them to DOIT no later than thirty (30) days after the Termination, Cancellation or Expiration of the Contract or fifteen (15) days after the Contractor receives a written request from the State for the Records. The Contractor shall deliver those Records that exist in electronic, magnetic or other intangible form in a non-proprietary format, such as, but not limited to, ASCEE or .TXT.

   (c) Upon receipt of a written notice of Termination or Cancellation from the State, the Contractor shall cease operations as directed by the State in the notice, and take all actions that are necessary or appropriate to terminate performance, to perform the protection and preservation of the Systems, Systems Properties and any other property. Except for any work which DOIT directs the Contractor to perform in the notice prior to the effective date of Termination or Cancellation, and except as otherwise provided in the notice, the Contractor shall terminate or conclude all existing subcontracts and purchase orders and commitments.

   (d) In the case of any Termination or Cancellation, the State shall, within forty-five (45) days of the effective date of Termination or Cancellation, reimburse the Contractor for its performance rendered and accepted by the State in accordance with the compensation provisions of the Contract, in addition to all actual and reasonable costs incurred after Termination or Cancellation in completing those performances of the performance of which the Contractor was required to complete by the notice. However, the Contractor is not entitled to receive and the State is not obligated to tender to the Contractor any payments for anticipated or lost profits. Upon request by the State, the Contractor shall assign to the State, or any replacement contractor which the State designates, all subcontracts, purchase orders and other commitments, deliver to the State all Records and other information pertaining to its performance, and remove from State premises, whether leased or owned, all such equipment, waste material and rubbish related to its performance as the State may request.

   (e) For breach or violation of any of the provisions in the section of these Terms and Conditions concerning Representations and Warranties, the State may Cancel the Contract in accordance with its terms and revoke any consents to assignments given as if the

STANDARD BID/CONTRACT TERMS AND CONDITIONS

assignments had never been requested or consented to, without liability to the Contractor or Contractor Parties or any third party.

(g) Upon Termination, Cancellation or Expiration of the Contract, all rights and obligations shall be null and void, so that no party shall have any further rights or obligations to any other party, except with respect to the sections which survive Termination, Cancellation or Expiration of the Contract. All representations, warranties, agreements and rights of the parties under the Contract shall survive such Termination, Cancellation or Expiration to the extent not otherwise limited in the Contract and without each one of them having to be specifically mentioned in the Contract.

(h) Termination or Cancellation of the Contract pursuant to this section shall not be deemed to be a breach of contract by the State.

25. Breach. If either party breaches the Contract in any respect, the non-breaching party shall provide written notice of such breach to the breaching party and afford the breaching party an opportunity to cure the breach within ten (10) days from the date that the breaching party receives such notice, or such other time as provided in the notice, the Invitation to Bid or these Terms and Conditions, whichever is latest. Such right to cure period shall be extended if the non-breaching party is satisfied that the breach is such that it cannot be cured within the right to cure period. The notice may include an effective Contract cancellation date if the breach is not cured by the stated date and, unless otherwise modified by the non-breaching party in writing prior to the cancellation date, no further action shall be required of any party to effect the cancellation as of the stated date. If the notice does not set forth an effective Contract cancellation date, then the non-breaching party may Cancel the Contract by giving the breaching party no less than twenty four (24) hours’ prior written notice. If the State believes that the Contractor has not performed according to the Contract, the State may withhold payment in whole or in part pending resolution of the performance issue, provided that DOIT notifies the Contractor in writing prior to the date that the payment would have been due in accordance with the Payment section of these Terms and Conditions. For notice purposes, a lesser payment period shall not apply. If a cash discount for prompt payment is invoiced, the withholding of payments as provided for in this section shall not deprive the State of the right to take such cash discount.

26. Waiver.

(a) No waiver of any breach of the Contract shall be interpreted or deemed to be a waiver of any other or subsequent breach. All remedies afforded in the Contract shall be taken and construed as cumulative, that is, in addition to every other remedy provided in the Contract or at law or in equity.

(b) A party’s failure to insist on strict performance of any provision of the Contract shall only be deemed to be a waiver of rights and remedies concerning that specific instance of performance and shall not be deemed to be a waiver of any subsequent rights, remedies or breach.

27. Open Market Purchases.

Except to the extent that the Contractor is performing within a right to cure period, failure of the Contractor to perform within the time specified in the Contract, or failure to replace rejected or standard Systems or fulfill unperformed services when so requested and as the Contract provides or allows, constitutes a breach of the Contract and as a remedy for such breach, such failure shall constitute authority for DOIT, if it deems it to be necessary or appropriate in its sole discretion, to Cancel the Contract and/or to purchase on the open market, Systems and associated services to replace those which have been rejected, not delivered, or not performed. The State shall invoice the Contractor for all such purchases to the extent that they exceed the costs and expenses in Contractor’s Bid and the Contractor shall pay the State’s invoice immediately after receiving the invoice. If DOIT does not Cancel the Contract, the State will deduct such open market purchases from the Contract quantities. However, if the CIO deems it to be in the best interest of the State, DOIT may accept and use the Systems delivered which are substantially in quality, subject to an adjustment in price to be determined by DOIT.

28. Purchase Orders. The Contract itself is not an authorization for the Contractor to ship any Systems or to begin performing in any way. The Contractor may begin performing only after it has received a duly issued purchase order against the Contract for performance. The Agency using the Contract will issue a purchase order against the Contract directly to the Contractor. All purchase orders must be in writing, bear the Contract number and comply with all other State requirements, particularly the Agency’s requirements concerning procurement. A Contractor making delivery without a formal written purchase order does so at his own risk.

29. Nonresponsibility. If (a) a Bidder fails to accept a Contract within ten (10) days, as specified in the Effective Date section of these terms and conditions; (b) a Contractor suffers an unexcused material breach of the Contract and fails to cure that breach in accordance with the procedures set forth in the Breach section of these terms and conditions; or (c) a Contractor fails to reimburse the State for open market purchases as set forth in the Open Market Purchases section of these terms and conditions, then DOIT will take that into consideration in future Invitations to Bid when evaluating the Bidder’s responsibility. The consideration of this factor may lead to a “not responsible” finding against the Bidder and make a Bidder ineligible to receive one or more future contract awards.

30. Indemnification.

a. The Contractor shall indemnify, defend and hold harmless the State and its officers, representatives, agents, servants, employees, successors and assigns from and against any and all (1) Claims arising, directly or indirectly, in connection with the Contract, including the acts of commission or omission (collectively, the “Acts”) of the Contractor or Contractor Parties; and (2) liabilities, damages, losses, costs and expenses, including but not limited to, attorneys’ and other professionals’ fees, arising, directly or indirectly, in connection with claims, Acts or the Contract. The Contractor shall use counsel reasonably acceptable to the State and without charge to the State in carrying out its obligations under this section. The Contractor’s obligations under this section to indemnify, defend and hold harmless against Claims includes Claims concerning any intellectual property rights, other proprietary rights of any person or entity, copyrighted or uncopyrighted compositions, secret processes, patented or unpatented inventions, articles or appliances furnished or used in the performance of the Contract.

Any decision pertaining to any such failure or rejection shall be final and binding.

**36. Payment.** Payment shall be made only after the Agency receives the Systems or services and after acceptance of the Systems or services and presentation of a properly completed invoice. STANDARD BID/CONTRACT TERMS AND CONDITIONS

42. Disclosure of Contractor Parties Litigation. The Contractor shall require that all Contractor Parties, as appropriate, disclose to the Contractor annually on the anniversary date of the effective date of the Contract, to the best of their knowledge, any claims involving the Contractor Parties that might reasonably be expected to materially adversely affect their businesses, operations, assets, properties, financial stability, business prospects or ability to perform fully under the Contract. The Contractor shall provide such information to DOIT no later than ten (10) days after the Contractor receives such information. Disclosure shall be in writing.

43. Bidder Communications with State. The only Agency with which Bidders may communicate concerning the Invitation to Bid and their Bid is DOIT. They may not contact the requesting Agency or any of its employees unless the Bidder has received prior written approval from DOIT. Any alleged oral agreement or arrangement made by a Bidder or Contractor with any Agency or any of its employees shall not bind DOIT or the State.

44. Entirety of Contract. The Contract is the entire agreement between the parties with respect to the its subject matter, and supersedes all prior agreements, proposals, offers, counteroffers and understandings of the parties, whether written or oral. No alteration, modification or interpretation of the Contract shall be valid or binding unless in writing and signed by both parties. The Contract has been entered into after full investigation, neither party relying upon any statement or representation by the other unless such statement or representation is specifically embodied in the Contract.

45. Price Reduction. The parties may agree to a reduction in the Bid price for any part or all of the System and/or associated services after the Contractor begins to perform.

46. Executive Orders. The Contract is subject to the provisions of Executive Order No. Three of Governor Thomas J. Meskill, promulgated June 16, 1971, concerning labor employment practices, Executive Order No. Seven of Governor John G. Rowland promulgated February 15, 1973, concerning the listing of employment openings and Executive Order No. Sixteen of Governor John G. Rowland promulgated August 4, 1999, concerning violence in the workplace, all of which are incorporated into and are made a part of the Contract as if they had been fully set forth in it. At the Contractor’s request, the Client Agency shall provide a copy of these orders to the Contractor. The Contractor may also be subject to Executive Order No. 7C of Governor M. Jodi Rell, promulgated July 13, 2006, concerning contracting reforms and Executive Order No. 14 of Governor M. Jodi Rell, promulgated April 17, 2006, concerning procurement of cleaning products and services, in accordance with their respective terms and conditions.

47. Non-discrimination. References in this section to “contract” shall mean this Contract and references to “contractor” shall mean the Contractor.

(a) The following subsections are set forth here as required by section 4a-80 of the Connecticut General Statutes:

(1) The contractor agrees and warrants that in the performance of the contract such contractor will not discriminate or permit discrimination against any person or group of persons on the grounds of race, color, religious creed, age, marital status, national origin, ancestry, sex, mental retardation or physical disability, including, but not limited to, blindness, unless it is shown by such contractor that such disability prevents performance of the work involved, in any manner prohibited by the laws of the United States or of the state of Connecticut. The contractor further agrees to take affirmative action to insure that applicants with job-related qualifications are employed and that employees are treated when employed without regard to their race, color, religious creed, age, marital status, national origin, ancestry, sex, mental retardation, or physical disability, including, but not limited to, blindness, unless it is shown by such contractor that such disability prevents performance of the work involved; (2) the contractor agrees, in all solicitations or advertisements for employees placed by or on behalf of the contractor, to state that it is an “affirmative action-equal opportunity employer” in accordance with regulations adopted by the commission; (3) the contractor agrees to provide each labor union or employer with which such contractor has a collective bargaining agreement or other contract or understanding and each vendor with which such contractor has a contract or understanding, a notice to be provided by the commission advising the labor union or workers’ representative of the contractor’s commitments under this section, and to post in conspicuous places available to employees and applicants for employment; (4) the contractor agrees to comply with each provision of this section and sections 46a-68e and 46a-68f and with each regulation or relevant order issued by said commission pursuant to sections 46a-56, 46a-68e and 46a-68f; (5) the contractor agrees to provide the Commission on Human Rights and Opportunities with such information requested by the commission, and permit access to pertinent books, records and accounts, concerning the employment practices and procedures of the contractor as relate to the provisions of this section and section 46a-56.

(b) If the contract is a public works contract, the contractor agrees and warrants that he will make good faith efforts to employ minority business enterprises as subcontractors and suppliers of materials on such public works project.

(c) “Minority business enterprise” means any small contractor or supplier of materials fifty-one per cent or more of the capital stock, if
any, or assets of which is owned by a person or persons: (1) Who are active in the daily affairs of the enterprise, (2) who have the power to direct the management and policies of the enterprise and (3) who are members of a minority, as such term is defined in subsection (a) of section 303 of the Connecticut General Statutes, or who is in the active direction and control of the enterprise and who exercises the powers granted by the articles of incorporation and by-laws of the enterprise. For the purposes of this section, "person" includes "Contractor Parties" or "Bidder Parties," since it is the parties’ intent for convenience and speed of reference to use "Contractor" or "Bidder" as a means of enforcing such provisions including sanctions for noncompliance in accordance with section 46a-56; provided, if such contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the commission, the contractor may request the state of Connecticut to enter into any such litigation or negotiation prior thereto to protect the interests of the state and the state may so enter.

48. Whistleblowing. The Contract is subject to the provisions of §4-61dd of the Connecticut General Statutes. In accordance with this section any person having knowledge of any matter involving corruption, violation of state or federal laws or regulations, gross waste of funds, abuse of authority or danger to the public safety occurring in any large state contract, may transmit all facts and information in his possession concerning such matter to the Auditors of Public Accounts. In accordance with subsection (e) if an officer, employee or appointing authority of a large state contractor takes or threatens to take any personnel action against any employee of the contractor in retaliation for such employee’s disclosure of information to the Auditors of Public Accounts or the Attorney General under the provisions of this section, the contractor shall be liable for a civil penalty of not more than five thousand dollars for each offense, up to a maximum of twenty per cent of the value of the contract. Each violation shall be a separate and distinct offense and in the case of a continuing violation each calendar day’s continuance of the violation shall be deemed to be a separate and distinct offense. The executive head of the state or quasi-public agency may request the Attorney General to bring a civil action in the Superior Court for the Judicial District of Hartford to seek imposition and recovery of such civil penalty. In accordance with subsection (f) each large state contractor shall post a notice of the provisions of this section relating to large state contractors in a conspicuous place which is readily available for viewing by the employees of the contractor.

50. Number and Gender. Whenever the context so requires, the plural or singular shall include each other and the use of any gender shall include all genders.

51. Parties. To the extent that any Contractor Party or Bidder Party is to participate or perform in any way, directly or indirectly in connection with the Bid or the Contract, any reference in the Invitation to Bid, the Bid and the Contract to “Contractor” or “Bidder” shall also be deemed to include “Contractor Parties” or “Bidder Parties,” respectively, as if such reference had originally specified included “Contractor Parties” or “Bidder Parties,” since it is the parties’ intent for the terms “Contractor Parties” and “Bidder Parties” to be vested with the same rights and obligations as the terms “Contractor” and “Bidder.”

52. Contractor Changes. The Contractor shall notify DOIT in writing of any change in its certificate of incorporation, a change in more than a controlling interest in the ownership of the Contractor or a change in the individual(s) in charge of the performance to be completed under the Contract. This change shall not relieve the Contractor of any responsibility for the accuracy and completeness of the performance. DOIT, after receiving written notice by the Contractor of any such change, may require such agreements, releases and other instruments evidencing, to DOIT’s satisfaction, that any individuals retiring or otherwise separating from the Contractor have been compensated in full or that provision has been made for compensation in full, for all work performed under terms of the Contract. The Contractor shall deliver such documents to DOIT in accordance with the terms of DOIT’s written request. DOIT may also require, and the Contractor shall deliver, a financial statement showing that solvency of the Contractor is maintained. The death of any Contractor Party, as applicable, shall not release the Contractor from the obligation to
perform under the Contract; the surviving Contractor Parties, as appropriate, must continue to perform under the Contract until it is fully performed.

53. **Further Assurances.** The parties shall provide such information, execute and deliver any instruments and documents and take such other actions as may be necessary or reasonably requested by the other party which are not inconsistent with the provision of the Contract and which do not involve the assumption of obligations other than those provided for in the Contract, in order to give full effect to the Contract and to carry out the intent of the Contract.

54. **Audit and Inspection of Records.** The Contractor shall make all of its and the Contractor Parties’ Records available at all reasonable hours for audit and inspection by DOIT and any Agency, including, but not limited to, the Connecticut Auditors of Public Accounts, Attorney General and State’s Attorney and their respective agents. Requests for any such record or inspection shall be in writing, at least ten (10) days prior to the requested date. All audits and inspections shall be at the State’s expense. The State may request an audit or inspection at any time during the Contract term and for three (3) years from Termination, Cancellation or Expiration of the Contract. The Contractor shall cooperate fully with the State and its agents in connection with an audit or inspection. Following any audit or inspection, the State may conduct and the Contractor shall cooperate with an exit conference.

55. **Background Checks.** The Contractor and Contractor Parties shall be subject to criminal background checks as provided for in the State of Connecticut Department of Public Safety Administration and Operations Manual.

56. **Continued Performance.** The Contractor and Contractor Parties shall continue to perform their obligations under the Contract while any dispute concerning the Contract is being resolved.

57. **Working and Labor Synergies.** The Contractor shall be responsible for maintaining a tranquil working relationship between the Contractor work force, the Contractor Parties and their work force, State employees, and any other contractors present at the work site. The contractor shall quickly resolve all labor disputes which result from the Contractor’s or Contractor Parties’ presence at the work site, or other action under their control. Labor disputes shall not be deemed to be sufficient cause to allow the Contractor to make any claim for additional compensation for cost, expenses or any other loss or damage, nor shall any disputes be deemed to be sufficient reason to relieve the Contractor from any of its obligations under the Contract.

58. **Contractor Responsibility.** The Contractor shall be required to assume responsibility for the entire performance under the Contract regardless of whether the Contractor itself performs. The Contractor shall be the sole point of contact concerning the management of the Contract, including performance and payment issues. The Contractor is solely and completely responsible for adherence by the Contractor Parties to all applicable provisions of the Contract. The Contractor shall exercise all reasonable care to avoid damage to the State's property or to property being made ready for the State’s use, and to all property adjacent to any work site. The Contractor shall promptly report any damage, regardless of cause, to the State.

59. **Severability.** If any term or provision of the Contract or its application to any person, entity or circumstance shall, to any extent, be held to be invalid or unenforceable, the remainder of the Contract or the application of such term or provision shall not be affected as to persons, entities or circumstances other than those to whom or to which it is held to be invalid or unenforceable. Each remaining term and provision of the Contract shall be valid and enforced to the fullest extent possible by law.

60. **Most Favored Nation.** The terms of all Systems and services in the Contract are equivalent to or better than those for comparable Contractor offerings to any other state or local government under like terms and conditions. If during the term of the Contract the Contractor provides more favorable terms for said offerings to another such state or local government, the Contract shall be deemed to be amended, automatically and without any act required of any party, to provide the same terms to the State.

61. **Confidential Information.** DOIT will afford due regard to the Bidder’s and Contractor’s request for the protection of proprietary or confidential information which DOIT receives. However, all materials associated with the Bid and the Contract are subject to the terms of the Connecticut Freedom of Information Act (“FOIA”) and all corresponding rules, regulations and interpretations. In making such a request, the Bidder or Contractor may not merely state generally that the materials are proprietary or confidential in nature and not, therefore, subject to release to third parties. Those particular sentences, paragraphs, phrases or selections that the bidder believes may be exempted under its request shall be specifically identified as such. Convincing explanation and rationale sufficient to justify each exemption consistent with the FOIA must accompany the request. The rationale and explanation must be stated in terms of the prospective harm to the competitive position of the Bidder or Contractor that would result if the identified material were to be released and the reasons why the materials are legally exempt from release pursuant to the FOIA. To the extent that any other provision or part of the Contract, especially including the Bid and the Specifications, conflicts or is in any way inconsistent with this Section, this Section controls and shall apply.

62. **Interpretation.** The Contract contains numerous references to statutes and regulations. For purposes of interpretation, conflict resolution and otherwise, the content of those statutes and regulations shall govern over the content of the reference in the Contract to those statutes and regulations.

63. **Cross-Default.** If the Contractor or Contractor Parties breach, default or in any way fail to perform satisfactorily under the Contract, then the State may, in its sole discretion, without more and without any action whatsoever required of the State, treat any such event as a breach, default or failure to perform under any or all other agreements or arrangements (“Other Agreements”) that the Contractor or Contractor Parties have with the State. Accordingly, the State may then exercise at its sole option any and all of its rights or remedies provided for in the Contract or Other Agreements, either selectively or collectively and without such election being deemed to prejudice any rights or remedies of the State, as if the Contractor or Contractor Parties had suffered a breach, default or failure to perform under the Other Agreements. If the Contractor or Contractor Parties breach, default or in any way fail to perform satisfactorily under any or all other agreements or arrangements (“Other Agreements”) that the Contractor or Contractor Parties have with the State, then the State may, in its sole discretion, without more and without any action whatsoever required of the State, treat any such event as a breach, default or failure to perform under the Contract. Accordingly, the State may then exercise at its sole option any and all of its rights or remedies provided for in the Other Agreements or the Contract, either selectively or collectively and without such election being deemed to prejudice any rights or remedies of the State, as if the Contractor or Contractor Parties had suffered a breach, default or failure to perform under the Contract.

64. **Disclosure of Records.** The Contract may be subject to the provisions of §1-218 of the Connecticut General Statutes. In accordance with this section, each contract in excess of two million five hundred thousand dollars between a public agency and a person for the performance of a governmental function shall (1) provide that the public agency is entitled to receive a copy of records and files related to the performance of the governmental function, and (2) indicate that such records and files are subject to the Freedom of Information Act and may be disclosed by the public agency pursuant to the Freedom of Information Act. No request to inspect or copy such records or files shall be valid unless the request is made to the public agency in
accordance with the Freedom of Information Act. Any complaint by a person who is denied the right to inspect or copy such records or files shall be brought to the Freedom of Information Commission in accordance with the provisions of sections 1-205 and 1-206 of the Connecticut General Statutes.

65. Notice of Consulting Affidavit. Section 4a-81 of Connecticut Statutes requires that this solicitation include a notice of the consulting affidavit requirements described in the Statute. Accordingly, pursuant to the Statute, vendors are notified as follows:

No state agency shall execute a contract for the purchase of goods or services, which contract has a total value to the state of fifty thousand dollars or more in any calendar or fiscal year, unless the state agency obtains the written affidavit described in subsection (b) of this section.

(1) The chief official of the vendor awarded a contract described in subsection (a) of this section or the individual awarded such contract who is authorized to execute such contract, shall attest in an affidavit as to whether any consulting agreement has been entered into in connection with such contract. Such affidavit shall be required if any duties of the consultant included communications concerning business of such state agency, whether or not direct contact with a state agency, state or public official or state employee was expected or made.

"Consulting agreement" means any written or oral agreement to retain, for the services, for a fee, of a consultant for the purposes of (A) providing counsel to a contractor, vendor, consultant or other entity seeking to conduct, or conducting, business with the State, (B) contacting, whether in writing or orally, any executive, judicial, or administrative office of the state, including any department, institution, bureau, board, commission, authority, official or employee for the purpose of solicitation, dispute resolution, introduction or requests for information or (C) any other similar activity related to such contract. "Consulting agreement" does not include any agreements entered into with a consultant who is registered under the provisions of Chapter 10 of the Connecticut General Statutes concerning the State’s Codes of Ethics, as of the date such affidavit is submitted.

(2) Such affidavit shall be sworn as true to the best knowledge and belief of the person signing the certification on the affidavit and shall be subject to the penalties of false statement.

(3) Such affidavit shall include the name of the consultant, the consultant’s firm, the basic terms of the consulting agreement, a brief description of the services provided, and an indication as to whether the consultant is a former state employee or public official.

(4) Such affidavit shall be amended whenever the vendor awarded the contract enters into any new consulting agreement during the term of the contract.

If a vendor refuses to submit the affidavit required under subsection (b) of this section, then the state agency shall not award the Contract to such vendor and shall award the contract to the next highest ranked vendor or the next lowest responsible qualified bidder or seek new bids or proposals.

This section is set forth here only for purposes of providing notice of the requirements of the Act. Accordingly, it is not intended nor should it be interpreted or relied upon to be a complete and full reiteration of the Act’s contents. Any interpretation or understanding of the Act’s requirements or content by any party must come only from reading the full text of the Act itself.

66. Summary of State Ethics Laws. Pursuant to the requirements of Section 1-107q of Connecticut General Statutes, the summary of State ethics laws developed by the State Ethics Commission pursuant to section 1-81b of the Connecticut General Statutes is incorporated by reference into and made a part of the Contract as if the summary had been fully set forth in the Contract.

67. Sovereign Immunity. The parties acknowledge and agree that nothing in the Invitation to Bid or the Contract shall be construed as a modification, compromise or waiver by the State of any rights or defenses of any immunities provided by Federal law or the laws of the State of Connecticut to the State or any of its officers and employees, which they may have had, now have or will have with respect to all matters arising out of the Contract. To the extent that this section conflicts with any other section, this section shall govern.

68. Time is of the Essence. Time is of the essence with respect to all provisions of this Agreement that specify a time for performance; provided, however, that this provision shall not be construed to limit or deprive a party of the benefits of any grace or use period allowed in this Agreement.

69. Continuity of Systems. This Section is intended to comply with Conn. Gen. Stat. §4d-44. The Contractor acknowledges that the Systems and associated services are important to the function of State government and that they must continue without interruption. Pursuant to Conn. Gen. Stat. §4d-44, if the work under the Contract, any subcontract, or amendment to either, is transferred back to the State or to another contractor at any time for any reason, then the Contractor shall cooperate fully with the State, and do and perform all acts and things that DOIT deems to be necessary or appropriate, to ensure continuity of state agency information system and telecommunication system facilities, equipment and services so that there is no disruption or interruption in performance as required or permitted in the Contract. The Contractor shall not enter into any subcontract for any part of the performance under the Contract without approval of such subcontract by DOIT, as required by Conn. Gen. Stat. §4d-32, and without such subcontract including a provision that obligates the subcontractor to comply fully with Conn. Gen. Stat. §4d-44 as if the subcontractor were in fact the Contractor. The Contractor shall make a full and complete disclosure of and delivery to DOIT or its representatives of all Records and “Public Records,” as that term is defined in Conn. Gen. Stat. §4d-33, as it may be amended, in whatever form they exist or are stored and maintained and wherever located, directly or indirectly concerning the Contract.

The parties shall follow the following applicable and respective procedures in order to ensure the orderly transfer to the State of:

(1) such facilities and equipment: N/A;

(2) all software created or modified pursuant to the Contract, subcontract or amendment: N/A; and

(3) all public records, as defined in Conn. Gen. Stat. §4d-33, which the Contractor or Contractor Parties possess or create pursuant to the Contract, subcontract or amendment: N/A.

If the Contractor employs former State employees, the Contractor shall facilitate the exercising of any reemployment rights that such State employees may have with the State, including, but not limited to, affording them all reasonable opportunities during the workday to interview for State jobs. The Contractor shall include language similar to this section in all of its contracts with its subcontractors and applicable Contractor Parties so that they are similarly obligated.

70. Campaign Contribution and Solicitation Ban. With regard to a State contract as defined in P.A. 07-1 having a value in a calendar year of $50,000 or more or a combination or series of such agreements or contracts having a value of $100,000 or more, the authorized signatory to this submission in response to the State’s solicitation expressly acknowledges receipt of the State Elections Enforcement Commission’s notice advising prospective state contractors of state campaign contribution and solicitation prohibitions, and will inform its principals of the contents of the notice. See attached SEEC Form 11.

71. Conn. Gen. Stat. Sec. 4-252(e). Conn. Gen. Stat. § 4-252 (the "Statute") requires that the Invitation to Bid, of which these Terms and Conditions are a part, include a notice
of the vendor certification requirements described in the Statute. Accordingly, pursuant to the Statute, vendors are notified as follows:

(a) The terms “gift,” “quasi-public agency,” “state agency,” “large state contract,” “principals and key personnel” and “participated substantially” as used in this section shall have the meanings set forth in the Statute.

(b) No state agency or quasi-public agency shall execute a large state contract unless the state agency or quasi-public agency obtains the written certifications described in this section. Each such certification shall be sworn as true to the best knowledge and belief of the person signing the certification, subject to the penalties of false statement.

(c) The official of the person, firm or corporation awarded the contract, who is authorized to execute the contract, shall certify on such forms as the State shall provide:

1. That no gifts were made between the date that the state agency or quasi-public agency began planning the project, services, procurement, lease or licensing arrangement covered by the contract and the date of execution of the contract, by (A) such person, firm, corporation, (B) any principals and key personnel of the person, firm or corporation, who participated substantially in preparing the bid or proposal or the negotiation of the contract, or (C) any agent of such person, firm, corporation or principals and key personnel, who participated substantially in preparing the bid or proposal or the negotiation of the contract, to (i) any public official or state employee of the state agency or quasi-public agency soliciting bids or proposals for the contract, who participated substantially in the preparation of the bid solicitation or request for proposals for the contract or the negotiation or award of the contract, or (ii) any public official or state employee of any other state agency, who has supervisory or appointing authority over such state agency or quasi-public agency;

2. That no such principals and key personnel of the person, firm or corporation, or agent of such person, firm or corporation or principals and key personnel, knows of any action by the person, firm or corporation to circumvent such prohibition on gifts by providing for any other principals and key personnel, official, employee or agent of the person, firm or corporation to provide a gift to any such public official or state employee; and

3. That the person, firm or corporation made the bid or proposal without fraud or collusion with any person.

(d) Any bidder or proposer that does not make the certifications required under subsection (c) of this section shall be disqualified and the state agency or quasi-public agency shall award the contract to the next highest ranked proposer or the next lowest responsible qualified bidder or seek new bids or proposals.

(e) The date that the state agency or quasi-public agency began planning the project, services procurement, lease or licensing arrangement to be covered by the contract is May 2007.

72. Nondiscrimination Certification Requirement

Public Act 07-142 and Public Act 07-245 have amended the nondiscrimination provisions of the Connecticut General Statutes to add civil unions to the existing protected classes and to require State contractors to adopt policies in support of the new statutes by means of a resolution. By law, a contractor must provide the State with documentation in the form of a company or corporate policy adopted by resolution of the board of directors, shareholders, managers, members or other governing body of such contractor to support the nondiscrimination agreement and warranty under C.G.S. §§ 4a-60a and 46a-68.

Accordingly, attached as Exhibits 1 & 2 are form certifications that the successful contractor must deliver executed at the time that it executes the Contract. The first of these forms is designed to be used by corporate or other business entities; the second is to be used only by individuals who are to sign and perform contracts with the State in their individual capacity. One or the other of these certifications is required for all State contracts, regardless of type, term, cost, or value. The execution and submittal of this certificate is a condition precedent to the State’s executing the Contract, unless the contractor is exempt from this statutory requirement, in which case the contractor must obtain a written waiver from the State’s Commission on Human
