Prices should be stated in the units of measure specified. If there is a discrepancy between the unit price and total or extended price, the unit price shall prevail.

**20. PROMPT PAYMENT DISCOUNT:**

Prompt payment discounts shall not be considered in the evaluation of offers. However, any prompt payment discount offered will form a part of the award and will be taken by the County if payment is made within the discount period specified by the Bidder.

Any prompt payment discount offered must be noted in Appendix A1, ITB Response Form.

**21. INTENT OF AWARD:**

If an award is made, the County reserves the right to make an award to one or more Bidders.

**22. LOCAL PREFERENCE:**

In accordance with applicable sections of Board Policy, Section 5.3.13, in the formal solicitation of goods or services, the County of Santa Clara shall give responsive and responsible Local Businesses the preference described below.

“Local Business” means a lawful business with a physical address and meaningful “production capability” located within the boundary of the County of Santa Clara.

The term “production capability” means sales, marketing, manufacturing, servicing, or research and development capability that substantially and directly enhances the firm’s or bidder’s ability to perform the proposed contract. Post Office box numbers and/or residential addresses may not be used as the sole bases for establishing status as a “Local Business.”

In the procurement of goods or services in which price is the determining factor for award of the contract, five percent (5%) shall be subtracted from a bid submitted by a responsive and responsible Local Business in determining the lowest responsive responsible bidder. If application of the 5% results in a Local Business bid being lower than the non-local business, the contract award shall be made to the Local Business at the Local Business’ original bid price. If after applying the 5% discount, two or more competing vendors have bid the same price, local businesses shall be given preference.

This Local Business preference shall not apply to the following:

1. Public Works contracts
2. Where such a preference is precluded by local, state or federal law or regulation,
3. Contracts funded in whole or in part by a donation or gift to the County where special conditions attached to the donation or gift prohibits or conflicts with this preference policy.
  
4. The donation or gift must be approved or accepted by the Board of Supervisors in accordance with County policy, or
5. Contracts exempt from solicitation requirements under an emergency condition in accordance with board policy, state law and/or the County of Santa Clara Ordinance Code

***In order to be considered for Local Preference, Bidder must complete and submit the Declaration of Local Business, which is attached as Appendix A3 with its ITB response.***

**23. TIE BIDS:**

A tie bid exists when two or more responsive and responsible Bidders submit bids with identical prices.

If Local Preference is applicable and a tie bid exists after applying the 5% Local Business preference, the contract shall be awarded to the Local Business. Otherwise, the contract shall be awarded, based upon the flip of a coin in the presence of at least one witness or all bids may be rejected and a new ITB issued.

For instance, County may obtain the services to be provided under this Agreement elsewhere and the Contractor shall be liable for the difference between the price quoted by Contractor and the cost to the County, as well as for any other costs incurred by the County; or County may terminate on grounds of material breach and Contractor shall be liable for County's damages.

The Contractor shall promptly reimburse the County for the full amount of its liability, or, at County's option, the County may offset such liability from any payment due to the Contractor under any contract with the County.

The rights and remedies of County provided herein shall not be exclusive and are in addition to any other rights and remedies provided by law. The acceptance by County of late or partial performance with or without objection or reservation shall not waive the right to claim damage for such breach nor constitute a waiver of the rights or requirements for the complete and timely performance of any obligation remaining to be performed by the Contractor, or of any other claim, right or remedy of the County.

## 8. HAZARDOUS SUBSTANCES

If any product being offered, delivered or supplied to the County in connection with this Agreement is listed in the Hazardous Substances List of the Regulations of the Director of Industrial Relations with the California Occupational Safety and Health Standards Board, or if the product presents a physical or health hazard as defined in the California Code of Regulations, General Industry Safety Order, Section 5194 (T8CCR), Hazard Communication, the Contractor must include a Material Safety Data Sheet (MSDS) with delivery, or shipment. Freight or handling charges are not billable unless such charges are referenced on the order. Transportation receipts, if allowed by order, must accompany invoice. Regardless of F.O.B. point, Contractor agrees to bear all risks of loss, injury, or destruction to goods and materials ordered herein which occur prior to delivery; and such loss, injury or destruction shall not release Contractor from any obligation hereunder.

Any shipments returned to the Contractor shall be delivered as F.O.B. shipping point.

## 10. INSPECTION AND RELATED RIGHTS

The provision of services is subject to inspection, testing, approval and acceptance by the County. If the services or the method of delivery fail in any respect to conform to the Agreement, the County may, at its option, reject the entire tender, accept the entire tender, or, if the deliverables are commercially divisible, may, at its option, accept any commercial unit or units and reject the rest.

In the event that the Contractor's services are not accepted by County, the Contractor shall be liable for any costs incurred by the County because of such failure by Contractor. For instance, County may purchase or obtain the services elsewhere and the Contractor shall be liable for the difference between the price in the Agreement and the cost to the County, as well as any other costs incurred by the County; or County may terminate on grounds of material breach and Contractor shall be liable for County's damages.

The Contractor shall promptly reimburse the County for the full amount of its liability, or, at County's option, the County may offset such liability from any payment due to the Contractor under any contract with the County.

The rights and remedies of County provided herein shall not be exclusive and are in addition to any other rights and remedies provided by law. The acceptance by County of late or partial performance with or without objection or reservation shall not waive the right to claim damage for such breach nor constitute a waiver of the rights or requirements for the complete and timely performance of any obligation remaining to be performed by the Contractor, or of any other claim, right or remedy of the County.

## 11. ADJUSTMENT BY COUNTY

The County reserves the right to waive a variation in specification of services required. Contractor may request an equitable adjustment of payments to be made by County if County requires a change in the services to be delivered. Any claim by the Contractor for resulting adjustment of payment must be asserted within 30 days from the date of receipt by the Contractor of the notification of change required by County; provided however, that the Procurement Director, if he/she decides that the facts justify such action, may receive and act upon any such claim asserted at any time prior to final payment made for services supplied by Contractor. Where the cost of property made obsolete or excess as a result of a change is included in the Contractor's claim for adjustment, the Purchasing Director shall have the right to prescribe the manner of disposition of such property. Nothing in this clause shall excuse the Contractor from proceeding with any terms with or without adjustment.

## 12. INVOICING

Contractor shall invoice according to the pricing and/or compensation exhibit of this Agreement. Invoices shall be sent to the County customer or department referenced in the individual contract release purchase order. Invoices for goods or services not specifically listed in the Agreement will not be approved for payment.

Invoices shall include: Contractor's complete name and remit to address; invoice date, invoice number, and payment term; County contract number; pricing per the Agreement; applicable taxes; and total cost.

Contractor and County shall make reasonable efforts to resolve all invoicing disputes within forty-eight (48) hours.

## 13. AVAILABILITY OF FUNDING

The County's obligation for payment of any contract beyond the current fiscal year end is contingent upon the availability of funding and upon appropriation for payment to the Contractor. No legal liability on the part of the County shall arise for payment beyond June 30 of the calendar year unless funds are made available for such performance.

## 14. PAYMENT

Payment shall be due Net 30 days from the date of acceptance of services ordered, or Net 30 days from the date of receipt and approval of correct and proper invoices for the same, whichever date is later. Payment is deemed to have been made on the date when the County mails the warrant or initiates the electronic fund transfer.

Any acceptance of partial delivery shall not waive any of County's rights on an ongoing basis.

Sales tax shall be noted separately on every invoice. Items that are not subject to sales tax shall be clearly identified.

The County does not pay Federal Excise Taxes (F.E.T). The County will furnish an exemption certificate in lieu of paying F.E.T. Federal registration for such transactions is: County #94-730482K. Contractor shall not charge County for delivery,

drayage, express, parcel post, packing, cartage, insurance, license fees, permits, cost of bonds, or for any other purpose, unless expressly authorized by the County.

Notwithstanding anything to the contrary, County shall not make payments prior to acceptance of service (i.e. the County will not make "advance payments").

#### **15. LATE PAYMENT CHARGES OR FEES**

The Contractor acknowledges and agrees that the County will not pay late payment charges.

#### **16. DISALLOWANCE**

In the event the Contractor receives payment, and this payment is later disallowed by the County or state or federal law or regulation, the Contractor shall promptly refund the disallowed amount to the County upon notification. At County's option, the County may offset the amount disallowed from any payment due to the Contractor under any contract with the County.

#### **17. TERMINATION FOR CONVENIENCE**

The County may terminate this Agreement or any contract release purchase order at any time for the convenience of the County by giving at least thirty (30) days written notice prior to the intended date of termination specifying the effective date and scope of such termination. If County determines that the Contractor's actions contribute to the curtailment of an essential service or pose an immediate threat to life, health or property, County may terminate this Agreement immediately without penalty upon issuing either oral or written notice to the Contractor and without any opportunity to cure.

In no event shall the County be liable for costs incurred by the Contractor as a result of the termination or any loss of profits on the resulting order or portion thereof so terminated.

In the event of termination, all finished or unfinished documents, data, studies, maps, photographs, reports, and other materials (collectively referred to as "materials") prepared by Contractor under this Agreement contract release purchase order shall become the property of the County and shall be promptly delivered to the County. Upon receipt of such materials, County shall pay the Contractor as full compensation for performance, the unit or pro rata price for the then-accepted portion of goods and/or services.

#### **18. TERMINATION FOR CAUSE**

County may terminate this Agreement, in whole or in part, for cause upon thirty (30) days written notice to Contractor. For purposes of this Agreement, cause includes, but is not limited to, any of the following: (a) material breach of this Agreement or contract release purchase order by Contractor, (b) violation by Contractor of any applicable laws or regulations, or (c) assignment or delegation by Contractor of the rights or duties under this Agreement or contract release purchase order without the written consent of County or (d) performance by Contractor that is not in strict conformance with terms, conditions, specifications, covenants, representations, warranties or requirements in this Agreement or any contract release purchase order.

In the event of such termination, the Contractor shall be liable for any costs incurred by the County because of Contractor's default. The Contractor shall promptly reimburse the County for the full amount of its liability, or, at County's option, the County may offset such liability from any payment due to the Contractor under any contract or contract release purchase order with the County.

If, after notice of termination under the provisions of this clause, it is determined for any reason that the Contractor was not in default under this provisions of this clause, the County has the option to make its notice of termination pursuant to the Termination for Convenience clause and the rights and obligations of the parties would be in accordance with that provision.

In lieu of terminating immediately upon contractor's default, County may, at its option, provide written notice specifying the cause for termination and allow Contractor 10 days (or other specified time period by the County) to cure. If, within 10 days (or other specified time) after the County has given the Contractor such notice, Contractor has not cured to the satisfaction of the County, or if the default cannot be reasonably cured within that time period, County may terminate this Agreement at any time thereafter. County shall determine whether Contractor's actions constitute complete or partial cure. In the event of partial cure, County may, at its option, decide whether to (a) give Contractor additional time to cure while retaining the right to immediately terminate at any point thereafter for cause; or (b) terminate immediately for cause.

In the event of any termination under this paragraph by County, in addition to any other rights and remedies that County may have, Contractor shall promptly refund to County any unused portion of any and all fees paid, including, without limitation maintenance and service fees, calculated pro rata on the basis of the number of days remaining in the then-current term.

## **19. TERMINATION FOR BANKRUPTCY**

If Contractor is adjudged to be bankrupt or should have a general assignment for the benefit of its creditors, or if a receiver should be appointed on account of Contractor's insolvency, the County may terminate this Agreement immediately without penalty. For the purpose of this Section, bankruptcy shall mean the filing of a voluntary or involuntary petition of bankruptcy or similar relief from creditors; insolvency; the appointment of a trustee or receiver, or any similar occurrence reasonably indicating an imminent inability to perform substantially all of the party's duties under this Agreement.

## **20. BUDGETARY CONTINGENCY**

Performance and/or payment by the County pursuant to this Agreement or any contract release purchase order is contingent upon the appropriation of sufficient funds by the County for services covered by this Agreement or any contract release purchase order. If funding is reduced or deleted by the County for services covered by this Agreement or any contract release purchase order, the County may, at its option and without penalty or liability, terminate this Agreement or offer an amendment to this Agreement indicating the reduced amount.

## **21. DISENTANGLEMENT**

Contractor shall cooperate with County and County's other contractors to ensure a smooth transition at the time of termination of this Agreement, regardless of the nature or timing of the termination. Contractor shall cooperate with County's efforts to ensure that there is no interruption of work required under the Agreement and no adverse impact on the provision of services or County's activities.

For any software programs developed for use under the County's Agreement, Contractor shall provide a nonexclusive, nontransferable, fully-paid, perpetual, irrevocable, royalty-free worldwide license to the County, at no charge to County, to use, copy, and modify, all work or derivatives that would be needed in order to allow County to continue to perform for itself, or obtain from other providers, the services as the same might exist at the time of termination.

Contractor shall return to County all County assets or information in Contractor's possession.

County shall be entitled to purchase at fair market value those Contractor assets used for the provision of services to or for County, other than those assets expressly identified by the parties as not being subject to this provision. Contractor shall promptly remove from County's premises, or the site of the work being performed by Contractor for County, any Contractor assets that County, or its designee, chooses not to purchase under this provision.

Contractor shall deliver to County or its designee, at County's request, all documentation and data related to County, including, but not limited to, the County Data and client files, held by Contractor within sixty (60) days of the request, and Contractor shall destroy all copies thereof not turned over to County, all at no charge to County.

## **22. DISPUTES**

Except as otherwise provided in this Agreement, any dispute arising under this contract that is not disposed of by agreement shall be decided by the Director of Procurement or designee, who shall furnish the decision to the Contractor in writing. The decision of the Director of Procurement or designee shall be final and conclusive. The Contractor shall proceed diligently with the performance of the contract pending the Director of Procurement's decision. The Director of Procurement or designee shall not be required to decide issues that are legal or beyond his or her scope of expertise.

## **23. ACCOUNTABILITY**

Contractors will be the primary point of contact for the manufacturer, deliverer or any subcontractors and assume the responsibility of all matters relating to the purchase, including those involving the manufacturer and deliverer or any subcontractor, as well as payment issues. If issues arise, the Contractor must take immediate action to correct or resolve the issues.

**24. NO ASSIGNMENT, DELEGATION OR SUBCONTRACTING WITHOUT PRIOR WRITTEN CONSENT**

Contractor may not assign any of its rights, delegate any of its duties or subcontract any portion of its work or business under this Agreement without the prior written consent of County. No assignment, delegation or subcontracting will release Contractor from any of its obligations or alter any of its obligations to be performed under the Agreement. Any attempted assignment, delegation or subcontracting in violation of this provision is voidable at the option of the County and constitutes material breach by Contractor.

As used in this provision, "assignment" and "delegation" means any sale, gift, pledge, hypothecation, encumbrance, or other transfer of all or any portion of the rights, obligations, or liabilities in or arising from this Agreement to any person or entity, whether by operation of law or otherwise, and regardless of the legal form of the transaction in which the attempted transfer occurs.

**25. MERGER AND ACQUISITION**

The terms of this Agreement will survive an acquisition, merger, divestiture or other transfer of rights involving Contractor. In the event of an acquisition, merger, divestiture or other transfer of rights Contractor must ensure that the enquiring entity or the new entity is legally required to:

- A. Honor all the terms negotiated in this Agreement and any pre-acquisition or pre-merger Agreement between Contractor and the County, including but not limited to a) established pricing and fees; b) guaranteed product support until the contract term even if a new product is released; and c) no price escalation during the term of the contract.
- B. If applicable, provide the functionality of the software in a future, separate or renamed product, if the acquiring entity or the new entity reduces or replaces the functionality, or otherwise provide a substantially similar functionality of the current licensed product. The County will not be required to pay any additional license or maintenance fee.
- C. Give 30-days written notice to the County following the closing of an acquisition, merger, divestiture or other transfer of right involving Contractor.

**26. COMPLIANCE WITH ALL LAWS & REGULATIONS**

Contractor shall comply with all laws, codes, regulations, rules and orders (collectively, "Regulations") applicable to the goods and/or services to be provided hereunder. Contractor's violation of this provision shall be deemed a material default by Contractor, giving County a right to terminate the contract. Examples of such Regulations include but are not limited to California Occupational Safety and Health Act of 1973, Labor Code §6300 et. seq. the Fair Packaging and Labeling Act, and the standards and regulations issued there under. Contractor agrees to indemnify and hold harmless the County for any loss, damage, fine, penalty, or any expense whatsoever as a result of Contractor's failure to comply with the act and any standards or regulations issued there under.

**27. FORCE MAJEURE**

Neither party shall be liable for failure of performance, nor incur any liability to the other party on account of any loss or damage resulting from any delay or failure to perform all or any part of this Agreement if such delay or failure is caused by events, occurrences, or causes beyond the reasonable control and without negligence of the parties. Such events, occurrences, or causes will include Acts of God/Nature (including fire, flood, earthquake, storm, hurricane or other natural disaster), war, invasion, act of foreign enemies, hostilities (whether war is declared or not), civil war, riots, rebellion, revolution, insurrection, military or usurped power or confiscation, terrorist activities, nationalization, government sanction, lockout, blockage, embargo, labor dispute, strike, interruption or failure of electricity or telecommunication service.

Each party, as applicable, shall give the other party notice of its inability to perform and particulars in reasonable detail of the cause of the inability. Each party must use best efforts to remedy the situation and remove, as soon as practicable, the cause of its inability to perform or comply.

The party asserting *Force Majeure* as a cause for non-performance shall have the burden of proving that reasonable steps were taken to minimize delay or damages caused by foreseeable events, that all non-excused obligations were substantially fulfilled, and that the other party was timely notified of the likelihood or actual occurrence which would justify such an assertion, so that other prudent precautions could be contemplated.

The County shall reserve the right to terminate this Agreement and/or any applicable Statement of Work upon non-performance by Contractor. The County shall reserve the right to extend the agreement and time for performance at its discretion.

**28. CONFLICT OF INTEREST**

Contractor warrants that it presently has no interest and shall not acquire any interest, direct or indirect, that would conflict in any manner or degree with the performance of services required under this Agreement.

**29. INDEPENDENT CONTRACTOR**

Contractor shall perform pursuant to this Agreement as an independent contractor and not as an officer, agent, servant, or employee of County. Contractor shall be solely responsible for the acts and omissions of its officers, agents, employees, contractors, and subcontractors, if any. Nothing herein shall be considered as creating a partnership or joint venture between the County and Contractor. No person performing any services and/or supplying all goods shall be considered an officer, agent, servant, or employee of County, nor shall any such person be entitled to any benefits available or granted to employees of the County.

Contractor is responsible for payment to sub-contractors and must monitor, evaluate, and account for the sub-contractor(s) services and operations.

**30. INSURANCE**

Contractor shall maintain insurance coverage pursuant to the requirements set forth in the insurance exhibit, if such exhibit is attached to the Agreement.

**31. DAMAGE AND REPAIR BY CONTRACTOR**

Any and all damages caused by Contractor's negligence or operations shall be repaired, replaced or reimbursed by Contractor at no charge to the County. Repairs and replacements shall be completed within 72 hours of the incident unless the County requests or agrees to an extension or another time frame. The clean up of all damage related to accidental or intentional release of any/all non-hazardous or hazardous material (e.g. hydraulic fluid, fuel, grease, etc.) from Contractor's vehicles or during performance shall be the responsibility of the Contractor. All materials must be cleaned up in a manner and time acceptable to County (completely and immediately to prevent potential as well as actual environmental damage). Contractor must immediately report each incident to the County's Director of Procurement or designee. Damage observed by Contractor, whether or not resulting from Contractor's operations or negligence shall be promptly reported by Contractor to County. County may, at its option, approve and/or dictate the actions that are in County's best interests.

**32. LIENS, CLAIMS, AND ENCUMBRANCES and TITLE**

The Contractor warrants and represents that any goods and materials supplied in connection with performance under the Agreement are free and clear of all liens, claims or encumbrances of any kind. Title to the material and supplies purchased shall pass directly from Contractor to County at the F.O.B. point shown, subject to the right of County to reject upon inspection.

**33. ASSIGNMENT OF CLAYTON ACT, CARTWRIGHT ACT CLAIMS**

Contractor hereby assigns to the County all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Sec. 15) or under the Cartwright Act (Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, materials, or services by the Contractor for sale to the County pursuant to this Agreement

**34. INDEMNITY**

County shall not be liable for, and Contractor shall defend, indemnify and hold harmless County and the employees and agents of County (collectively, "County Parties") against any and all claims, demands, liability, judgments, awards, fines, mechanics' liens or other liens, labor disputes, losses, damages, expenses, charges or costs of any kind or character, including without limitation attorneys' fees and court costs (hereinafter collectively referred to as "Claims"), related to and arising either directly or indirectly from any act, error, omission or negligence of Contractor

or its contractors, licensees, agents, servants or employees, excepting only Claims caused by the sole negligence or willfulness of County Parties. The Contractor shall reimburse the County for all costs, attorneys' fees, expenses and liabilities incurred with respect to any litigation in which the Contractor is obligated to indemnify, defend and hold harmless the County under its agreement with the County.

**35. INTELLECTUAL PROPERTY INDEMNITY**

Contractor represents and warrants for the benefit of the County and its users that, to its knowledge, it is the exclusive owner of all rights, title and interest in the services and/or goods to be supplied. Contractor shall, at its own expense, indemnify, defend, settle, and hold harmless the County and its agencies against any claim or potential claim that any good, (including software) and/or service, or County's use of any good (including software) and/or service, provided under this Agreement infringes any patent, trademark, copyright or other proprietary rights, including trade secret rights. Contractor shall pay all costs, damages and attorneys' fees that a court awards as a result of any such claim.

**36. WARRANTY**

Any services furnished under this Agreement shall be covered by the most favorable commercial warranties that Contractor gives to any of its customers for the same or substantially similar services. Any warranties so provided shall supplement, and shall not limit or reduce, any rights afforded to County by any clause in this Agreement, any applicable Uniform Commercial Code warranties, including, without limitation, Implied Warranty of Merchantability and Implied Warranty of Fitness for a Particular Purpose as well as any other express warranty.

Contractor warrants that all services shall strictly conform to the County's requirements and that workmanship and materials are free from defects. If any portion of the work has not been completely described in the Agreement (including Specifications/Scope of Work), it shall comply with nationally recognized codes and established industry standards. In addition to any other right that the County may have, if any work is found not to be in compliance with specifications or if the workmanship and/or materials are found to be defective within one-hundred and eighty (180) days after the conclusion of performance of the work, Contractor shall, at the County's option, refund to County the amount paid for the work or perform the work again to the County's satisfaction. This remedy is non-exclusive of other remedies and rights that may be exercised by the County. Claims for damages may include direct damages, such as cost to repair or replace, as well as incidental and consequential damages.

Contractor may not disclaim any warranty, express or implied, and any such disclaimer shall be void. Additionally, the warranties above shall not be deemed to exclude Contractor's standard warranties or other rights and warranties that the County may have or obtain.

Contractor represents that all prices, warranties, benefits and other terms being provided hereunder are fair and reasonable.

**37. COOPERATION WITH REVIEW**

Contractor shall cooperate with County's periodic review of Contractor's performance. Contractor shall make itself available onsite to review the progress of the project and Agreement, as requested by the County, upon reasonable advanced notice.

Contractor agrees to extend to the County or his/her designees and/or designated auditor of the County, the right to monitor or otherwise evaluate all work performed and all records, including service records and procedures to assure that the project is achieving its purpose, that all applicable County, State, and Federal regulations are met, and that adequate internal fiscal controls are maintained.

**38. AUDIT RIGHTS**

Pursuant to California Government Code Section 8546.7, the parties acknowledge and agree that every contract involving the expenditure of public funds in excess of \$10,000 shall be subject to audit by the State Auditor.

All payments made under this Agreement shall be subject to an audit at County's option, and shall be adjusted in accordance with said audit. Adjustments which are found necessary as a result of auditing may be made from current billings.

The Contractor shall be responsible for receiving, replying to, and complying with any audit exceptions set forth in County audits. The Contractor shall pay to County the full amount of any audit determined to be due as a result of County audit exceptions. This provision is in addition to other inspection and access rights specified in this Agreement.

**39. ACCESS AND RETENTION OF RECORDS AND PROVISION OF REPORTS**

Contractor shall maintain financial records adequate to show that County funds paid were used for purposes consistent with the terms of the contract between Contractor and County. Records shall be maintained during the

terms of the Agreement and for a period of four (4) years from its termination, or until all claims have been resolved, whichever period is longer, unless a longer period is required under any contract.

All books, records, reports, and accounts maintained pursuant to the Agreement, or related to the Contractor's activities under the Agreement, shall be open to inspection, examination, and audit by County, federal and state regulatory agencies, and to parties whose Agreements with the County require such access. County shall have the right to obtain copies of any and all of the books and records maintained pursuant to the Agreement, upon the payment of reasonable charges for the copying of such records.

Contractor shall provide annual reports that include, at a minimum, (i) the total contract release purchase order value for the County as a whole and individual County departments, and (ii) the number of orders placed, the breakdown (by customer ID/department and County) of the quantity and dollar amount of each product and/or service ordered per year. Annual reports must be made available no later than 30 days of the contract anniversary date unless otherwise requested.

Contractor shall also provide quarterly reports to the County that show a breakdown by contract release purchase order (i) the order date (ii) ship date (iii) estimated arrival date (iv) actual arrival date (v) list of products, services and maintenance items and (vi) the number and details of problem/service calls and department name that each such call pertains to (including unresolved problems). Quarterly reports must be made available to the County in electronic format, two (2) business days after the end of each quarter unless otherwise requested.

Access to Books and Records: If and to the extent that, Section 1861 (v) (1) (1) of the Social Security Act (42 U.S.C. Section 1395x (v) (1) (1) is applicable, Contractor shall maintain such records and provide such information to County, to any payor which contracts with County and to applicable state and federal regulatory agencies, and shall permit such entities and agencies, at all reasonable times upon request, to access books, records and other papers relating to the Agreement hereunder, as may be required by applicable federal, state and local laws, regulations and ordinances. Contractor agrees to retain such books, records and information for a period of at least four (4) years from and after the termination of this Agreement. Furthermore, if Contractor carries out any of its duties hereunder, with a value or cost of Ten Thousand Dollars (\$10,000) or more over a twelve (12) month period, through a subcontract with a related organization, such subcontract shall contain these same requirements. This provision shall survive the termination of this Agreement regardless of the cause giving rise to the termination.

#### **41. COUNTY NO-SMOKING POLICY**

Contractor and its employees, agents and subcontractors, shall comply with the County's No-Smoking Policy, as set forth in the Board of Supervisors Policy Manual section 3.47 (as amended from time to time), which prohibits smoking: (1) at the Santa Clara Valley Medical Center Campus and all County-owned and operated health facilities, (2) within 30 feet surrounding County-owned buildings and leased buildings where the County is the sole occupant, and (3) in all County vehicles.

#### **42. BEVERAGE NUTRITIONAL CRITERIA**

If Contractor provides beverages through or for County departments, County programs, County-sponsored meetings or events, or at County owned/operated facilities, Contractor shall not use County funds to purchase beverages that do not meet the County's nutritional beverage criteria, if applicable. The six categories of nutritional beverages that

meet these criteria are (1) water with no additives; (2) 100% fruit juices with no added sugars, artificial flavors or colors (limited to a maximum of 10 ounces per container); (3) dairy milk, non-fat, 1% and 2% only, no flavored milks; (4) plant derived (i.e., rice, almond, soy, etc.) milks (no flavored milks); (5) artificially-sweetened, calorie-reduced beverages that do not exceed 50 calories per 12-ounce container (teas, electrolyte replacements); and (6) other non-caloric beverages, such as coffee, tea, and diet sodas. These criteria may be waived in the event of an emergency or in light of medical necessity.

#### **43. NON-DISCRIMINATION**

Contractor shall comply with all applicable Federal, State, and local laws and regulations, including Santa Clara County's policies, concerning nondiscrimination and equal opportunity in contracting. Such laws include, but are not limited to, the following: Title VII of the Civil Rights Act of 1964 as amended; Americans with Disabilities Act of 1990; The Rehabilitation Act of 1973 (§§ 503 and 504); California Fair Employment and Housing Act (Government Code §§ 12900 et seq.); and California Labor Code §§ 1101 and 1102. Nor shall Contractor discriminate in provision of services provided under this contract because of age, race, color, national origin, ancestry, religion, sex/gender, sexual orientation, mental disability, physical disability, medical condition, political beliefs, organizational affiliations, or marital status.

Contractor's violation of this provision shall be deemed a material default by Contractor giving County a right to terminate the contract for cause.

#### **44. DEBARMENT**

Contractor guarantees that it, its employees, contractors, subcontractors or agents (collectively "Contractor") are not suspended, debarred, excluded, or ineligible for participation in Medicare, Medi-Cal or any other federal or state funded health care program, if applicable, or from receiving Federal funds as listed in the List of Parties Excluded from Federal Procurement or Non-procurement Programs issued by the Federal General Services Administration. Contractor must within 30 calendar days advise the County if, during the term of this Agreement, Contractor becomes suspended, debarred, excluded or ineligible for participation in Medicare, Medi-Cal or any other federal or state funded health care program, as defined by 42. U.S.C. 1320a-7b(f), or from receiving Federal funds as listed in the List of Parties Excluded from Federal Procurement or Non-procurement Programs issued by the Federal General Services Administration. - B. Provider shall maintain financial records adequate to show that County funds paid under any contract for services were used for purposes consistent with the terms of the contract. These records shall be maintained during the term of the contract and for a period of three (3) years from termination of the contract or until all claims, if any, have been resolved, whichever period is longer, or longer if otherwise required under other provisions of the contract.

The failure of Provider to comply with this Section or any portion thereof may be considered a material breach of this contract and may, at the option of the County, constitute grounds for the termination and/or non-renewal of the contract. The Provider shall be provided reasonable notice of any intended termination or non-renewal on the grounds of noncompliance with this Section, and the opportunity to respond and discuss the County's intended action.

#### **46. CALIFORNIA PUBLIC RECORDS ACT**

The County is a public agency subject to the disclosure requirements of the California Public Records Act ("CPRA"). If Contractor's proprietary information is contained in documents submitted to County, and Contractor claims that such information falls within one or more CPRA exemptions, Contractor must clearly mark such information "CONFIDENTIAL AND PROPRIETARY," and identify the specific lines containing the information. In the event of a request for such information, the County will make best efforts to provide notice to Contractor prior to such disclosure. If Contractor contends that any documents are exempt from the CPRA and wishes to prevent disclosure, it is required to obtain a protective order, injunctive relief or other appropriate remedy from a court of law in Santa Clara County before the County's deadline for responding to the CPRA request. If Contractor fails to obtain such remedy within County's deadline for responding to the CPRA request, County may disclose the requested information.

Contractor further agrees that it shall defend, indemnify and hold County harmless against any claim, action or litigation (including but not limited to all judgments, costs, fees, and attorneys fees) that may result from denial by County of a CPRA request for information arising from any representation, or any action (or inaction), by the Contractor.

#### **47. SEVERABILITY**

Should any part of the contract between County and the Contractor or any individual purchase order be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect the validity of the remainder of the contract or purchase order which shall continue in full force and effect, provided that such remainder can, absent the excised portion, be reasonably interpreted to give the effect to the intentions of the parties.

**48. NON-WAIVER**

No waiver of a breach, failure of any condition, or any right or remedy contained in or granted by the provisions of this Agreement will be effective unless it is in writing and signed by County. No waiver of any breach, failure, right, or remedy will be deemed a waiver of any other breach, failure, right, or remedy, whether or not similar, nor will any waiver constitute a continuing waiver unless the writing signed by the County so specifies.

**49. USE OF COUNTY'S NAME FOR COMMERCIAL PURPOSES**

Contractor may not use the name of the County or reference any endorsement from the County in any fashion for any purpose, without the prior express written consent of the County as provided by the Director of Procurement or designee.

It incorporates and supersedes all the agreements, covenants and understandings between the parties concerning the subject matter hereof, and all such agreements, covenants and understandings have been merged into this Agreement. No prior or contemporaneous agreement or understanding, verbal or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this Agreement.

**54. EXECUTION & COUNTERPARTS**

This Agreement may be executed in one or more counterparts, each of which will be considered an original, but all of which together will constitute one and the same instrument. The parties agree that this Agreement, its amendments, and ancillary agreements to be entered into in connection with this Agreement will be considered signed when the signature of a party is delivered by facsimile transmission. Such facsimile signature must be treated in all respects as having the same effect as an original signature. The original signature copy must be sent to the County by United States Postal Service mail, sent by courier or delivered by hand.

**55. NOTICES**

Notices shall be addressed to the individuals identified in the Key Provisions of the Agreement as the County Contract Administrator and the Supplier Contact. Each party may designate a different person and address by sending written notice to the other party, to be effective no sooner than ten (10) days after the date of the notice.

**56. ACCOUNT MANAGER**

Contractor must assign an Account Manager to the County upon execution of the Agreement to facilitate the contractual relationship, be fully responsible and accountable for fulfilling the County's requirements. Proper venue for legal actions will be exclusively vested in a state court in the County of Santa Clara. The parties agree that subject matter and personal jurisdiction are proper in state court in the County of Santa Clara, and waive all venue objections.

**59. ELECTRONIC COPY OF SIGNED AGREEMENT**

All parties agree that an electronic copy of a signed contract shall have the same force and effect as an original signed contract provided that the Contractor agrees to deliver to the County the original signed contract within 7 business days of sending an electronic copy. The term "electronic copy" for purposes of this provision refers to a transmission by facsimile or electronic mail in a portable document format.

**60. AUTHORITY**

Each party executing the Agreement on behalf of such entity represents that he or she is duly authorized to execute and deliver this Agreement on the entity's behalf, including the entity's Board of Directors or Executive Director. This Agreement shall not be effective or binding unless approved in writing by the County Director of Procurement, or authorized designee, as evidenced by their signature as set forth in this Agreement.

**61. CONFIDENTIALITY:**

61.1 "County Data" shall mean data and information received by Contractor from County. As between Contractor and County, all County Data shall remain the property of the County. Contractor shall not acquire any ownership interest in the County Data.

61.3 Contractor shall take appropriate action to address any incident of unauthorized access to County Data, including addressing and/or remedying the issue that resulted in such unauthorized access, notifying County as soon as possible of any incident of unauthorized access to County Data, or any other breach in Contractor's security that materially affects County or end users; and be responsible for ensuring compliance by its officers, employees, agents, and subcontractors with the confidentiality provisions hereof.

61.4 Should confidential and/or legally protected County Data be divulged to unauthorized third parties, Contractor shall comply with all applicable federal and state laws and regulations, including but not limited to California Civil Code Sections 1798.29 and 1798.82 at Contractor's sole expense (if applicable). Contractor shall not charge the County for any expenses associated with Contractor's compliance with the obligations set forth in this section.

## APPENDIX B2

### BOARD OF SUPERVISORS POLICY ON CONTRACTING PRINCIPLES

#### 5.2.14 Contracting Principles (Adopted 10-28-97; Amended 10-21-08)

As a condition of the renewal of any contract or the letting of any new contract, any agency or company contracting to deliver services for the County shall comply with the following contracting principles:

- A. All Type I and Type II contracts, as hereinafter defined, shall include a contract provision specifying that the contractor shall comply with all applicable federal, state and local rules, regulations and laws.
- B. In order to assure fiscal responsibility, strength and compliance with these principles, all Type I and Type II contracts shall include a contract provision specifying that the contractor shall maintain financial records that would be adequate to show that County funds were used for purposes consistent with the terms of the service contract.
- C. All Type II contractors shall provide specific information in addition to that which is required of a responsible bidder. The information will be delineated in the contractor selection process document but shall, at a minimum, include the following information pertaining to the actual provision of services and/or expenditures charged to the contract.
  1. Information regarding the wage level, pay range and benefits for positions and job classifications.
    - a. The wage and benefit information for executive, managerial and supervisory positions may be presented as one aggregate figure. For example: "Executive, Managerial and Supervisory wage and benefits costs for this contract are (or in the case of a new program the projected level) \$X for each year of the contract." However, in no instance would an individual be identified by employee name.
    - b. The wage level, pay range and benefit costs for all other positions and job classifications that will be providing actual services and/or expenditures charged to the contract should specify actual distribution (or in the case of a new program the projected level) of wage rates within each pay range by the specific salary level. However, in no instance would an individual salary be identified by employee name. In the case of single position job classes the information may be aggregated with similar job classes.

For example: "In Job Classification A there are five positions with a pay range of \$X to \$Y. With two employees paid at \$X, two employees paid at \$Y and one paid at \$Z midpoint between \$X and \$Y."
    - c. If medical insurance is provided, a summary of coverage for each plan must be submitted (or in the case of a new program, the projected level). In addition, the County may also request the entire plan document.

The summary must include the total premium cost, the amount of the premium paid by the employer and employee, and any co-payments or other employee costs.

If medical insurance is not provided, the County Agency/Department presenting the contract for approval shall calculate and disclose the costs of providing medical insurance to the employees of the contractor. Costs shall be determined by the County Executive based on a standard cost provided by the Santa Clara Valley Health and Hospital System.

2. Length of Service:
    - a. The length of continuous employment with the contractor by job classification (information shall not include employee names).
    - b. In addition, the contractor may submit information detailing the relevant prior experience of employees within each job classification (information shall not include employee names).
  3. The annual rate of staff turnover.
  4. The number of hours of training for each position in subject matters directly related to providing services to County residents/clients.
  5. The number of legal complaints issued by an enforcement agency for alleged violations of applicable federal, state or local rules, regulations or laws and the number of citations, court findings or administrative findings for violations of applicable federal, state or local rules, regulations or laws. The information must include the date, enforcement agency, the rule, law or regulation involved and any additional information the contractor may wish to submit.
  6. Copies of any collective bargaining agreements or summary of personnel policies covering the employees providing services to the County.
- D. All Type II contracts shall include a contract provision specifying that in order to determine compliance to these principles as well as the contract, the contractor shall be required to provide the County or its agents, except where prohibited by federal or state laws, regulations or rules, reasonable access, through representatives of the contractor, to facilities, records and employees that are used in conjunction with the provision of contract services.
- E. During the term of any contract all Type II contractors shall provide to the County copies of any financial audits that have been completed. The contractor shall use County funds for County services and shall not use County funds for general employer costs that do not support or otherwise directly relate to the scope of contracted services. Consistent with the financial provisions of the contracts, this shall not preclude the realization of profits or savings.
- F. During the term of any contract, all Type II contractors shall advise the County Department/Agency responsible for monitoring the contract of the issuance of any legal complaint by an enforcement agency, or of any enforcement proceedings by any Federal, State or Local agency for alleged violations of federal, state or local rules, regulations or laws. In addition, the specific contract may include additional provisions regarding notice to the County of specific client/patient service issue complaints.

- G. During the term of any contract, all Type II contractors shall advise the County of the issuance of citations, court findings or administrative findings for violations of applicable federal, state or local rules, regulations or laws.
- H. Violations of this policy may be considered material breaches of any Type I or Type II contract, and may, at the option of the County, constitute grounds for the termination or non-renewal of any such contract, according to its terms. The contractor shall be provided reasonable notice of any intended termination or nonrenewal and the opportunity to respond and discuss the County's intended action.

## **DEFINITIONS**

- A. For purposes of this resolution, renewal of any contract shall not include modifications or amendments that do not extend the original length of the contract.
- B. For purposes of this resolution, services shall not include the rental, purchase, sale, lease, lease back or lease purchase of goods. Nor shall the rental, purchase, sale, lease, lease back or lease purchase of any facility or property be included.
