**UNIVERSITY OF CONNECTICUT  
MANAGED PRINT SERVICES PREQUALIFICATION**

**PART I  
OVERVIEW AND BACKGROUND**

1.0 The University of Connecticut located in Storrs, Connecticut, hereinafter University, is soliciting a Request for Qualifications to prequalify experienced vendors to partner with the school to provide a Managed Print Services solution for copier/multifunctional device equipment and services, and an enterprise solution for printing needs of the University. Prequalified vendors may be included in a future Request for Proposal (RFP) process which will include a detailed scope of the services required, including assessment of the current inventory, vendor's help desk model and cost schedule.

The University currently has products and equipment from approximately ten different vendors for the estimated 500 copiers that are utilized on the Storrs and regional campuses. The current procurement method varies because the equipment is both leased and purchased from the vendors. The maintenance and supplies are also purchased separately from different vendors. This procurement method does not allow for optimum pricing due to the various manufacturers and multiple agreements for equipment, maintenance and supplies.

The intent of the Request for Qualifications is to identify vendors capable of providing equipment, supplies, maintenance, and print management services for the University's copier fleet and multi-functional devices, for locations including the Storrs campus, regional campuses, academic medical center, and extension offices. Among the services required of the prequalified vendors in the subsequent RFP process will be an assessment of the University's existing copy, print and scanning environment with recommendations for a standardized, integrated, enterprise managed print approach. All costs associated with the assessment will be borne by vendors.

Please note: Proposals will be evaluated and firms ranked as detailed in 5.8.1 of this RFQ. Invitations to vendors to participate in the subsequent RFP are entirely at the discretion of the University.

After the RFP, the successful vendor's services may be extended to the University of Connecticut Health Center (UCHC) located in Farmington, Connecticut and the member schools of the Connecticut Colleges Purchasing Group (CCPG), contingent upon each institution's contracting requirements.

In an effort to foster a more diverse pool of experienced firms, the University encourages participation by Connecticut certified Small Business and Minority Business Enterprise (S/MBE).

**S/MBE Certified Firms**

A certified SBE/MBE firm must meet the qualifications as determined by legislation, Connecticut General Statute 4a-60g (Supplier Diversity Statue) as amended by Public Act 11-229. Proposers who have questions about the small business/minority business program should contact the Department of Administrative Services, Supplier Diversity Program, 165 Capital Avenue, Hartford, CT, 06106, Fifth Floor. Please direct any questions to, Supplier Diversity Unit at (860) 713-5236. The website for the program is [http://das.ct.gov/cr1.aspx\\$page=34](http://das.ct.gov/cr1.aspx$page=34).

**1.1 Definitions:**

1.1.1 The term "**Addenda**" means written or graphic instructions issued by the University of Connecticut during this process that modify or interpret the Request for Qualifications documents by addition, deletions, clarification, or corrections.

1.1.2 The terms "**Offer**" or "**Proposal**" or "**Submission**" means the Offeror(s) response to this Request for Qualifications.

- 1.1.3 The terms "**Bidder**", "**Contractor**", "**Proposer**", "**Offeror**", "**Vendor**", or "**Respondent**" refer to a company responding to this Request for Qualifications (RFQ).
- 1.1.4 The term "**University**" or "**UConn**" or a pronoun used in its place shall mean the University of Connecticut main campus at Storrs, Connecticut, as well as, its five satellite campuses.
- 1.1.5 The term "**Request for Qualifications**" (RFQ) is defined as a competitive procurement process which helps to serve the University's best interests. It also provides vendors with a fair opportunity for their services to be considered. The RFQ process being used in this case should not be confused with the Request for Quotation process or the Request for Proposal (RFP) process. The Request for Quotation process is usually used where the goods or services being procured can be described precisely and price is generally the determining factor. The RFP process is generally used where a scope is more complex] and award is based on multiple criteria, including price. This RFQ states the instructions for submitting proposals, the procedure and criteria by which vendors will be prequalified, and the contractual terms by which the University proposes to govern the relationship between it and the selected vendors.

## 1.2 Professional Time and Expense Policy:

The University will not pay the vendor for travel time or any out-of-pocket expenses incurred by their staff between place of residence and place of work. In certain circumstances the University will provide lodging and a meal allowance. Reimbursement of any travel expenses must be authorized beforehand, in writing by the University and comply with policies found at <http://www.travel.UConn.edu/>. The University will not reimburse the vendor for any other miscellaneous out-of-pocket expenses incurred by the tech transfer professionals.

**PART III**  
**SCOPE OF SERVICES**

- 3.0 The purpose of this RFQ is to solicit proposals from Vendors interested in providing Managed Print Services. Detailed response requirements and specifications are found in Part VI Submission Specifications.

The prequalified vendor(s) will be responsible for fulfilling all requests with their own resources, including W-2 employees and/or 1099 employees. Awarded vendors may be required to obtain background checks on assigned personnel.

Vendors are required to obtain and keep the current employment verification Form I-9 issued by the U.S. Department of Justice Immigration and Naturalization Service supporting each professional's authorization for employment in the United States (<http://www.uscis.gov/i-9>). In addition, each Vendor shall be responsible for compliance with all relevant U.S. Export Control regulations, especially those regulations that restrict or prohibit access to certain technical information by citizens of certain non-U.S. The University reserves the right to audit documentation related to the above requirements.

During the term of the contract, awarded Vendors are responsible for retaining Managed Print Services Professionals with the specific expertise necessary to perform the functions for which the Vendor is contracted. If an employee/consultant currently performing work for the University leaves the Vendor's service, prior notification is to be given to the University. It is the Vendor's responsibility to replace any employee leaving service with an equally experienced employee/consultant. The Vendor must also arrange for knowledge transfer to such employee/consultant at no cost to the University. The University reserves the right to require the Vendor to replace any employee or subcontractor assigned to UConn if, in any way, it is the opinion of the University, such person is unacceptable. The University will not be penalized in any way, including delays in delivery of services, when an employee/contractor or subcontractor leaves the Vendor's service.

All addenda must be signed by an authorized Respondent representative and returned with the submission on or before the submission opening date. **COMMISSION ON HUMAN RIGHTS AND OPPORTUNITIES**  
**CONTRACT COMPLIANCE REGULATIONS**  
**NOTIFICATION TO BIDDERS**

The contract to be awarded is subject to contract compliance requirements mandated by Sections 4a-60 and 4a-60a of the Connecticut General Statutes; and, when the awarding agency is the State, Sections 46a-71(d) and 46a-81i(d) of the Connecticut General Statutes. There are Contract Compliance Regulations codified at Section 46a-68j-21 through 43 of the Regulations of Connecticut State Agencies, which establish a procedure for awarding all contracts covered by Sections 4a-60 and 46a-71(d) of the Connecticut General Statutes.

According to Section 46a-68j-30(9) of the Contract Compliance Regulations, every agency awarding a contract subject to the contract compliance requirements has an obligation to “aggressively solicit the participation of legitimate minority business enterprises as bidders, contractors, subcontractors and suppliers of materials.” “Minority business enterprise” is defined in Section 4a-60 of the Connecticut General Statutes as a business wherein fifty-one percent or more of the capital stock, or assets belong to a person or persons: “(1) Who are active in daily affairs of the enterprise; (2) who have the power to direct the management and policies of the enterprise; and (3) who are members of a minority, as such term is defined in subsection (a) of Section 32-9n.” “Minority” groups are defined in Section 32-9n of the Connecticut General Statutes as “(1) Black Americans . . . (2) Hispanic Americans . . . (3) persons who have origins in the Iberian Peninsula . . . (4) Women . . . (5) Asian Pacific Americans and Pacific Islanders; (6) American Indians . . .” An individual with a disability is also a minority business enterprise as provided by Section 4a-60g of the Connecticut General Statutes. The above definitions apply to the contract compliance requirements by virtue of Section 46a-68j-21(11) of the Contract Compliance Regulations.

The awarding agency will consider the following factors when reviewing the bidder’s qualifications under the contract compliance requirements:

- (a) the bidder’s success in implementing an affirmative action plan;
- (b) the bidder’s success in developing an apprenticeship program complying with Sections 46a-68-1 to 46a-68-17 of the Administrative Regulations of Connecticut State Agencies, inclusive;
- (c) the bidder’s promise to develop and implement a successful affirmative action plan;
- (d) the bidder’s submission of employment statistics contained in the “Employment Information Form”, indicating that the composition of its workforce is at or near parity when compared to the racial and sexual composition of the workforce in the relevant labor market area; and
- (e) the bidder’s promise to set aside a portion of the contract for legitimate minority business enterprises. See Section 46a-68j-30(10)(E) of the Contract Compliance Regulations.

M. JODI RELL  
GOVERNOR

**MEMORANDUM**

To: Vendors Conducting Business with the State of Connecticut  
From: M. Jodi Rell, Governor   
Subject: State Ethics Policy  
Date: September 28, 2004

---

As you are undoubtedly aware, state government is striving to improve how it conducts its business. The task force charged with analyzing the state contracting process recently recommended to me several areas which require improvement. I expect to implement a number of those recommendations. Your assistance is needed in order to facilitate change.

While the state ethics code does not prohibit gifts to state employees altogether—for example, the law permits employees to accept a gift in celebration of a major life event and up to \$50 per calendar year in food and beverage—the intent of the code is clear. State employees should not just avoid impropriety, but even the mere appearance of impropriety, and should forego accepting gifts from those with whom the state does business.

I would also call your attention to section 1-84(m) of the Connecticut General Statutes, which prohibits state employees from accepting gifts from those who do business, or seek to do business, with the employee's agency or department. Vendors and prospective vendors are also prohibited from knowingly giving gifts to state employees in violation of this section.

My request to you is this, no matter how well-intentioned or appreciative you may be of an employee's assistance, I would ask that you refrain from offering a state employee a gift of any kind, including, but not limited to, meals and beverages. Offering a gift to an employee puts the employee in the rather uncomfortable position of having to decline the gift or ascertain its monetary value and consult with an attorney and/or the state Ethics Commission.

I expect—and indeed the residents of this state deserve—state government employees to adhere to the highest ethical standards, which may entail more stringent practices than even the ethics code provides. With your assistance, the state should be well on its way to restoring the public's faith in state government.

I would appreciate it if you would communicate this message to your employees. Thank you for your cooperation and understanding.

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

**Civil penalties**—Up to \$2,000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of up to \$2,000 or twice the amount of the prohibited contributions made by their principals.

**Criminal penalties**—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or not more than \$5,000 in fines, or both.

#### CONTRACT CONSEQUENCES

In the case of a state contractor, contributions made or solicited in violation of the above prohibitions may result in the contract being voided.

In the case of a prospective state contractor, contributions made or solicited in violation of the above prohibitions shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State shall not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.
