SPECIFICATIONS FOR POLICE EQUIPMENT AND SUPPLIES

Los Angeles World Airports (LAWA) Airport Police Division is seeking a 3 year contract with a stocking distributor for police equipment, supplies, and training related to the proper use of the equipment. Bidder must complete the attached Bid Verification worksheet which identifies each item by description, manufacturer, and part/catalogue number. Do not substitute items on this list. Please state only the unit price as requested.

I. Bid Requirements

1. Bids submitted without a fully completed Price Evaluation Worksheet will be deemed non-responsive.
2. Bidder must factor into the unit price all supplemental costs, such as, training, storage, delivery.
3. No substitute items will be accepted for the items on the Bid Evaluation Worksheet. This restriction is necessary to facilitate a timely bid analysis. Due to the large number of bid items, Airport Police will not have the resources to separately analyze samples of an unlimited number of "equal" items. The focus will be on determining the lowest bidder conforming to the described product items.

If a better product comes on the market during the course of the contract, LAWA may consider some substitutions.

II. Contractor Requirements

1. The Contractor must provide the following:
 - An account representative assigned specifically to LAW A's Airport Police Division
Name of Account Representative _____
 - Initial end user training as it pertains to product/equipment use
2. The contractor must have a formal Letter of Certification on file from all manufacturers on the product list stating:
 - the contractor is an authorized manufacturer/distributor of all required products
 - the contractor will ensure the manufacturer honors any warranty claims by LAWA for uniforms, accessories, or their components, provided by the contractor.
 - the contractor will ensure the manufacturer takes responsibility for any default which is not correctible by the contractor in a timely and efficient manner. This includes replacing incorrect or defective parts, trouble shooting, and correcting problems traceable to the manufacturer.
3. Because police equipment, supplies are frequently needed immediately, the successful bidder must operate and maintain at least two retail/distribution locations during the term of the contract as follows:

- one within ten miles or 30 minutes of Los Angeles International Airport (LAX)

Facility Address _____

- one within 25 miles or one hour of Ontario International Airport (ONT)

Facility Address _____

4. LAWA reserves the right to perform pre-award site visits to assess contractor capabilities and stock adequacy to meet LAWA's needs.
5. Delivery turnaround time for all products is 48 hours unless the contractor requests an extension and obtains an approval for a new delivery date from Airport Police. If Airport Police does not agree to the new delivery date requested, LAWA reserves the right to purchase the items in question by any other means and from any other vendor.

Officers may also pick up items at the contractor's location(s) and in these instances officers must provide a purchase order to the contractor at the time of pick-up.

6. LAWA may require products not listed on the bid worksheet. Bidder agrees to grant LAWA the right to purchase such items listed in its company catalogues, as well as any discontinued items if they are obtainable. In these instances, the contractor must submit a written fixed price quotation to the Airport Police contract manager. This quotation must reflect the price discount, if offered, from the catalogue price list. This requirement is in addition to the clause entitled *Adding Item, Product, Brand, Commodity, Service, or Combination of the Same to the Contract* on page 2 of the bid.

If offered, please state your discount from Catalog Price List(s) _____%

BIDS

(Pages LBPP-1 through LBPP-5)

**LOS ANGELES WORLD AIRPORTS (LAWA)
REQUEST FOR BIDS- LOCAL BUSINESS PREFERENCE PROGRAM (LBPP)
Board of Airport Commissioners Resolution No. 24781**

Effective July 1, 2012

Local Business Prime	8%
----------------------	----

Or

Local Business Subcontractor (s)	Up to 5%
----------------------------------	----------

MANDATORY LOCAL BUSINESS PREFERENCE PROGRAM (LBPP) FOR USE ON LAWA-FUNDED CONTRACTS GREATER THAN \$150,000.00

A. General

This program is subject to the policies and requirements established by the Board of Airport Commissioners (BOAC). LAWA established the LBPP as part of its commitment to help local businesses participation in LAWA contracts. The LBPP seeks to leverage funds expended under contracts to stimulate local business activities, encourage businesses to set up operations locally, and to augment local job creation efforts. It will also lay a foundation for a sustainable local economic development by promoting the creation, expansion, and retention of local businesses. **LAWA shall opt out when the contract is funded by a grant or is federally-funded and funding regulations prohibit the funding recipient from implementing the LBPP on the resulting contract. Secondly, LAWA can opt out of the program when full and open competition is limited because of a sole source vendor, provider, or supplier. Failure to comply shall result in investigations by the Bureau of Contract Administration/ Office of Contract Compliance (BCA/OCC) in its role as the Designated Administrative Agency. However, LAWA is entitled to determine at anytime that it is not in LAWA's best interest to grant a Bid preference to a qualifying Local Business, Local Subcontractor, or Provisionally Qualified Local Business.**

B. Participation Criteria for Local Business Preference Program

To be eligible for participation in this program, LAWA requires that the prospective local business submit an affidavit attesting as such on the Los Angeles Business Assistance Virtual Network (LABAVN) website. An affidavit form is attached and is also available to be downloaded on the LABAVN website at <http://www.labavn.org>. Determination of qualification as a local business by any other entities, other than BCA/OCC, or by any other means other than submission of an affidavit on LABAVN shall not be accepted for purposes of participation in the LBPP. Affidavit forms are prioritized according to the date they are received. The local business must be listed on LABAVN as such prior to the bid due date in order to participate in the LBPP. In cases where the affidavit was submitted prior to the proposal deadline but has not been verified by BCA/OCC and the local business designation would result in a change of award recommendation, status as a local business will be based on the date it was submitted.

C. Definitions

1. "Contract" means a written agreement involving consideration in excess of \$150,000.00 for the purchase of goods, equipment or services, including construction, by or for the benefit of LAWA.
2. "Contractor" means the person, business or entity awarded the Contract by LAWA.
3. "Bid Price" means the dollar amount after the bidder's quoted price is adjusted for evaluation in accordance with applicable provisions. For procurement contracts, this may include, but not be limited to Cash Discount, or Combined Award Discount.
4. "Cash Discount" means a reduction in the full cost of a good or service when payment is made within a specified period of time: e.g. 2% 10 net 30.
5. "Combined Award Discounts" (CAD) means the discount terms offered by a supplier and are usually expressed in percentages taken directly from the pricing totals of the bidders

offering such a discount. CADs are applicable if the specification or bidding document includes the CAD provision clause, it is applicable to more than one item or more than one group of items, and if the items included for CAD purposes are not cherry picked from a predefined group of items as set forth by the specifications or bid document.

6. "Local Business" means a business entity that is in compliance with all applicable City or county licensing and tax laws, and can demonstrate one of the following: (1) it is headquartered in the County and physically conducts and manages all of its operations from a location in the County; (2) that at least 50 of its full-time employees perform work within the boundaries of the County at least 60 percent of their total regular hours worked on an annual basis; or (3) that at least half of the full-time employees (50%) of the business work within the boundaries of the County at a minimum of 60 percent of their total, regular hours worked on an annual basis.
 - (a) A business entity with multiple locations within the County can aggregate 50 of its full-time employees working at least 60% of their regular hours from its different locations within the County to qualify as a Local Business.
 - (b) A business entity awarded a LAWA contract under the LBPP must carry out the services of the contract using employees whose exclusive, primary working location is in Los Angeles County.
7. "Local Subcontractor" means a contractor that meets the same qualification as a local business.
8. "Provisionally Qualified Local Business" means a business entity that is yet to establish operations within the County, and does not immediately qualify as a local business under the Los Angeles Administrative Code. However, the business is provisionally qualified as a local business because it is undertaking imminent steps to qualify as a local business as defined by Article 21, Section 10.47.3. No later than 60 days after the date on which the Contract with LAWA is awarded, but prior to execution of the contract, the Provisionally Qualified Local Business must become a qualified Local Business.

D. Local Business Preference Program Participation Recognition

1. Qualifying contractors who participate in the LBPP by qualifying as a local business will receive an 8% preference credit to their bid in excess of \$150,000.00 or bids in excess of \$1,000,000.00 if a Provisionally Qualified Local Business.
2. Qualifying contractors who participate in the LBPP but do not qualify as a local business, but however are qualified because they identify a qualified local subcontractor to perform the work under the contract will receive up to a 5% preference credit to their bids.
 - (a) LAWA shall provide a 1% preference, up to a maximum of 5%, to the proposal price for every 10% of the cost of the proposed work to be performed by the local subcontractor. This rule applies to a local subcontractor or local subcontractors; provided that the work performed is of a commercially useful purpose in execution of the contract and/or performed in the subcontractor's normal course of business. The work performed and all costs of each local subcontractor or subcontractors should be clearly specified in the proposal.
3. Preferences shall only be awarded to a Local Business or Local Subcontractor when the services provided under the contract are directly provided by its employees whose

primary work location is in Los Angeles. Preferences shall only be awarded for equipment, goods or materials when the Local Business or Local Subcontractor acts as a supplier or dealer (not less than two thirds of the time), or designs, manufactures, or assembles the equipment, goods or materials (not less than two thirds of the time), at a business location in the City.

4. A Provisionally Qualified Local Business who participates in the LBPP by qualifying as a local business will receive an 8% preference credit to its bids, as long as the proposed contract between the business and LAWA involves consideration no less than \$1,000,000.00 and has duration of no less than three (3) years.

(a) To participate in the program a proposed Provisionally Qualified Local Business must download and complete a Provisionally Qualified Local Business affidavit form at http://bca.lacity.org/site/pdf/general/PQLBP_Affidavit.pdf which it shall attach and submit with its bid documents to LAWA.

5. A Provisionally Qualified Local Business shall lose its status as such when it fails to fully comply as a local business within 60 days after the date on which the Contract with LAWA is awarded. LAWA shall notify the Provisionally Qualified Local Business thirty (30) days to the anniversary of the second month notifying the business that it comply as a local business or contract award will be rescinded. Loss of status as a Provisionally Qualified Local Business is permanent; closure forbids a business from qualifying as a Provisionally Qualified Local Business in the future for purposes of bidding on LAWA Contracts.
6. Once a Provisionally Qualified Local Business is notified by LAWA of its intent to award a contract, the Provisionally Qualified Local Business shall submit all of the following; (1) an enforceable, contractual right to occupy commercial space within the County, which shall commence no later than 60 days after the date of the execution of the contract; (2) a business plan on its ability to become a Local business; (3) any other sufficient documentation required by LAWA.

All required supporting documentation/ evidence demonstrating qualification as a Provisionally Qualified Local Business must be submitted to LAWA within 30 days of request.

(a) If LAWA is satisfied with documentation submitted by the Provisionally Qualified Local Business, and it determines that it shall award the business the contract, LAWA prior to the execution of the contract shall send BCA a memo stating that the business was able to demonstrate that it qualifies as a Provisionally Qualified Local Business, the memo shall also list the documents received by LAWA, and recommend that BCA determine the business to be a Provisionally Qualified Local Business.

7. The maximum preference for all qualifying local businesses, local subcontractor(s), and provisionally qualified local businesses shall not exceed \$1,000,000.00 for any bid.
8. A bid preference does not reduce the contract amount.
9. In the event where a certified Local business bids on a LAWA contract, and is determined by LAWA after the bid deadline to not qualify as a Local Business, the business will be eligible for a Local Subcontractor Preference of up to 5 percent, if it has

identified a qualifying Local Subcontractor(s) to perform work under the contract.

- a. The above exemption shall only apply where the non-compliance is an error or mistake. It shall not apply to a business that intentionally or fraudulently claims to be a Local Business through misleading or false statements.
 - b. It is the responsibility of the business registered on LABAVN as a certified Local Business to inform BCA via email at bca.certifications@lacity.org , that it no longer meets the certification criteria within seven days of the change. Failure to do so shall be construed as a misleading and/or false statement.
10. Upon receipt of information believed by LAWA to be reliable and which indicates that the Local Business no longer qualifies as a Local Business for more than 60 days during the entire time of the Contract, LAWA shall withhold or recover funds from the Contractor in an amount that represents the value of the bid preference.
 11. Upon receipt of information believed by LAWA to be reliable and which indicates that the Local Subcontractor (s) no longer qualifies as a Local Business, providing the basis for a Local Subcontractor Preference and the Prime Contractor fails to replace the Subcontractor (s) with another Local Subcontractor (s) within 60 days of notification by LAWA. LAWA shall withhold or recover funds from the Contractor in an amount that represents the value of the bid preference.
 12. In the event that investigations reveal that a business fraudulently represents itself as a Local Business for the purpose of gaining a preference under the LBPP, the business shall lose its status as such for up to five years. This will also apply to any business that has received a preference, but failed to maintain its Local Business qualification for a cumulative of 60 days during the entire time of the contract.

E. Complaints and Protests

1. All complaints and/or protests regarding qualifying local businesses, provisionally qualified local businesses, and local subcontractors claiming non-compliance by LAWA or its failure to maintain certification criteria, shall be made to the BCA/OCC either in writing or by email for further investigations. Complaints must be accompanied by documentation which substantiates complainant's allegations.
2. Any complaints that meet the criteria of No. 1 shall be investigated by BCA, OCC in its role as the Designated Administrative Agency.

pertaining to employment and to employment practices by the awarding authority or the Office of Contract Compliance for the purpose of investigation to ascertain compliance with the Equal Employment Practices provisions of City contracts. On their or either of their request the contractor shall provide evidence that he or she has or will comply therewith.

E. The failure of any contractor to comply with the Equal Employment Practices provisions of this contract may be deemed to be a material breach of City contracts. Such failure shall only be established upon a finding to that effect by the awarding authority, on the basis of its own investigation or that of the Board of Public Works, Office of Contract Compliance. No such finding shall be made or penalties assessed except upon a full and fair hearing after notice and an opportunity to be heard has been given to the contractor.

F. Upon a finding duly made that the contractor has failed to comply with the Equal Employment Practices provisions of a City contract, the contract may be forthwith canceled, terminated or suspended, in whole or in part, by the awarding authority, and all monies due or to become due hereunder may be forwarded to and retained by the City of Los Angeles. In addition thereto, such failure to comply may be the basis for a determination by the awarding authority or the Board of Public Works that the said contractor is an irresponsible bidder or proposer pursuant to the provisions of Section 371 of the Charter of the City of Los Angeles. In the event of such a determination, such contractor shall be disqualified from being awarded a contract with the City of Los Angeles for a period of two years, or until the contractor shall establish and carry out a program in conformance with the provisions hereof.

G. Notwithstanding any other provision of this contract, the City of Los Angeles shall have any and all other remedies at law or in equity for any breach hereof.

H. The Board of Public Works shall promulgate rules and regulations through the Office of Contract Compliance, and provide necessary forms and required language to the awarding authorities to be included in City Request for Bids or Request for Proposal packages or in supplier registration requirements for the implementation of the Equal Employment Practices provisions of this contract, and such rules and regulations and forms shall, so far as practicable, be similar to those adopted in applicable Federal Executive orders. No other rules, regulations or forms may be used by an awarding authority of the City to accomplish the contract compliance program.

I. Nothing contained in this contract shall be construed in any manner so as to require or permit any act which is prohibited by law.

J. At the time a supplier registers to do business with the City, or when an individual bid or proposal is submitted, the contractor shall agree to adhere to the Equal Employment Practices specified herein during the performance or conduct of City Contracts.

K. Equal Employment Practices shall, without limitation as to the subject or nature of employment activity, be concerned with such employment practices as:

1. Hiring practices;

2. Apprenticeships where such approved programs are functioning, and other on-the-job training for non-apprenticeable occupations;

3. Training and promotional opportunities; and

4. Reasonable accommodations for persons with disabilities.

L. All contractors subject to the provisions of this section shall include a like provision in all subcontracts awarded for work to be performed under the contract with the City and shall impose the same obligations, including but not limited to filing and reporting obligations, on the subcontractors as are applicable to the contractor. Failure of the contractor to comply with this requirement or to obtain the compliance of its subcontractors with all such obligations shall subject the contractor to the imposition of any and all sanctions allowed by law, including but not limited to termination of the contractor's contract with the City.

Sec. 10.8.4. Affirmative Action Program Provisions.

Every non-construction contract with or on behalf of the City of Los Angeles for which the consideration is \$100,000 or more and every construction contract with or on behalf of the City of Los Angeles for which the consideration is \$5,000 or more shall contain the following provisions which shall be designated as the **AFFIRMATIVE ACTION PROGRAM** provisions of such contract:

A. During the performance of a City contract, the contractor certifies and represents that the contractor and each subcontractor hereunder will adhere to an affirmative action program to ensure that in its employment practices, persons are employed and employees are treated equally and without regard to or because of race, religion, ancestry, national origin, sex, sexual orientation, age, disability, marital status or medical condition.

1. This provision applies to work or services performed or materials manufactured or assembled in the United States.

2. Nothing in this section shall require or prohibit the establishment of new classifications of employees in any given craft, work or service category.

3. The contractor shall post a copy of Paragraph A hereof in conspicuous places at its place of business available to employees and applicants for employment.

B. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to their race, religion, ancestry, national origin, sex, sexual orientation, age, disability, marital status or medical condition.

C. As part of the City's supplier registration process, and/or at the request of the awarding authority or the Office of Contract Compliance, the contractor shall certify on an electronic or hard copy form to be supplied, that the contractor has not discriminated in the performance of City contracts against any employee or applicant for employment on the basis or because of race, religion, ancestry, national origin, sex, sexual orientation, age, disability, marital status or medical condition.

D. The contractor shall permit access to and may be required to provide certified copies of all of its records pertaining to employment and to its employment practices by

the awarding authority or the Office of Contract Compliance, for the purpose of investigation to ascertain compliance with the Affirmative Action Program provisions of City contracts, and on their or either of their request to provide evidence that it has or will comply therewith.

E. The failure of any contractor to comply with the Affirmative Action Program provisions of City contracts may be deemed to be a material breach of contract. Such failure shall only be established upon a finding to that effect by the awarding authority, on the basis of its own investigation or that of the Board of Public Works, Office of Contract Compliance. No such finding shall be made except upon a full and fair hearing after notice and an opportunity to be heard has been given to the contractor.

F. Upon a finding duly made that the contractor has breached the Affirmative Action Program provisions of a City contract, the contract may be forthwith cancelled, terminated or suspended, in whole or in part, by the awarding authority, and all monies due or to become due hereunder may be forwarded to and retained by the City of Los Angeles. In addition thereto, such breach may be the basis for a determination by the awarding authority or the Board of Public Works that the said contractor is an irresponsible bidder or proposer pursuant to the provisions of Section 371 of the Los Angeles City Charter. In the event of such determination, such contractor shall be disqualified from being awarded a contract with the City of Los Angeles for a period of two years, or until he or she shall establish and carry out a program in conformance with the provisions hereof.

G. In the event of a finding by the Fair Employment and Housing Commission of the State of California, or the Board of Public Works of the City of Los Angeles, or any court of competent jurisdiction, that the contractor has been guilty of a willful violation of the California Fair Employment and Housing Act, or the Affirmative Action Program provisions of a City contract, there may be deducted from the amount payable to the contractor by the City of Los Angeles under the contract, a penalty of TEN DOLLARS (\$10.00) for each person for each calendar day on which such person was discriminated against in violation of the provisions of a City contract.

H. Notwithstanding any other provisions of a City contract, the City of Los Angeles shall have any and all other remedies at law or in equity for any breach hereof.

I. The Public Works Board of Commissioners shall promulgate rules and regulations through the Office of Contract Compliance and provide to the awarding authorities electronic and hard copy forms for the implementation of the Affirmative Action Program provisions of City contracts, and rules and regulations and forms shall, so far as practicable, be similar to those adopted in applicable Federal Executive Orders. No other rules, regulations or forms may be used by an awarding authority of the City to accomplish this contract compliance program.

J. Nothing contained in City contracts shall be construed in any manner so as to require or permit any act which is prohibited by law.

K. The contractor shall submit an Affirmative Action Plan which shall meet the requirements of this chapter at the time it submits its bid or proposal or at the time it registers to do business with the City. The plan shall be subject to approval by the Office of Contract Compliance prior to award of the contract. The awarding authority may also require contractors and suppliers to take part in a pre-registration, pre-bid, pre-proposal, or pre-award conference in order to develop, improve

or implement a qualifying Affirmative Action Plan. Affirmative Action Programs developed pursuant to this section shall be effective for a period of twelve months from the date of approval by the Office of Contract Compliance. In case of prior submission of a plan, the contractor may submit documentation that it has an Affirmative Action Plan approved by the Office of Contract Compliance within the previous twelve months. If the approval is 30 days or less from expiration, the contractor must submit a new Plan to the Office of Contract Compliance and that Plan must be approved before the contract is awarded.

(1) Every contract of \$5,000 or more which may provide construction, demolition, renovation, conservation or major maintenance of any kind shall in addition comply with the requirements of Section 10.13 of the Los Angeles Administrative Code.

(2) A contractor may establish and adopt as its own Affirmative Action Plan, by affixing his or her signature thereto, an Affirmative Action Plan prepared and furnished by the Office of Contract Compliance, or it may prepare and submit its own Plan for approval.

L. The Office of Contract Compliance shall annually supply the awarding authorities of the City with a list of contractors and suppliers who have developed Affirmative Action Programs. For each contractor and supplier the Office of Contract Compliance shall state the date the approval expires. The Office of Contract Compliance shall not withdraw its approval for any Affirmative Action Plan or change the Affirmative Action Plan after the date of contract award for the entire contract term without the mutual agreement of the awarding authority and the contractor.

M. The Affirmative Action Plan required to be submitted hereunder and the pre-registration, pre-bid, pre-proposal or pre-award conference which may be required by the Board of Public Works, Office of Contract Compliance or the awarding authority shall, without limitation as to the subject or nature of employment activity, be concerned with such employment practices as:

1. Apprenticeship where approved programs are functioning and other on-the-job training for non-apprenticeable occupations;
2. Classroom preparation for the job when not apprenticeable;
3. Pre-apprenticeship education and preparation;
4. Upgrading training and opportunities;
5. Encouraging the use of contractors, subcontractors and suppliers of all racial and ethnic groups, provided, however, that any contract subject to this ordinance shall require the contractor, subcontractor or supplier to provide not less than the prevailing wage, working conditions and practices generally observed in private industries in the contractor's, subcontractor's or supplier's geographical area for such work;
6. The entry of qualified women, minority and all other journeymen into the industry; and
7. The provision of needed supplies or job conditions to permit persons with disabilities to be employed, and minimize the impact of any disability.

N. Any adjustments which may be made in the contractor's or supplier's work force to achieve the requirements of the City's Affirmative Action Contract

Compliance Program in purchasing and construction shall be accomplished by either an increase in the size of the work force or replacement of those employees who leave the work force by reason of resignation, retirement or death and not by termination, layoff, demotion or change in grade.

O. Affirmative Action Agreements resulting from the proposed Affirmative Action Plan or the pre-registration, pre-bid, pre-proposal or pre-award conferences shall not be confidential and may be publicized by the contractor at his or her discretion. Approved Affirmative Action Agreements become the property of the City and may be used at the discretion of the City in its Contract Compliance Affirmative Action Program.

P. This ordinance shall not confer upon the City of Los Angeles or any Agency, Board or Commission thereof any power not otherwise provided by law to determine the legality of any existing collective bargaining agreement and shall have application only to discriminatory employment practices by contractors or suppliers engaged in the performance of City contracts.

Q. All contractors subject to the provisions of this section shall include a like provision in all subcontracts awarded for work to be performed under the contract with the City and shall impose the same obligations, including but not limited to filing and reporting obligations, on the subcontractors as are applicable to the contractor. Failure of the contractor to comply with this requirement or to obtain the compliance of its subcontractors with all such obligations shall subject the contractor to the imposition of any and all sanctions allowed by law, including but not limited to termination of the contractor's contract with the City.

Contractor Responsibility Program

**LOS ANGELES WORLD AIRPORTS
CONTRACTOR RESPONSIBILITY PROGRAM
QUESTIONNAIRE**

On December 4, 2001, the Board of Airport Commissioners adopted Resolution No. 21601, establishing LAWA's Contractor Responsibility Program (CRP). The intent of the program is to ensure that all LAWA contractors have the necessary quality, fitness and capacity to perform the work set forth in the contract. To assist LAWA in making this determination, each bidder/proposer is required to complete and submit with the bid/proposal the attached CRP Questionnaire. If a non-competitive process is used to procure the contract, the proposed contractor is required to complete and submit the CRP Questionnaire to LAWA prior to execution of the contract. Submitted CRP questionnaires will become public records and information contained therein will be available for public review for at least fourteen (14) calendar days, except to the extent that such information is exempt from disclosure pursuant to applicable law.

The signatory of this questionnaire guarantees the truth and accuracy of all statements and answers to the questions herein. Failure to complete and submit this questionnaire may make the bid/proposal non-responsive and result in non-award of the proposed contract. During the review period if the bidder/proposer or contractor (collectively referred to hereafter as "bidder/proposer") is found non-responsible, he/she is entitled to an Administrative Hearing if a written request is submitted to LAWA within ten (10) working days from the date LAWA issued the non-responsibility notice. Final determination of non-responsibility will result in disqualification of the bid/proposal or forfeiture of the proposed contract.

All Questionnaire responses must be typewritten or printed in ink. Where an explanation is required or where additional space is needed to explain an answer, use the CRP Questionnaire Attachment A. Submit the completed and signed Questionnaire and all attachments to LAWA. Retain a copy of this completed questionnaire for future reference. Contractors shall submit updated information to LAWA within thirty (30) days if changes have occurred that would make any of the responses inaccurate in any way.

Equal Benefits Ordinance

EQUAL BENEFITS ORDINANCE

It is the policy of the City of Los Angeles to include the following language in all Contracts:

Unless otherwise exempted in accordance with the provisions of this Ordinance, this Contract is subject to the applicable provisions of the Equal Benefits Ordinance (EBO) Section 10.8.2.1 of the Los Angeles Administrative Code, as amended from time to time.

During the performance of the Contract, the CONTRACTOR/CONSULTANT certifies and represents that the CONTRACTOR/CONSULTANT will comply with the EBO. The CONTRACTOR/CONSULTANT agrees to post the following statement in conspicuous places at its place of business available to employees and applicants for employment:

“During the performance of a Contract with the City of Los Angeles, the CONTRACTOR/CONSULTANT will provide equal benefits to employees with spouses and its employees with domestic partners. Additional information about the City of Los Angeles’ Equal Benefits Ordinance may be obtained from the Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance at (213) 847-1922.”

INSTRUCTIONS FOR COMPLETING EQUAL BENEFITS ORDINANCE FORMS

1. **Start with the Equal Benefits Ordinance (EBO) Compliance Form (Form OCC/EBO-1).** Your company must be determined to be in compliance with the EBO before a contract with the City may be executed. In Section 2 of the form, indicate what benefits your company currently offers its employees. If a benefit is not offered, indicate the benefit is not offered.

If your company currently does not offer equal benefits to employees with spouses and employees with same or different sex domestic partners, you may, on page two of the EBO Compliance Form, request one of the following by checking the appropriate box on the form:

- a. **Request additional time to come into compliance with the EBO.** This is available to contractors who agree to fully comply with the EBO but need additional time to add domestic partner coverage, to change company policies, or to negotiate the addition of domestic partner coverage to a collective bargaining agreement. Complete the Application for Provisional Compliance (Form OCC/EBO-3) and return it with the EBO Compliance Form (Form OCC/EBO-1). You must submit supporting documentation to verify why additional time is needed.
 - b. **Request to be allowed to comply with the EBO by providing employees the cash equivalent.** This is available to contractors who meet both of the following: (1) agree to provide employees with domestic partners the cash equivalent of the benefits offered to employees with spouses; and (2) have demonstrated that they have taken reasonable yet unsuccessful efforts to comply, or that it would be unreasonable under the circumstances to require the contractor to provide equal benefits rather than pay the cash equivalent to employees. Complete the Application for Reasonable Measures Determination (Form OCC/EBO-2) and return it with the EBO Compliance Form (Form OCC/EBO-1). You must submit the supporting documentation requested in the Reasonable Measures Form.
 - c. **Request to be allowed to comply with the EBO on a contract-by-contract basis.** If your company can only comply with the EBO for those locations or employees covered by the EBO, you may apply for compliance on a contract-by-contract basis. Contact the Department of Public Works, Office of Contract Compliance for additional information. Check the appropriate box on the EBO Compliance Form (Form OCC/EBO-1) and submit supporting documentation regarding the locations and employees affected by the EBO.
2. **Obtain supporting documentation.** The City must verify that each benefit offered by your company is offered equally. Refer to the EBO supporting documentation information sheet for the type of documentation that will be required. You must submit supporting documentation for each benefit checked in Question 2 of the EBO Compliance Form (Form OCC/EBO-1).

Unless otherwise specified in the RFB/RFP/RFQ, you do not need to submit supporting documentation with the bid or proposal. However, because supporting documentation will be required if you are selected for award of a contract, you must have the supporting documentation readily available for submission. A delay in the submission of documentation will result in a delay in the execution of your contract. **If you have already been notified that you have been selected for the award of a contract, supporting documentation must be submitted immediately to avoid delays.**
 3. **Submit the EBO Compliance Form (Form OCC/EBO-1) to the awarding department.** If you are requesting additional time to comply or to be allowed to pay employees the cash equivalent, you must also submit the appropriate forms (see #1 above) and supporting documentation with the EBO Compliance Form.
 4. **The forms and documentation will be forwarded to the Office of Contract Compliance for review.** If additional information or supporting documentation is needed, the Contractor Enforcement Section will contact you to obtain the information. **Because your contract cannot be executed until you have been determined to be in compliance with the EBO, you must respond promptly to any request for additional information.**

COMPLIANCE

YOU MUST SUBMIT SUPPORTING DOCUMENTATION TO VERIFY EACH BENEFIT MARKED. Without proper documentation for each carrier and each benefit marked, your company cannot be certified as complying with the EBO. If documentation for a particular benefit does not exist, attach an explanation. Refer to the "Documentation to Verify Compliance with the Equal Benefits Ordinance" fact sheet for more information on the type of documentation that must be submitted to verify compliance with the EBO.

If in the Table in Section 2 you indicated that your company does not provide all benefits equally throughout its entire operations to all your employees with spouses and employees with domestic partners of the same and different sex, you may:

- a. Request additional time to comply with the EBO.** Provisional Compliance may be granted to Contractors who agree to fully comply with the EBO but need more time to incorporate the requirements of the EBO into their operations. Submit the Application for Provisional Compliance (OCC/EBO-3) and supporting documentation with this Compliance Form.
- b. Request to be allowed to comply with the EBO by providing affected employees with the cash equivalent.** Your company must agree to provide employees with a cash equivalent. In most cases, the cash equivalent is the amount of money equivalent to what your company pays for spousal benefits that are unavailable for domestic partners, or vice versa. Submit a completed Application for Reasonable Measures Determination (OCC/EBO-2) and supporting documentation with this Compliance Form.
- c. Comply on a Contract-by-Contract Basis.** Compliance may be granted on a contract-by-contract basis for those Contractors who have multiple locations in the U.S. but cannot comply with the EBO throughout the Contractor's operations. Indicate below the compliance category you are requesting:
 - Contractor has multiple operations located both within and outside City limits. Contractor will comply with the EBO only for the operation(s) located within City limits and for employee(s) located elsewhere in the United States who perform work relating to the City agreement. Supporting documentation for the affected operation(s)/employees must be submitted.
 - Contractor has no offices within City limits but does have (an) employee(s) working on the City agreement located elsewhere in the United States. Contractor will comply with the EBO only for employee(s) located elsewhere in the United States who perform work relating to the City agreement. Supporting documentation for the affected employee(s) must be submitted.

SECTION 3. EXECUTE THE DECLARATION AND SUBMIT THE FORM TO THE AWARDING DEPARTMENT

This form must be returned to the City department awarding the agreement. If responding to a request for bid/proposal, submit this form with the bid/proposal to the awarding department. The awarding department will forward the form to the Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance for review.

DOCUMENTATION TO VERIFY COMPLIANCE WITH THE EQUAL BENEFITS ORDINANCE

Section 2 of the Equal Benefits Ordinance Compliance Form (Form OCC/EBO-1) requires that you submit supporting documentation to the Office of Contract Compliance to verify that all benefits marked in your response(s) are offered in a nondiscriminatory manner. This list is intended to be used only as a guide for the type of documentation needed.

Health, Dental, Vision Insurance: A statement from your insurance provider that spouses and domestic partners receive equal coverage in your medical plan. This may be in a letter from your insurance provider or reflected in the eligibility section of your official insurance plan document. Note that "domestic partner" includes same-sex as well as different-sex partners so that the definition of "domestic partner" contained in the plan document must include different-sex partners.

Pension/401(k) Plans: Documentation should indicate that participating employees may designate a beneficiary to receive the amount payable upon the death of the employee. Submit a blank beneficiary designation form.

Bereavement Leave: Your bereavement leave or funeral leave policy indicating the benefit is offered equally. If your policy allows employees time off from work because of the death of a spouse, it should also allow for time off because of the death of a domestic partner. If the policy allows time off for the death of a parent-in-law or other relative of a spouse, it must include time off for the death of a domestic partner's equivalent relative.

Family Leave: Your company's Family and Medical Leave Act policy. All companies with 50 or more employees must offer this benefit. Your policy should indicate that employees may take leave because of the serious medical condition of their spouse or domestic partner.

Parental Leave: Your company's policy indicating that employees may take leave for the birth or adoption of a child. If leave is available for step-children (the spouse's child) then leave should also be made available for the child of a domestic partner.

Employee Assistance Program (EAP): The benefit typically refers to programs that allow employees and their family members access to counselors who provide short-term counseling and referrals to assist in dealing with issues such as family problems, addiction, and financial and legal difficulties. Your company's EAP policy must confirm that spouses, domestic partners and their parents and children are equally eligible (or ineligible) for such benefits. If provided through a third party, a statement from the third party provider regarding eligibility is required.

Relocation & Travel: Your company's policy confirming that expenses for travel or relocation will be paid on the same basis for spouses and domestic partners of employees.

Company Discounts, Facilities & Events: Your company's policy confirming that to the extent discounts, facilities (such as a gym) and events (such as a company holiday party) are equally available to spouses and domestic partners of employees.

Credit Union: Documentation from the credit union indicating that spouses and domestic partners have equal access to credit union services.

Child Care: Documentation that the children of spouses (step-children) and children of domestic partners have equal access to child care services.

Other Benefits: Documentation of any other benefits listed to indicate that they are offered equally.

APPLICATION FOR PROVISIONAL COMPLIANCE WITH EQUAL BENEFITS ORDINANCE

COMPLETE AND SUBMIT THIS FORM ONLY IF APPLICABLE. Contractors entering into, amending, or bidding on a City contract who agree to comply with the Equal Benefits Ordinance ("EBO") but need more time to incorporate the requirements of the EBO into their operations must submit this form, and supporting documentation, to the Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance ("OCC"). (This form must be submitted with the EBO Compliance Form OCC/EBO-1.) The Contractor may be granted additional time to incorporate the requirements of the EBO only in the circumstances indicated below. Fill out all sections that apply. Attach additional sheets if necessary.

A. OPEN ENROLLMENT FOR HEALTH, DENTAL AND/OR VISION INSURANCE PLANS

The Contractor may be granted additional time to implement the requirements of the EBO if equal benefits cannot be provided until after the first open enrollment process following the date the contract with the City is executed. To qualify, the Contractor must submit evidence that reasonable efforts are being undertaken to implement the requirements of the EBO. Additional time granted may not exceed two years from the date the contract with the City is executed, and applies only to benefits for which an open enrollment period is applicable.

 - Date domestic partner (same and different sex) coverage will become effective.

You must submit copies of correspondence between your company and your insurance provider(s) documenting your effort to obtain domestic partner coverage for same- and different-sex couples. You should also submit verification of the next open enrollment date or the date the benefits become available.

B. ADMINISTRATIVE ACTIONS AND REQUESTS FOR EXTENSION

The Contractor may be granted additional time to implement the requirements of the EBO if the administrative actions necessary to incorporate the EBO cannot be completed prior to the date that the contract with the City is executed. Additional time granted for the completion of the administrative action shall apply only to those benefits that require administrative actions and may not exceed three months. Upon written request by the Contractor and at the discretion of the OCC, the Contractor may be granted additional time to complete the administrative actions. Administrative actions may include personnel policy revisions and the development and distribution of employee communications.

Describe below or on an attachment the administrative actions needed and the anticipated completion dates. **Attach supporting documentation such as the relevant portions of your current policy and the changes you plan to make.**

PROVISIONAL COMPLIANCE

C. COLLECTIVE BARGAINING AGREEMENTS

Compliance with the EBO may be delayed until the expiration of a Contractor's current collective bargaining agreement(s) (CBA). When the CBA is renegotiated, the Contractor must propose to the union for incorporation into the CBA the EBO requirements so that all benefits provided to employees with spouses are also extended to employees with domestic partners. Provisional compliance status may be granted if all of the following conditions are met.

- 1. The provision of some or all of the benefits offered to the Contractor's employees are governed by one or more CBA(s) but domestic partner coverage for same- and different-sex couples is not offered under the CBA(s).

Required Information: Indicate below the name of each CBA for which Provisional Compliance is being requested and the time period the CBA covers.

Name of Bargaining Unit: _____ Start date: _____ End date: _____
Name of Bargaining Unit: _____ Start date: _____ End date: _____
Name of Bargaining Unit: _____ Start date: _____ End date: _____

- 2. The Contractor agrees to propose to the union that the EBO requirements be incorporated into each of the CBA(s) by signing the statement below.

When the CBA is renegotiated, we will propose to the union that the EBO requirements be incorporated into the CBA so that all benefits provided to employees with spouses will be extended to employees with same or different sex domestic partners. After the CBA expires, we will provide, upon request by the City, reports on the status of the efforts to incorporate the EBO requirements into the CBA.

By the end of negotiations, we agree to notify the OCC of the result by submitting a statement which will indicate: (1) when the issue of same and different sex domestic partners was raised during negotiations; and (2) whether or not the EBO requirements was incorporated into the CBA. We understand that a separate statement must be submitted for each CBA for which Provisional Compliance was requested.

Name of Signatory (Print) Signature Title Date

- 3. For benefits not strictly governed by a CBA, the Contractor must establish policies so that those benefits are provided in accordance with the requirements of the EBO. For example, the Contractor may be required to expand the existing bereavement leave policy to allow an employee with a domestic partner time off in event of the domestic partner's death even if the CBA does not require the employer to do so.

Required documentation: A listing of benefits not strictly governed by the CBA along with the Contractor's policies as they relate to those benefits.

EXECUTE THE DECLARATION AND SUBMIT THE FORM TO THE AWARDING DEPARTMENT: This form, and the Equal Benefits Ordinance Compliance Form (Form OCC/EBO-1) must be returned to the City department awarding the agreement. APPLICATION FOR REASONABLE MEASURES DETERMINATION - CASH EQUIVALENT COMPLIANCE

Name of Company _____ EIN/TIN _____

Street Address _____ City, _____ State _____ Zip _____

Contact Person/Title _____ Telephone Number _____ Fax Number _____

Before the Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance (OCC) will approve a contractor's application to comply with the Equal Benefits Ordinance (EBO) by paying a cash equivalent, the OCC must determine that: (a) the contractor has made a reasonable yet unsuccessful effort to provide equal benefits; or (b) under the circumstances, it would be unreasonable to require the contractor to provide benefits to domestic partners (or spouses if applicable). **To apply, contractors must submit:**

1. An explanation and documentation that demonstrates: (a) the Contractor has made a reasonable, yet unsuccessful, effort to provide equal benefits; or (b) under the circumstances, it would be unreasonable to require the contractor to provide equal benefits rather than paying the cash equivalent. See EBO Regulation #2B(1)(a) and #2B(1)(b).
2. This completed application. Fill in the company's information, then read and sign the acknowledgement below.
3. A completed Equal Benefits Ordinance Compliance Form (Form OCC/EBO-1). Be certain that box "b" on page two of the form is checked.
4. A draft of the memorandum that will be distributed to affected employees informing them of the cash equivalent option.
5. Copies of the revised policies, such as bereavement, for which the cash equivalent is not applicable.

If approved by the OCC, a contractor will be allowed to comply with the EBO by paying its employees with domestic partners the cash equivalent of benefits made available to the spouses of its employees. The cash equivalent is the difference between the amount an employer pays to provide an employee with spousal or family coverage and the amount that an employer pays to provide an employee with employee-only coverage. For example, an employer pays \$200 per month to provide benefits for an employee and his/her spouse, and \$150 per month to provide benefits for an employee with employee-only coverage. The cash equivalent that must be paid to the employee with a domestic partner is \$50 per month.

For benefits for which a cash equivalent is not applicable, such as bereavement leave, the employer must amend its policies so that domestic partners are treated in the same manner as spouses. For example, if the policy allows an employee three days off in the event of the death of a spouse or the spouse's parents, the policy must be amended to allow an employee three days off in the event of the death of a domestic partner or the domestic partner's parents.

ACKNOWLEDGEMENT REGARDING APPLICATION

I declare under penalty of perjury under the laws of the State of California that I am authorized to bind the company/entity listed above. I understand that this Application must be approved by the OCC before compliance by paying the cash equivalent will be allowed. By signing below, I agree on behalf of the company that if this Application is approved by the OCC, the company will comply with the EBO by providing employees with domestic partners the cash equivalent of the benefits that are made available to employees with spouses. For those benefits to which the cash equivalent is not applicable, such as for bereavement leave or family leave, the company agrees to amend its policies so that the domestic partners of employees will be treated in the same manner as the spouse of an employee. The relatives of domestic partners will be treated in the same manner as relatives of spouses. The company further agrees to provide a memorandum notifying our affected employees of the availability of the cash equivalent option if they have domestic partners for whom equal benefits cannot be provided.

City shall have no liability for any premiums charged for such coverage(s). The inclusion of City, its Department of Airports, its Board, and all of its officers, employees and agents, and their agents and assigns, as insureds, is not intended to, and shall not, make them, or any of them a partner or joint venture with Contractor in its operations at Airport.

In the event Contractor fails to furnish City evidence of insurance and maintain the insurance as required, City, upon ten (10) day prior written notice to comply, may (but shall not be required to) procure such insurance at the cost and expense of Contractor, and Contractor agrees to promptly reimburse City for the cost thereof plus fifteen percent (15%) for administrative overhead.

At least ten (10) days prior to the expiration date of any of the above policies, documentation showing that the insurance coverage has been renewed or extended shall be filed with City. If such coverage is canceled or reduced, Contractor shall, within fifteen (15) days of such cancellation or reduction of coverage, file with City evidence that the required insurance has been reinstated or provided through another insurance company or companies.

Contractor shall provide proof of all specified insurance and related requirements to City either by production of the actual insurance policy(ies), by a broker's letter acceptable to the Executive Director in both form and content in the case of foreign insurance syndicates, or by other written evidence of insurance acceptable to the Executive Director. The documents evidencing all specific coverages shall be filed with City prior to Contractor occupying the premises hereunder. The documents shall contain the applicable policy number, the inclusive dates of policy coverages and the insurance carrier's name, shall bear signature and the typed name of an authorized representative of said carrier, and shall provide that such insurance shall not be subject to cancellation, reduction in coverage or nonrenewal except after written notice by certified mail, return receipt requested, to the City Attorney of the City of Los Angeles at least thirty (30) days prior to the effective date thereof.

City and Contractor agree that the insurance policy limits specified herein shall be reviewed for adequacy annually throughout the term of this Agreement by Executive Director, who may thereafter require Contractor to adjust the amounts of insurance coverage to whatever amount Executive Director deems to be adequate. City reserves the right to have submitted to it, upon request, all pertinent information about the agent and carrier providing such insurance.

Contractor agrees to, and shall, pay all damages, settlements, expenses and costs, including costs of investigation, court costs and attorney's fees, and all other costs and damages sustained or incurred by City arising out of, or relating to, the matters set forth above in this paragraph of the City's "Hold Harmless" agreement.

In Contractor's defense of the City under this Section, negotiation, compromise, and settlement of any action, the City shall retain discretion in and control of the litigation, negotiation, compromise, settlement, and appeals there from, as required by the Los Angeles City Charter, particularly Article II, Sections 271, 272 and 273 thereof.

Frequently Asked Questions about LAWA Insurance Requirements

RISK MANAGEMENT'S INSURANCE COMPLIANCE SECTION

- 1. When should I comply with the Insurance Requirements?** The Risk Management Division's Insurance Compliance section is the first place to start if your proposal has been accepted or you have been awarded the bid. You cannot perform any work for the Department without approved evidence of insurance. Please be aware that if current evidence of insurance is not on file with the Insurance Compliance Section, invoices cannot be processed, badges cannot be issued and permits can not be processed.

OUR ACCOUNTING DIVISION HAS BEEN INSTRUCTED BY THE CITY CONTROLLER NOT TO PROCESS INVOICES UNLESS CURRENT EVIDENCE OF INSURANCE IS IN PLACE.

- 2. What does LAWA consider as Acceptable Evidence of insurance?** Effective July 1, 2009, LAWA's Special Endorsement forms will no longer be accepted. The only evidence of insurance acceptable is either a Certificate of Insurance and/or a True and Certified copy of a policy. The following items must accompany the form of evidence provided:
 - a.** A copy of the Waiver of Subrogation Endorsement **specifically** naming Los Angeles World Airports on the schedule is required for Workers' Compensation. **A BLANKET ENDORSEMENT AND/OR LANGUAGE ON A CERTIFICATE OF INSURANCE IS NOT ACCEPTABLE.**
 - b.** A copy of the Additional Insured Endorsement (CG 20 10 11 85 or similar) **specifically** naming Los Angeles World Airports on the schedule is required for General Liability. **A BLANKET ENDORSEMENT AND/OR LANGUAGE ON A CERTIFICATE OF INSURANCE IS NOT ACCEPTABLE.**
 - c.** A legibly typed name of the Authorized Representative must accompany an **original wet ink** signature on the Certificate of Insurance and/or the True and Certified copy of the policy.
 - d.** A copy of the Schedule of Underlying Coverage/Insurance is required for the Excess policy.
- 3. Is there an added cost to adding Los Angeles Worlds Airports as Additional Insured?** Yes, there usually is an added cost to doing this. This fact should be considered when you are formulating your costs for the bid or proposal. Check with your insurance agent or broker.
- 4. How can I obtain information on your Insurance Requirements?** An Insurance Requirement Sheet is included in the Proposal/Bid Package, which specifically outlines the types and amounts of coverage required. This Requirement Sheet should be passed on to your authorized insurance representative for their review. You may also contact us at (424) 646-5480.
- 5. Do I need to prepare more forms if I already have LAWA's evidence of insurance?** No. If you already have current evidence of insurance on file with our Risk Management's Insurance Compliance Section, it is not necessary to complete a new set of forms. Once documentation is in place, you do not need to go through the process for each project. However, please check with our office to be sure that all coverages are current. Your contract administrator can do this for you as well. Our office maintains a computerized record of your evidence of insurance.
- 6. What insurance companies are acceptable to LAWA?** Insurance companies must have an A- or better rating and have a financial size of at least IV to be acceptable to LAWA. We use the A.M. Best Key Rating Guide as our reference.
- 7. For how long will I need the insurance coverage?** If you are awarded a contract, there will be a provision in your contract which specifically states that it is your responsibility to maintain current evidence of insurance in our files for the contract period.
- 8. How long does it take LAWA to process my evidence of insurance?** It normally takes 3-5 working days to process insurance documents. Please submit your evidence of insurance documents to the Risk Management Division's Insurance Compliance Section as soon as you are awarded the contract.
- 9. When should I complete the evidence of insurance?** Do not spend any money to meet the insurance requirements until you awarded the contract by LAWA. Get an estimate or quote from your insurance agent or broker and factor that into the bid/proposal you are preparing. Enclose a statement, provided on your company letterhead, which states you have reviewed the insurance requirements and that you will provide the required evidence of insurance if you are awarded the contract.
- 10. Where is the Risk Management Division's Insurance Compliance Section located?**
