## INTRODUCTION AND OVERVIEW

### 1.1 Request for Proposal (RFP) Purpose

In this Request for Proposal (RFP) #12-00057 for a Healthcare Registry Services Network Management Provider, the California Department of Corrections and Rehabilitation (CDCR), California Correctional Health Care Services (CCHCS)<sup>1</sup> is requesting proposals for a statewide Healthcare Registry Services Network Management Provider of temporary/relief mental health and dental service staffing. CDCR will be the named party on the resulting contract. The objective of this initiative is to develop, implement, manage, and maintain a statewide Healthcare Registry Services Network for temporary/relief mental health and dental registry service to be utilized on an as-needed basis, to fill temporary vacancies, substitute for full-time CDCR employees while on medical leave, provide temporary services when appropriate staffing levels cannot be maintained with civil service staff, or provide services when the requested services are not available within state civil service. The Contractor shall establish rates with aggressive discounts for services provided to patient-inmates/youths that are comparable with those in the commercial marketplace. CCHCS reserves the right to be involved in contract negotiations with registry healthcare providers and CCHCS and the Contractor will mutually agree upon and document a process for CCHCS involvement. The contract term shall be the period of February 1, 2013 through January 31, 2016. CCHCS will have the option of extending this contract, for up to three (3) one (1) year extensions, through January 31, 2019.

The Contractor selected to provide the registry network services must have strong statewide provider relationships and have a proven track record for obtaining discounts for health care services such as those listed in Exhibit A-1 (Registry Services Specific to Mental Health and Dental Service Delivery). The registry services listed in Exhibit A-1 are not all inclusive, and CCHCS reserves the right to request additional registry services to be included in the network.

CCHCS also reserves the right to require Contractor to add other State departments, including but not limited to the Department of State Hospitals, to its provider network. If CCHCS elects to exercise this right, the Agreement shall be amended to reflect the State department(s) added to the network and the approach for invoicing and paying for services provided on behalf of patients of other State department(s). However, by submitting a proposal, the proposer represents its willingness to amend the contract for access of the provider network to other State department(s) and its ability to adapt its network to accommodate the business needs of other State department(s).

It is CCHCS' expectation that a contract will be executed with the successful Proposer (Contractor) within four (4) weeks of notification of the Intent to Award. The proposal shall expire within six (6) months following issuance of the Notice of Intent to Award unless proposer submits in writing to extend this period. Registry services must be available to provide services to patient-inmates/youths at all institutions/facilities through the Healthcare Registry Services network within six (6) months of the contract effective date. The implementation will be on a phased basis with full implementation required by the end of the six (6) month period. The initial contract period will be three (3) years with up to three (3) one- (1-) year extensions at CCHCS' option.

---

<sup>1</sup> CCHCS is the area of CDCR responsible for medical, dental, and mental health care for California's adult state prison and juvenile justice population. For convenience, the term "CCHCS" is used throughout this RFP to describe only the portion of CDCR that is responsible for the provision of dental and mental health care. Where the context suggests, references to "CCHCS" may be synonymous with "CDCR."

Oral answers shall not be binding on the State. A sign-in sheet will be provided to document attendance. The information from the sign-in sheet may be provided to interested parties.

### **2.2.3 Bidder's Intention to Submit a Proposal**

Bidders are not required to communicate their intent to submit a proposal. However, if a bidder wishes to communicate its intent to submit a proposal, a sample Letter of Intent to Bid is found in RFP Section 5, Administrative Requirements, Exhibit 5.1. The Letter of Intent is not binding and prospective Proposers are not required to submit a proposal merely because a Letter of Intent is submitted.

### **2.2.4 Proposers' Interviews**

The CCHCS Evaluation Team may conduct confidential discussions with each Bidder submitting Proposals that have been reviewed by the State. At the confidential discussion, the Bidder may bring to the discussion those persons who may be required to answer questions or commit to changes. The State will not make counter proposals to the Bidder's proposed solution to the RFP requirements, and will only identify its concerns, ask for clarification, and express its reservations if a particular requirement of the RFP is not, in the opinion of the State, appropriately satisfied. Oral statements made by either party during confidential discussions shall not be binding. Confidential discussions are not a right but rather are conducted at the sole discretion of CCHCS.

### **2.3 News Releases**

News releases or any publications relating to a contract resulting from this RFP shall not be made without **prior written approval** of the Bid Representative listed in Section 1.5, Introduction and Overview. If this person is not available then the Deputy Director of Medical Contracts or their designee shall review the request for approval.

## **2.4 Disposition of Proposals**

All materials submitted in response to this RFP upon submission are the property of the State of California/CCHCS subject to the California Public Records Act (PRA; Government Code (GC) section 6250, et seq.) and will be returned only at the State/CCHCS' option and at the Bidder's expense. At a minimum, the Master Copy of the Proposal shall be retained for official files and will become a public record after the Notification of Intent to Award as specified in the Key Action Dates specified in Section 1.6, Introduction and Overview. The State makes no guarantee that it will protect from disclosure any materials claimed to be confidential or proprietary. However, materials the State has agreed are confidential information will be returned upon the request of the Bidder before the intent to award.

Upon posting of Notice of Intent to Award, all documents submitted in response to this RFP and all documents used in the selection process (i.e., review checklists, scoring sheets, letters of intent, etc.) will be regarded as public records under the PRA and subject to review by the public. Proposer correspondence, selection working papers or any other medium shall be held in the strictest confidence until the Notice of Intent to Award is posted.

## **2.5 Data Library**

A Data Library will not be used for this procurement.

## **2.6 Reasonable Accommodation**

For individuals who require reasonable accommodation, CCHCS will provide assistive services (i.e., sign-language interpretation, real-time captioning, note takers, audio cassette, etc.). To request such services or copies of written materials in an alternate format, please contact the Bid Representative listed in Section 1.5 no later than November 5, 2012, to arrange for reasonable accommodations.

NOTE: The range of assistive services available may be limited if requestors cannot allow ten (10) or more state working days prior to the date the alternate format material is needed.

## **Exhibit 2.1 – Competitive Bidding and Proposal Responsiveness**

Competitive bidding is not defined in any single statute but is more in the nature of a compendium of numerous court decisions. From such court decisions, the following rules have evolved, among others:

1. The RFP must provide a basis for full and fair competitive bidding among Bidders on a common standard, free of restrictions that would tend to stifle competition.
2. The State may modify the RFP, prior to the date fixed for Contract Award, by issuance of an addendum to all parties who are Bidders.
3. To be considered a valid proposal, the proposal must respond and conform to the invitation, including all the documents, which are incorporated therein. A proposal which does not literally comply may be rejected.
4. In order for a bid to be rejected for a deviation, the deviation must be deemed to be of a material nature.
5. State agencies have the express or implied right to reject any and all proposals in the best interests of the State. Proposals cannot, however, be selectively rejected without cause.
6. Proposals cannot be changed after the time designated for receipt and opening thereof. No negotiation as to the scope of the work, amount to be paid or contractual terms is permitted.

California Correctional Health Care Services (CCHCS)  
Request for Proposal for Healthcare Registry Services Network Management Provider

However, this does not preclude the State from clarifying the Bidder's intent by asking questions and considering the answers.

7. A competitive proposal, once opened, is in the nature of an irrevocable option and a contract right of which the public agency cannot be deprived without its consent, unless the requirements for rescission are present. All proposals become public documents.
8. Proposals cannot be accepted "in part" unless the invitation specifically permits such an award.
9. Contracts entered into through the competitive bidding process cannot later be amended, unless the RFP includes a provision, to be incorporated in the contract awarded, providing for such amendment of time, money or terms.

The State has received a number of proposals in the past which were deemed to be non-responsive to the requirements of a RFP or which could not be considered as valid proposals within the competitive bidding procedures. Non-responsive proposals or proposals which contain qualification statements or conditions must be rejected. Many of the causes for rejection arise from either an incomplete understanding of the competitive bidding process or administrative oversight on the part of the Bidders. The following examples are illustrative of more common causes for rejection of proposals. These examples are listed solely to assist potential Bidders in submission of responsive proposals and should not be considered an exhaustive list of reasons for rejection.

1. A proposal stated, "The prices stated within are for your information only and are subject to change."
2. A proposal stated, "This proposal shall expire six (6) months following issuance of the Notice of Intent to Award unless extended in writing by the \_\_\_\_\_ Company." (In this instance award was scheduled to be approximately six (6) months following issuance of the Notice of Intent to Award.)
3. A proposal for services contained plans of a duration shorter than that which had been requested in the RFP.
4. A Proposal stated, "\_\_\_\_\_, in its judgment, believes that the schedules set by the State/CCHCS are extremely optimistic and probably unobtainable. Nevertheless, \_\_\_\_\_ will exercise its best efforts...."
5. A proposal stated, "This proposal is not intended to be of a contractual nature."
6. A proposal contained the notation "prices are subject to change without notice."
7. A proposal was delivered to the wrong office.
8. A proposal was delivered after the date and time specified in the RFP.
9. A proposal was submitted with the cost data contained in two separate sealed envelopes when the RFP required only one sealed envelope with both narrative and cost proposals.

### **3. BUSINESS AND QUALIFICATION REQUIREMENTS**

#### **3.1 Minimum Business Requirements**

Before the contract is signed, you must provide the State of California business license (and a Contractor License if required). If the State of California has exempted your business from State licensing (for example, some foreign companies are exempt and in some cases, the State waives licensing because the company does not have a physical presence in the State), then submit proof of that exemption to the CCHCS Medical Contracts. All costs for any licenses, permits and associated tax payments due to the State as a result of licensing shall be borne by the Contractor and not charged to the CCHCS. [See Standard Contractor Certification Clauses (Attachment 4) and Section 5.5 in the RFP titled "Certification to do business in the State of California" for additional information.]

#### **3.2 Qualification Requirements**

Failure to meet the following requirements by the proposal submission deadline will be grounds for CCHCS to deem a Proposer non-responsive. Evaluators may choose not to thoroughly review or score proposals that fail to meet these requirements. In submitting a proposal, each Proposer must certify and prove that it possesses the following qualification requirements.

##### **3.2.1 Experience Requirements**

The Proposer must have at least two (2) continuous years of experience of the type(s) listed below. All experience must have occurred within the past five (5) years of the date RFP was posted. It is possible to obtain the experience types listed below during the same time period. See Exhibit A, Scope of Work, for additional information.

Proposers must:

- A. Have a minimum of two (2) continuous years of experience delivering a full range of healthcare registry services for one (1) or two (2) public U.S. entities (State or Federal). If only one public entity reference is provided, then include one (1) private entity reference, as well. Provide name, address, title, company, and phone number of the contact person for the entity. Contractor must provide CCHCS with proof of the required experience by submitting two (2) letters of reference. The letters of reference must contain sufficient information (i.e., specific times and locations where the Contractor was observed while providing healthcare registry for temporary/relief services) in order to verify contractor's experience.
- B. Any and all proposed independent contractors or subcontractors used to provide temporary/relief healthcare registry services shall be submitted to CCHCS for review and approval. No subcontractor shall perform any services for the Contractor pursuant to this Agreement without the express prior approval of CCHCS. CCHCS reserves the right to reject any subcontract and subcontractor not meeting the requirements of this section.
- C. Contractor must provide a comprehensive healthcare registry management network to support operations and maintain appropriate registry staffing levels for the provision of temporary/relief services at all Institutions/Facilities. The healthcare registry management network shall satisfy any specialization requirements for the provider's profession. Contractor must provide the State with proof of any required training, licenses, permits, certifications and any other required documents noted herein, for each of the registry personnel providing services under this Agreement. Services will be

performed by only registry provider groups and personnel who meet the requirements outlined in this Agreement.

- D. Registry personnel must be able to perform the tasks associated with providing mental health and dental services under the scope of their license. Contractor agrees that all registry provider groups will be required to render mental health or dental service as defined herein on an as-needed basis. Registry personnel will perform services in accordance with Federal and State laws, rules, regulations and CDCR Policies and Procedures. All registry provider groups shall at all times comply with universal safety precautions and maintain CDCR security measures and a safe work environment.

### **3.2.2 Compliance with Contract Terms and Conditions**

Proposers must certify they have read and are willing to comply with all proposed terms and conditions addressed in the RFP section entitled, "Contract Terms and Conditions," including the terms appearing in the referenced contract exhibits. The Contractor is responsible for ensuring that all services are to be performed in compliance with all laws and regulations.

## **3.3 Entity Documents**

### **3.3.1 Proof of Corporate Status**

If the Proposer is a Corporation, the Proposer must submit either a copy of the proposing firm's most current Certificate of Status issued by the State of California, Office of the Secretary of State, or a downloaded copy of the proposing firm's on-line status information from the California Business Portal website of California's Office of the Secretary of State. Include an explanation if this documentation cannot be submitted. Unless otherwise specified, do not submit copies of the proposing firm's Bylaws or Articles of Incorporation. Corporations must certify they are in good standing and qualified to conduct business in California. See Contractor's Certification Clauses (Attachment 4) and Section 5 in the RFP titled "Corporate Qualifications to do business in California."

### **3.3.2 Proof of Nonprofit Status**

Nonprofit organizations must prove they are legally eligible to claim "nonprofit" and/or tax-exempt status by submitting a copy of an Internal Revenue Service determination letter indicating nonprofit or 501 (3) (c) tax-exempt status. Submit an explanation if this documentation cannot be supplied.

### **3.3.3 An Organization Chart**

The organizational chart must show the lines of authority and reporting relationships within the Proposer's organization including the relationship between management and subcontractors and/or independent contractors, if any. Refer to Section 8.1.3.f.3 in this RFP as to how to submit the organizational chart in the response to this proposal.

### **3.3.4 Financial Statements**

Proposers must certify they are financially stable and solvent and have adequate cash reserves to meet all financial obligations while awaiting reimbursement from the State. Proposers must submit copies of independently audited financial statements for the past twenty-four (24) month period with all noted audit exceptions explained. CCHCS will accept audited financial statements prepared by a Proposer's financial accounting department, accounting firm or auditing firm. A statement signed by a Proposer's Chief Financial Officer certifying that the financial statements are accurate and complete must accompany all financial statements. As an alternative to the above requirements of submitting copies of independently audited financial statements, proposers may also provide a Dun & Bradstreet Report to support financial standards rating.

### **3.3.5 Staff Resumes**

To the extent possible, resumes should not exceed two (2) pages in length per person and should not include personal information such as social security number, home address, home telephone number, home e-mail address, marital status, sex, birth date, age, etc.

### **3.3.6 Subcontractor/Contractor Resumes**

Contractor must submit a resume for each person providing services under a subcontract or independent contract, if any. To the extent possible, resumes should not exceed two (2) pages in length per person and should not include personal information such as social security number, home address, home telephone number, home e-mail address, marital status, sex, birth date, age, etc.

### **3.3.7 Subcontractor/Contractor Letters of Agreement**

For each pre-identified subcontractor and independent contractor that will be used under the resulting contract, the Contractor must submit a letter of agreement to work on the contract.

A letter of agreement must be signed by an official representative of each subcontracted firm or independent contractor, indicating his or her acknowledgement of being named as a subcontractor or contractor, their availability to work on this contract and acknowledgement that they have read or been made aware of the proposed contract terms, conditions and exhibits. Include an explanation if a letter of agreement cannot be obtained from each pre-identified subcontractor and contractor and indicate when a letter of agreement will be forthcoming.

### **3.3.8 Conflict of Interest**

Any firm that intends to submit a proposal is required to submit Conflict of Interest Compliance Certificate. [See Attachment 12 and Exhibit D for additional information.]

### **3.3.9 Past Business Practice**

Proposers must have a past record of sound business integrity and a history of being responsive to past contractual obligations.

## **3.4 Contractor Contract Disclosure**

Proposers must certify their proposal response is not in violation of Public Contract Code (PCC) section 10365.5 and, if applicable, must identify previous contractor services contracts that are related in any manner to the services, goods or supplies being acquired in this solicitation.

PCC section 10365.5 generally prohibits a person, firm or subsidiary thereof that has been awarded a consulting service contract from submitting a bid for and/or being awarded an agreement for, the provision of services, procurement of goods or supplies or any other related action that is required, suggested or otherwise deemed appropriate in the end product of a consulting services contract.

PCC section 10365.5 does not apply to any person, firm or subsidiary thereof that is awarded a subcontract of a consulting services agreement that totals no more than ten (10) percent of the total monetary value of the consulting services agreement. Contractors and employees of a firm that provides consulting advice under an original consulting contract are not prohibited from providing services as employees of another firm on a follow-on contract unless the persons are named contracting parties or named parties in a subcontract of the original contract.

PCC section 10365.5 does not distinguish between intentional, negligent and/or inadvertent violations. A violation could result in disqualification from bidding, a void contract and/or imposition of criminal penalties.

## **4. SPECIFICATIONS and SCOPE OF WORK**

### **4.1 Specifications**

#### **A. Permits**

All necessary permits required to perform work must be supplied by the Contractor at no additional cost to the CCHCS.

#### **B. Contract Term**

The contract shall be for the period of February 1, 2013 through January 31, 2016. CCHCS will have the option of extending this contract, for up to three (3) one- (1-) year extensions, through January 31, 2019.

## **5. Administrative Requirements**

In addition to meeting the requirements in Section 4, Bidders must adhere to all mandatory administrative requirements of this Request for Proposal CCHCS RFP #12-00057 to be responsive. The section also describes bidding preference programs.

### **5.1 Cover Letter**

Refer to Section 2, Rules Governing Competition, and Section 8, Proposal and Bid Format, for additional instructions regarding Signature of Proposal.

### **5.2 Letter of Intent to Bid**

The Letter of Intent to Bid will be one of the methods used to identify Bidders who are interested in responding to the RFP and wish to receive information during the bid process. The Letter of Intent to Bid should conform to the specifications in Section 2, Rules Governing Competition, Paragraph 2.2.3, Bidder's Intention to Submit a Proposal. A sample can be found in Section 5, Administrative Requirements, Exhibit 5.1, Letter of Intent to Bid. The Letter of Intent to Bid is voluntary.

### **5.3 Bidder's Responsibility**

Prior to award of the Contract, the State must be assured that the Bidder selected has all of the resources to perform under the Contract successfully. This includes, but is not limited to, personnel in the numbers and with the skills required, equipment of appropriate type and in sufficient quantity and experience in similar endeavors. To provide these assurances the Bidder must submit the items defined in this RFP, Administrative Requirements (Section 5), Submittal Checklist (Section 6.2) and Proposal and Bid Format (Section 8). Bidders are admonished to read every section in the RFP and submit all Attachments as specified in the Table of Contents and RFP Sections 5, 6, 8 and 10 prior to bidding on this RFP as there will be no negotiation of terms or conditions to the contractual language after proposals are submitted.

If, during the evaluation process, the State is unable to assure itself of a Bidder's ability to perform under the Contract, if awarded, the State has the option of requesting from the Bidder any information that the State deems necessary to determine the Bidder's responsibility. If such information is required, the Bidder will be so notified and will be permitted five (5) business days to submit the information requested.

#### **5.4 Insurance Requirements (Worker's Compensation)**

The Bidder must maintain in force (as required by State law) a valid Worker Compensation Insurance Policy issued by the State Compensation Insurance Fund or approved broker for all employees engaged in the performance of the Contract and agrees to furnish the State satisfactory evidence thereof at the time of Proposal submittal and at any time during the term of the Contract the State may so request. Corporations must certify they are in good standing and qualified to conduct business in California. See Contractor's Certification Clauses (Attachment 4) and Section 3 in the RFP titled "Proof of Corporate Status." A Proposal may be considered non-responsive and will be rejected by the State if it does not contain a copy of the certification of the above information or if the information is later proven false.

#### **5.6 Payee Data Record**

The Bidder's Proposal submission must contain a fully executed copy of the Payee Data Record Form Std. 204. See Attachment 5.

#### **5.7 Confidentiality of Information**

To preserve the integrity of the security measures integrated into the State's automated information systems, the Bidder agrees that an authorized representative and/or corporate officer of all contractors and subcontractors participating in this project must submit a signed copy of the Confidentiality Statement, a sample of which is provided in Section 5, Administrative Requirements, Exhibit 5.2, prior to working on this Project. Under no circumstances shall the Bidder use, publish, sell or otherwise disclose to any third party the contents of any records, data, or reports derived from data submitted for processing without the prior authorization and consent of the State in writing. See Exhibit D, section 34 for additional information.

#### **5.8 Subcontractors**

The Contractor, upon Award of Contract, must notify subcontractors of their participation in the Contract. In addition, the Bidder shall, at the CCHCS' request, provide written verification from any or all subcontractors of their participation and solicit any additional information that may be deemed necessary to complete the bid evaluation process. This RFP is exempt from the DVBE requirement; however, the State is committed to achieving legislatively established goals for the participation of DVBEs in all state contracting and seeks to use certified DVBE business whenever possible. Therefore, the State requests your voluntary participation in reporting any certified DVBEs, including yourself, that will be used in the performance of this Agreement. A CDCR 1786 (DVBE Participation in Exempt Contracts) is enclosed to assist you in reporting certified DVBE participation levels. See Attachment 13 and Exhibit D, section 26.

The “service” category is the business type that will most likely apply to this bid. See Exhibit B-1 for additional information.

#### **5.10.1.3 Commercially Useful Function (CUF)**

If Bidder is a California certified small business, in accordance with Government Code, Sections 14837 (d) (1) (2), Bidder must address specific aspects of the legislation that requires certified small businesses to perform a commercially useful function as defined in Government Code Sections 14837 (d)(4)(A)(B). The Act requires that DGS establish and periodically update a list of ineligible vendors.

Also, pursuant to the Act, financial institutions are ineligible to bid on, submit a proposal for, enter into, or renew any contract with the state for goods or services of one million dollars (\$1,000,000) or more if the financial institution extends credit, as defined in the Act, to a business identified on the DGS list of ineligible vendors that will use the credit to provide goods or services in the energy sector in Iran.

Prior to submitting a bid or proposal and prior to executing any state contract or renewal for goods or services of one million dollars (\$1,000,000) or more, a vendor must certify that it is not on the [list of ineligible vendors](#) prohibited from doing business with the State of California. ## **8.2 Submitted Proposal**

### **8.2.1 Submission of Proposal**

All copies of proposals must be under sealed cover which is to be plainly marked "**PROPOSAL for CCHCS RFP #12-00057.**" Proposals not received by the date and time specified in RFP Section 1.6, Key Action Dates, or not sealed, will be rejected. Bidders should arrange for the timely delivery of the proposal package(s) to the address specified in this RFP and not wait until shortly before the deadline to submit the proposal. As required in RFP Section 8, Proposal and Bid Format, the Cost Proposal, including all cost data (as identified in the RFP Section 7, Cost Instructions) must be placed in a sealed envelope, clearly marked "**COST PROPOSAL for CCHCS RFP #12-00057,**" and then submitted in a second sealed envelope with the Narrative Proposal. If the Cost Proposal and cost data are not submitted in this manner, the proposal will be rejected. Proposals submitted under improperly marked covers may be rejected. If discrepancies are found between two or more copies of the proposal, the proposal may be rejected. However, if not rejected, the Master Copy will provide the basis for resolving such discrepancies. If one copy of the Proposal is not clearly marked "Master Copy," the CCHCS may reject the proposal.

**Proposals must be complete in all respects as required by Section 8.1, Proposal Requirements.** A Proposal will be rejected if it is conditional or incomplete or if it contains any alterations of form or other irregularities of any kind. A Proposal shall be rejected if any such defect or irregularity constitutes a material deviation from the RFP requirements. This section describes specific guidelines applicable to the submission of the Proposal to the RFP and is applicable if the Proposal is declared flawed by the Evaluation Team.

#### **8.2.1.1 Proposal Responsiveness**

Exhibit 2.1, Competitive Bidding and Proposal Responsiveness, emphasizes the requirements of competitive bidding and contains examples of common causes for rejection of proposals. Bidders are encouraged to review this exhibit.

#### **8.2.1.2 False or Misleading Statements**

Proposals which contain false or misleading statements or which provide references which do not support an attribute or condition claimed by the Bidder may be rejected. If, in the sole opinion of the CCHCS, such information was intended to mislead the CCHCS in its evaluation of the Proposal and the attribute, condition, or capability is a requirement of this RFP, it will be the basis for rejection of the Proposal.

#### **8.2.1.3 Proposal Signature**

A cover letter (which shall be considered an integral part of the submission) shall be signed by an individual who is authorized to bind the bidding firm contractually (Attachment 1). The signature block must indicate the title or position that the individual holds in the firm. **An unsigned Proposal shall be rejected.**

#### 8.2.1.4 Delivery of Proposals

The Proposal must be submitted no later than the date and time specified in the Key Action Dates in Section 1.6, Introduction and Overview. Mail or deliver proposals to the CCHCS Bid Representative listed in Section 1.5, Introduction and Overview. Delivery of proposals is done at the Bidder's own risk of untimely delivery, lost mail, etc. Proposals must be received in the number of copies stated in Section 8, Proposal and Bid Format.

One (1) copy must be clearly marked "Master Copy. All copies of proposals must be under sealed cover, which is to be plainly marked "PROPOSAL for **CCHCS RFP #12-00057.**" **Proposals not received by the date and time in the Key Action Dates specified in Section 1.6, Introduction and Overview, shall be rejected.**

**Label and submit proposal using one of the following methods.**

#### 8.2.1.5 Proof of Timely Receipt

- a) Upon delivery of the Proposal to the Bid Representative, each Proposer will be issued a receipt indicating the date and time the proposal package/envelope was received. If a proposal envelope or package is hand delivered, CCHCS staff will give a bid receipt to the hand carrier upon request. If a proposal package envelope or package is mailed, CCHCS Medical Contracts staff will mail a receipt to the Proposer.
- b) CCHCS will deem late proposals non-responsive.

#### 8.2.1.6 Withdrawal and Resubmission/Modification of Proposals

A Bidder may withdraw its Proposal at any time prior to the Proposal submission time specified in RFP Section 1.6, Key Action Dates, by submitting a written notification of withdrawal signed by the Bidder authorized in accordance with Section 8.2.1.3, Proposal Signature. The Bidder may thereafter submit a new or modified proposal prior to such proposal submission time. Modification offered in any other manner, oral or written, will not be considered. Proposals cannot be changed or withdrawn after the date and time designated for receipt, except as provided in Section 8.4 Errors in Proposal.

### **8.2.1.7 Changes in Proposals**

Prior to the proposal submittal closing date and time established for this RFP, a Bidder may make changes to its proposal provided the change is initialed and dated by the Vendor. No change to a proposal shall be made after the proposal closing date and time.

### **8.2.1.8 Clarification of Proposal**

During the evaluation of the Proposal, the CCHCS Evaluation Team may ask the Bidder to clarify their submitted information but will not allow the Bidder to change their proposal.

### **8.2.1.9 Flawed Proposals**

As required in Section 8, Proposal and Bid Format, all cost data must be submitted in the same sealed envelope as the Cost Proposal. If discrepancies are found between two or more copies of the proposal, the proposal may be rejected. However, if not rejected, the Master Copy is the basis for resolving discrepancies.

### **8.2.1.10 Confidentiality**

The contents of all Proposals, including correspondence, agenda, memoranda, or any other medium which discloses any aspect of a Bidder's Proposal will be held in confidence by the CCHCS, but only until the notice of intent to award has been issued. Any disclosure of State confidential information by the Bidder is a basis for rejecting the Bidder's proposal and ruling the Bidder ineligible to further participate. Maintaining the confidentiality of information that is designated as confidential by the CCHCS is paramount; it cannot be over emphasized.

## **8.3 Rejection of Proposals**

The State may reject any or all proposals and may waive any immaterial deviation or defect in a proposal. The CCHCS' waiver of any immaterial deviation or defect shall in no way modify the RFP documents or excuse the Bidder from full compliance with the RFP specifications if awarded the contract.

### **8.3.1 General**

Proposals will be evaluated according to the procedures contained in the Section 9, Evaluation.

### **8.3.2 Evaluation Questions**

During the evaluation and selection process, the CCHCS may require a confidential Bidder's representative to answer specific questions and provide clarification, as long as the answers and clarification are in writing.

## **8.4. Errors in the Proposal**

An error in the Proposal may cause the rejection of that proposal; however, the CCHCS, in its sole discretion, may retain the proposal and make certain corrections. In determining if a correction will be made, the CCHCS will consider the conformance of the proposal to the format and content required by the RFP. The CCHCS, in its sole discretion, may correct obvious clerical errors. The CCHCS, in its sole discretion, may correct discrepancy and arithmetic errors. The Master Copy shall have priority over additional copies; the Proposal Master Copy narrative shall have priority over the cost sheets. If necessary, the extensions and summary will be recomputed from the lowest level of detail, even if the lowest level of detail is obviously misstated.

If a Bidder does not follow the instructions for computing costs not related to the contract (e.g., personnel costs), the CCHCS may reject the proposal, or in its sole discretion, re-compute such costs based on instructions contained in the RFP. The CCHCS may at its sole option correct errors of omission and, in the following three situations, the CCHCS will take the indicated

California Department of Corrections and Rehabilitation (CDCR)/  
California Correctional Health Care Services (CCHCS)  
Request for Proposal for Healthcare Registry Services Network Management Provider

actions if the Bidder's intent (as determined by the CCHCS) is not clearly established by the complete proposal submittal.

1. If a service is described in the narrative and omitted from the cost data provided in the proposal for evaluation purposes, it will be interpreted to mean that the item will be provided by the Bidder at no cost.
2. If a service is not mentioned at all in the proposal, the proposal will be interpreted to mean that the Bidder does not intend to perform that service.
3. If a service is omitted, and the omission is not discovered until after contract award, the Bidder shall be required to perform that service at no cost.

The determination of whether a service is minor or major will be at the discretion of the State. It is absolutely essential that Bidders carefully review the cost elements in their Proposal.

#### **8.4.1 CCHCS' Rights**

In addition to the rights discussed elsewhere in this RFP, CCHCS reserves the following rights:

##### **A. CCHCS' Corrections**

1. CCHCS reserves the right to do any of the following up to the proposal submission deadline:
  - a) Modify any date or deadline appearing in this RFP or the RFP Time Schedule.
  - b) Issue clarification notices, addenda, alternative RFP instructions, forms, etc.
  - c) Waive any RFP requirement or instruction for all Proposers if CCHCS determines that the requirement or instruction was unnecessary, erroneous or unreasonable.
  - d) Allow Proposers to submit questions about any RFP change, correction or addenda. If CCHCS allows such questions, specific instructions will appear in the cover letter accompanying the document.
2. If deemed necessary by CCHCS to remedy an RFP error or defect that is not detected in a timely manner, CCHCS may also issue correction notices or waive any unnecessary, erroneous or unreasonable RFP requirements or instruction after the proposal submission deadline.
3. If this RFP is clarified, corrected or modified, CCHCS will notify potential Proposers of the extension by addenda posted on [www.BidSync.com](http://www.BidSync.com).
4. If CCHCS decides, just before or on the proposal due date, to extend the submission deadline, CCHCS will notify potential Proposers of the extension by addenda posted on [www.BidSync.com](http://www.BidSync.com). CCHCS will follow-up any verbal notice in writing by BidSync website or e-mail.

## **B. Collecting information from Proposers**

1. If deemed necessary, CCHCS may request a Proposer to submit additional documentation during or after the proposal review and evaluation process. CCHCS will advise the Proposer orally or by e-mail of the documentation that is required and the time line for submitting the documentation. CCHCS will follow-up oral instructions in writing by e-mail or mail. Failure to submit the required documentation by the date and time indicated may cause CCHCS to deem a proposal non-responsive.
2. CCHCS, at its sole discretion, reserves the right to collect, by mail, e-mail, fax or other method; the following omitted documentation and/or additional information.
  - a) Signed copies of any form submitted without a signature.
  - b) Data or documentation omitted from any submitted RFP attachment/form.
  - c) Information/material needed to clarify or confirm certifications or claims made by a Proposer.
  - d) Information/material or form needed to correct or remedy an immaterial defect in a proposal.

## **C. Immaterial proposal defects**

1. CCHCS may waive any immaterial defect in any proposal and allow the Proposer to remedy those defects. CCHCS reserves the right to use its best judgment to determine what constitutes an immaterial deviation or defect.
2. CCHCS' waiver of an immaterial defect in a proposal shall in no way modify this RFP or excuse a Proposer from full compliance with all bid requirements.

## **D. Correction of clerical or mathematical errors**

1. CCHCS reserves the right, at its sole discretion, to overlook, correct or require a Proposer to remedy any obvious clerical or mathematical errors occurring in the narrative portion of a proposal, on a Cost Proposal form or on a Budget Detail Work Sheet.
2. If the correction of an error results in an increase or decrease on the total price, CCHCS shall give the Proposer the option to accept the corrected price or withdraw their proposal.
3. Proposers may be required to initial corrections to costs and dollar figures on the Cost Proposal – Rate Sheet (Exhibit B-2) if the correction results in an alteration of the annual costs or total costs offered.
4. If a mathematical error occurs in a total or extended price and a unit price is present, CCHCS will use the unit price to settle the discrepancy.

**E. Right to remedy errors**

CCHCS reserves the right to remedy errors caused by:

1. CCHCS office equipment malfunctions or negligence by agency staff; or
2. Natural disasters (i.e. floods, fires, earthquakes, etc.).

**G. No contract award or RFP cancellation**

The issuance of this RFP does not constitute a commitment by CCHCS to award a contract. CCHCS reserves the right to reject all proposals and to cancel this RFP if it is in the best interests of CCHCS to do so.

**H. Contract amendments after award**

As provided in the Public Contract Code governing contracts awarded by a competitive bid, the CCHCS reserves the right to amend the contract after CCHCS makes a contract award.

**I. Proposed use of subcontractors and/or independent contractors**

Specific subcontract relationships proposed in response to this RFP (i.e., identification of pre-identified subcontractors and independent contractors) shall not be changed during the bidding process or prior to contract execution. The pre-identification of a subcontractor or independent contractor does not affect CCHCS' right to approve subcontractor or independent contractor selections or changes made after the contract award.

**J. Company changes after contract award**

CCHCS reserves the right to approve or disapprove changes in key personnel that occur after CCHCS awards the contract.

**8.5 Do Not Mark Your Offer Form with Exceptions nor Add Alternative Boilerplate**

The CCHCS will reject proposals that CCHCS Medical Contracts finds to be taking material exception to specifications and of the contract. Therefore, be careful that you do not add information or mark-up forms in a manner that may appear to be a change or exception. Do not take exceptions, do not offer alternatives (unless the CCHCS specifically requests) and do not mark the proposal with changes to specifications or the contract. Don't attach your own boilerplate. Even a request to consider an exception or an attachment "for our information" could result in rejection of your proposal. This decision will be made in the sole discretion of the CCHCS Medical Contracts.

**8.6 Contract Terms and Conditions**

Bidders are to carefully review all specifications, requirements, Terms and Conditions (see Exhibits C and D), and insurance requirements. Submittal of a response is agreement to all Terms and Conditions. All specifications, requirements, terms and conditions are mandatory and all submittals should anticipate full compliance with no exceptions to these terms and conditions.

**8.7 Incorporation of RFP and Proposal in Contract**

This RFP and the Vendor's response, including all promises, warranties, commitments and representations made in the successful Proposal, shall be binding and incorporated by reference in the CCHCS' contract with the Vendor.

### **8.8 Elimination of Individual Line Items**

The CCHCS may eliminate an individual line item when calculating award, in order to best meet the needs of the CCHCS, if a particular line item is not routinely available or is a cost that exceeds the CCHCS' funds.

### **8.9 Effective Dates of Offer**

Offered prices in Proposal must remain valid for a minimum of six (6) months following issuance of the Notice of Intent to Award. Should any Bidder object to this condition, the Contractor must provide objection through a question and/or complaint to the CCHCS Medical Contracts prior to the proposal closing date.

### **8.10 Proprietary Proposal Material**

The CCHCS requests that companies refrain from requesting public disclosure of Bidders' responses and related information until an intention to award is announced, as a measure to best protect the solicitation process, particularly in the event of a cancellation or re-solicitation. With this preference stated, the CCHCS shall continue to properly fulfill all public disclosure requests for such information as required by State Law. However, CCHCS will assert Government Code section 6255 as its basis for nondisclosure of any proposal materials prior to issuance of the notice of intent to award.

Bidders should understand that records (including but not limited to proposal or proposal submittals, the Agreement, and any other contract materials) they submit to the CCHCS become public records under California State law. (See Government Code sections 6250-6270.) Public records must be promptly disclosed upon request unless a statute exempts disclosure.

Bidders are obligated to separately bind and clearly mark as "proprietary" information any records in the Vendor's response they believe are exempted from disclosure. The body of the proposal may refer to these separately-bound records. Bidders should mark as "proprietary" only that information they believe legitimately fits within a public-disclosure exemption. The CCHCS may reject solicitation responses that are marked proprietary in their entirety.

If the CCHCS receives a public disclosure request for records that a Bidder has marked as "proprietary information," the CCHCS may notify the Vendor of this request and postpone disclosure briefly to allow the Vendor to seek a court order barring disclosure. However, this is a courtesy of the CCHCS and not an obligation.

The CCHCS has no obligation to assert an exemption from disclosure. If the Vendor believes that its records are exempt from disclosure, the Bidder is obligated to seek an injunction under State law. By submitting a response, the Bidder acknowledges this obligation; the Bidder also acknowledges that the CCHCS will have no obligation or liability to the Bidder if the records are disclosed.

### **8.11 Bidder's Responsibility to Examine Documents**

It is the Bidder's responsibility to examine all specifications and conditions thoroughly and comply fully with the specifications and all attached Terms and Conditions. Bidders must comply with all Federal, State, and City laws, ordinances and rules, and meet any and all registration requirements where required for Contractors as set forth in the State of California Statutes.

#### **8.11.1 Bidder's Responsibility to Provide Full Response**

It is the Bidder's responsibility to provide full and complete written proposals. No response should require interpretation or clarification by the CCHCS Medical Contracts. The Bidder is to

California Department of Corrections and Rehabilitation (CDCR)/  
California Correctional Health Care Services (CCHCS)

provide all requested materials, forms and information. The Vendor is responsible to ensure the proposal and Cost Proposal properly and accurately reflect the Bidder's specifications and offering. The CCHCS does not, and will not, accept materials to supplement the proposal after the proposal deadline; however this does not limit the right of the CCHCS to consider additional materials that are obtained by the CCHCS such as clarifications from the Contractor as needed by the CCHCS regarding submitted references or past experiences.

### **8.12 Communications**

All Bidder communications concerning this RFP shall be directed to the Bid Representative:

Unless authorized by the Deputy Director of CCHCS Medical Contracts, no other CCHCS official or CCHCS employee is empowered to speak for the CCHCS with respect to this acquisition for clinical services. Any Contractor seeking to obtain information, clarification or interpretations from any other CCHCS official or CCHCS employee is advised that such material is used at the Vendor's own risk. The CCHCS will not be bound by any such information, clarification or interpretation.

Following the proposal deadline, Contractors shall direct communications to only the Bid Representative identified in Section 1.5 or designee. The Bid Representative or designee will send out information to responding companies as decisions are concluded.

### **8.13 Proposal Disposition**

All material submitted in response to this RFP shall become the property of the CCHCS upon delivery to the Bid Representative identified in Section 1.5.

### **8.14 Indemnification**

Contractor agrees to indemnify, defend and save harmless the State, CDCR/CCHCS, and CDCR/CCHCS's officers, employees and agents, from any and all claims and losses accruing or resulting to any and all contractors, subcontractors, suppliers, laborers, and any other person, firm or corporation furnishing or supplying work services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims and losses accruing or resulting to any person, firm or corporation who may be injured or damaged by Contractor in the performance of this Agreement. (see Exhibits C and D).

## 9. EVALUATION PROCESS

**Specifications:** The CCHCS will evaluate each Bidder's compliance with the specifications and other requirements prior to opening of the Cost Proposal and calculation of Contractors' offered costs and rates. If any cost item is missing from a bidder Rate Sheet (Exhibit B-2), the CCHCS reserves the right to reject that Bid or to calculate and compare bids without that cost item considered.

A multiple stage evaluation process will be used to review and/or score narrative proposals. CCHCS shall reject any proposal that is deemed to be non-responsive, at any stage of evaluation.

A separate evaluation committee will be used for all stages during the evaluation and selection process. The evaluation committee is comprised of two (2) groups:

The **Compliance Review Committee (CRC)** consists of staff from the CCHCS Medical Contracts. This committee performs the preliminary and secondary compliance verifications and prepares the contract for signature and execution.

The **Evaluation Scoring Committee (ESC)** consists of CCHCS staff working in other areas of the Health Care Program. The ESC conducts the review and scoring of the proposals.

### Stage 1 – Required Attachment/Certification Checklist Review

- a. Shortly after the proposal submission deadline, CCHCS Medical Contracts staff will convene to review each proposal for timeliness, completeness and initial responsiveness to the RFP requirements. This is a pass/fail evaluation.
- b. In this review stage, CCHCS Medical Contracts staff will compare the contents of each proposal to the claims made by the Proposer on the Required Attachment/Certification Checklist to determine if the Proposer's claims are accurate.
- c. If deemed necessary, CCHCS Medical Contracts staff may collect additional documentation (i.e., missing forms, missing data from RFP attachments, missing signatures, etc.) from a Proposer to confirm the claims made on the Required Attachment/Certification Checklist and to ensure that the proposal is initially responsive to the RFP requirements.
- d. If a Proposer's claims on the Required Attachment/Certification Checklist cannot be proven or substantiated, the proposal will be deemed non-responsive and rejected from further consideration.

### Stage 2 – Narrative Proposal Evaluation/Scoring

- a. Proposals that appear to meet the basic format requirements, initial qualification requirements and contain the required documentation, as evidenced by passing the Stage 1 review, will be submitted to the ESC.

The ESC will individually review, evaluate and numerically score proposals based on the proposal's adequacy, thoroughness, and the degree to which it complies with the RFP requirements.

California Correctional Health Care Services (CCHCS)

- b. The following scoring system will be used to assign points. Following this chart is a list of the considerations that ESC may take into account when assigning points to a technical proposal.

<b>Points</b>	<b>Interpretation</b>	<b>General basis for point assignment</b>
<b>0</b>	<b>Inadequate</b>	Proposal response (i.e., content and/or explanation offered) is inadequate or does not meet CDCR/CCHCS' needs/requirements or expectations. The omission(s), flaw(s), or defect(s) are significant and unacceptable.
<b>1</b>	<b>Barely Adequate</b>	Proposal response (i.e., content and/or explanation offered) is barely adequate or barely meets CDCR/CCHCS' needs/requirements or expectations. The omission(s), flaw(s) or defect(s) are consequential but are acceptable. The quality of the proposal response is considered to be less than average for a qualified proposer.
<b>2</b>	<b>Adequate</b>	Proposal response (i.e., content and/or explanation offered) is adequate or meets CDCR/CCHCS' basic needs/requirements or expectations. The omission(s), flaw(s) or defect(s), if any, are inconsequential and acceptable. The quality of the proposal response is considered to be average for a qualified proposer.
<b>3</b>	<b>More than Adequate</b>	Proposal response (i.e., content and/or explanation offered) is more than adequate or fully meets CDCR/CCHCS' needs/requirements or expectations. No omission(s) or flaw(s) are apparent. The quality of the proposal response is not considered to be outstanding, but is above average for a qualified proposer.
<b>4</b>	<b>Excellent or Outstanding</b>	Proposal response (i.e., content and/or explanation offered) is well above average or exceeds CDCR/CCHCS' needs/requirements or expectations. Proposer offers one or more enhancing feature, method or approach that will benefit the State. Response represents the best proposal that can be expected of any Proposer. Any present weakness is minor and unrelated to a performance requirement.

- c. In assigning points for individual rating factors, ESC may consider issues including, but not limited to, the extent to which a proposal response:

- (1) Is lacking information, lacking depth or breadth or lacking significant facts and/or details, and/or
- (2) Is fully developed, comprehensive and has few if any weaknesses, defects or deficiencies, and/or
- (3) Demonstrates that the proposer understands CDCR/CCHCS' needs, the services sought, and/or the contractor's responsibilities, and/or
- (4) Illustrates the Proposer's capability to perform all services and meet all scope of work requirements, and/or
- (5) If implemented, will contribute to the achievement of CDCR/CCHCS' goals and objectives, and/or

California Department of Corrections and Rehabilitation (CDCR)/  
California Correctional Health Care Services (CCHCS)

(6) Demonstrates the Proposer’s capacity, capability and/or commitment to exceed regular service needs (i.e. enhanced features, approaches, or methods; creative or innovative business solutions).

d. Below are the point Values and weight values for each rating category that will be scored.

(1) Proposals, including the Cost Section, will be scored on a scale of 0 to 300 points, as follows:

### Stage 3 – Cost Evaluation

- a. The proposal offering the lowest total cost earns one-hundred-eighty (180) Cost points. The remaining proposals earn cost points through the cost conversion formula shown below. Final calculations shall result in numbers rounded to two decimal places.

Lowest cost proposal is awarded the maximum cost points (180 points). Other proposals are awarded cost points based on the following calculation:

$$\begin{aligned} & (\text{Lowest Bidder's Cost/Other Bidder's Cost}) = (\text{factor}) \\ & \text{Cost points for other Bidder} = (\text{factor}) \times \text{maximum cost points} \end{aligned}$$

**EXAMPLE:** A maximum of 180 points is available

$$\begin{aligned} \text{Lowest Bidder's cost Proposal} &= \$60,000 \\ \text{Other Bidder's Cost Proposal} &= \$80,000 \end{aligned}$$

$$\begin{aligned} (\text{Lowest cost proposal} / \text{Other cost proposal}) &= \$60,000 / \$80,000 = .75 \\ (\text{Cost points awarded to other proposal}) &= .75 \times 180 = 135 \end{aligned}$$

### Stage 4 – Combining Narrative Proposal Score and Cost Section Score

CCHCS will combine the narrative proposal score to the Cost Section score and will tentatively identify the firm with the highest combined proposal score from each of the earlier evaluation stages.

### Stage 5 – Adjustments to Score Calculations for Bidding Preferences

- a. CCHCS will determine which firms, if any, are eligible to receive a bidding preference (i.e., small business or non-small business subcontractor preference).

### Stage 6 – Total Score Calculation

CCHCS will use the formula shown below to calculate the total proposal scores.

$$\begin{aligned} & \text{Narrative Score} \\ & + \text{Cost Score} \\ & + \underline{\text{Adjustments, if any, for bidding preferences}} \\ & = \text{Total Point Score} \end{aligned}$$

A Notice of Intent to Award the contract will issue in favor of the Bidder with the highest Total Point Score. See Section 10.0.

To confirm the identity of the highest scored responsive Proposer, CCHCS will adjust the total score for applicable claimed preference(s) for those Proposers eligible for bidding preferences. CCHCS will apply preference adjustments to eligible Proposers according to State regulations following verification of eligibility with the appropriate office of the Department of General Services (DGS).

### **9.1 Repeat of Evaluation Steps**

If no Contractor is selected at the conclusion of all the steps, the CCHCS may return to any step in the process to repeat the evaluation with those proposals that were active at that step in the process. In such event, the CCHCS shall then sequentially step through all remaining steps as if conducting a new evaluation process. The CCHCS reserves the right to terminate the process if it decides no proposals meet its requirements or consider all proposals as being Draft Proposals and return the proposals to the bidders prior to opening of the cost proposals (**see Section 9.5 Discretion to Consider Proposal as Draft**).

### **9.2 Points of Clarification**

Throughout the evaluation process, the CCHCS reserves the right to seek clarifications from any Bidder.

### **9.3 Tied Scores**

In the event that the top two Bidders receive the same total score, CCHCS may hold a public lottery.

### **9.4 Responsiveness and Responsibility**

CCHCS Medical Contracts shall review submittals as necessary for determination of responsive and responsible Bidders. Determinations of responsiveness and responsibility may be made upon initial review of submittals or at any time prior to contract award, and may be determined of all Bidders or made only as needed to determine the lowest responsive and responsible Vendor for purposes of award. CCHCS reserves the right to reject all bids, whether responsive or non-responsive.

### **9.5 Discretion to Consider Proposal as Draft**

If the State finds it necessary, the State may consider all proposals as being Draft Proposals and return the proposals to the bidders prior to opening of the cost proposals. The bidders will be notified of defects discovered in these submittals and will issue an addendum setting forth a date for submission of Final Proposals. THE STATE WILL NOT PROVIDE ANY WARRANTY THAT ALL DEFECTS HAVE BEEN DETECTED AND THAT SUCH NOTIFICATION WILL NOT PRECLUDE REJECTION OF THE FINAL PROPOSAL IF SUCH DEFECTS ARE LATER FOUND.

## **10. AWARD AND CONTRACT EXECUTION INSTRUCTIONS**

CCHCS Medical Contracts intends to provide written notice of the intention to award in a timely manner and to all Bidders responding to the Solicitation. Please note, however, that there are time limits on protests to proposal results and Bidders have final responsibility to learn of results in sufficient time for such protests to be filed in a timely manner.

### **10.1 Protests and Complaints**

The State of California Department of General Services (DGS) has rules to govern the rights and obligations of interested parties that desire to submit a complaint or protest to this RFP process. Please see the DGS website at <http://www.dgs.ca.gov> for these rules. Interested parties have the obligation to be aware of and understand these rules and to seek clarification as necessary from the CCHCS.

### **10.2 Instructions to the Intended Awardee**

A Notice of Intent to Award the contract will issue in favor of the Bidder with the highest Total Point Score (Intended Awardee), who will receive a letter from the CCHCS Medical Contracts after the Notice of Intent to Award has issued. The letter will include instructions for final submittals that are due prior to execution of the contract. The Intended Awardee will be

expected to provide all essential documents within ten (10) business days. This includes providing proper proof of insurance. If the Intended Awardee fails to complete all the final submittals within the allotted ten (10) days, the CCHCS may elect to cancel the intended award and issue a notice of intent to award to the next ranked Proposer or cancel and reissue this solicitation. Cancellation of an award for failure to execute the Agreement in the timeframes above may result in a finding that the Intended Awardee is not responsible and Intended Awardee's disqualification from future solicitations.

### **10.3 Final Submittals Prior to Award**

The Intended Awardee should anticipate that the Letter will require at least the following. Intended Awardee is encouraged to prepare these documents as soon as possible, to eliminate risks of late compliance.

- Ensure the company has a current<sup>3</sup> State of California Business License and all taxes due have been paid.
- Supply Evidence of Insurance to the CCHCS Medical Contracts, if applicable
- Special Licenses (if any)
- List of certified/registered personnel with the expiration dates of their licenses.
- Supply a Federal Taxpayer Employer Identification Number and Form I-9.

### **10.4 Contract Award**

Award of contract, if made, will be in accordance with Section 9, Evaluation, to the Responsive and Responsible Proposer with the highest score and whose Proposal complies with the requirements of the RFP and any addenda thereto, except for such immaterial defects as may be waived by the CCHCS. Award, if made, will be made within thirty (30) calendar days after the scheduled date for the Contract Award as set forth in the Key Action Dates in Section 1.6, Introduction and Overview, unless a protest is received. However, CCHCS may award the Contract later, in which case bid prices will be valid for a minimum of six (6) months following the Notice of Intent to Award, or longer, if agreed to by the Intended Awardee and CCHCS. The State reserves the right to modify or cancel in whole or in part its RFP prior to contract award.

If an inconsistency or conflict arises between the terms and conditions appearing in the final agreement and the proposed terms and conditions appearing in this RFP, any inconsistency or conflict will be resolved by giving precedence to the final agreement.

#### **10.4.1 Notice of Intent to Award**

CCHCS shall award the contract only after CCHCS posts a Notice of Intent to Award for five (5) business days.

CCHCS expects to post the Notice of Intent to Award on [www.BidSync.com](http://www.BidSync.com) on December 20, 2012 by 5:00 pm PST.

1. CCHCS will mail or e-mail a written notification and/or copy of the Notice of Intent to Award to all firms that submitted a proposal.
2. CCHCS will confirm the contract award to the Intended Awardee after the protest deadline, if no protests are filed or following the Department of General Services' resolution of all protests. CCHCS staff may confirm an award verbally or in writing.

---

<sup>3</sup> Copy of valid California city or county business license (if applicable) and, if a corporation located within the State of California, incorporation documents or letter from the Secretary of State or, if not a California business, an affidavit that business is in good standing with the state, province or county in which business is headquartered.

## **10.5 Complete Integration**

All exhibits and attachments to the awarded contract are hereby incorporated into and made a part of the awarded contract as if fully set forth in the body of the awarded contract. The awarded contract constitutes the entire agreement between the parties and supersedes all prior and contemporaneous agreements, representations and understandings of the Contractor and CCHCS.

## **10.6 Severability**

If any provision of the Agreement is declared unlawful, void or unenforceable, then that provision shall be severed and will not affect the validity and enforceability of the remaining provisions. Either party having knowledge of such term or provision shall promptly inform the other of the presumed non-applicability of such provision.

## **10.7 Protests of Award**

### **10.7.1 Who can Protest**

Any Proposer who submits a proposal may file a protest if the Proposer believes its proposal is responsive to all RFP requirements.

### **10.7.2 Grounds for Protests**

Protests are limited to the grounds described in Public Contract Code (PCC) section 10345. CCHCS will not make an award until all protests are withdrawn by the protestant, denied or resolved to the satisfaction of the Department of General Services.

### **10.7.3 Protest Time Lines**

If an eligible Proposer wishes to protest the intended contract award, the Proposer must file a "Notice of Intent to Protest" with both CCHCS and the Department of General Services **within five (5) business days after CCHCS posts the Notice of Intent to Award**. The Notice of Intent to Protest may be quite brief. Within five (5) calendar days after filing a "Notice of Intent to Protest," the protestant must file with both CCHCS and the Department of General Services a full and complete written protest statement identifying the specific grounds for the protest. The statement must contain, in detail, the reasons, law, rule, regulation or practice that the protestant believes CCHCS has improperly applied in awarding the contract.

### **10.7.4 Submitting a Protest**

Protests must be filed with both the Department of General Services and the California Correctional Health Care Services. Proposers may hand deliver or mail a protest. Label, address and submit the initial protest notice and detailed protest statement using one of the following methods.

Failure to submit a timely, written Notice of Intent to Protest waives bidder's right to protest.

**10.8 Exhibits**

The exhibits identified in this section contain contract terms that require strict adherence to various laws and contracting policies. A Proposer's unwillingness or inability to agree to the proposed terms and conditions shown below or contained in any exhibit identified in this RFP may cause CCHCS to deem a Proposer non-responsible and ineligible for an award. CCHCS reserves the right to use the latest version of any form or exhibit listed below in the resulting agreement if a newer version is available.

The exhibits identified below illustrate many of the terms and conditions that may appear in the final agreement between CCHCS and the winning Proposer. Other terms and conditions, not specified in the exhibits identified below, may also appear in the resulting agreement. Some terms and conditions are conditional and may only appear in an agreement if certain conditions exist (i.e., contract total exceeds a certain amount, federal funding is used, etc.).

In general, CCHCS will not accept alterations to the General Terms and Conditions (GTC), CCHCS' Special Terms and Conditions, the required minimum Contractor's Responsibilities
