Vendor shall not offer (either directly or through an intermediary) any improper consideration such as, but not limited to, cash, discounts, service, the provision of travel or entertainment, or any items of value to any officer, employee, or agent of the County in an attempt to secure favorable treatment regarding the Contract.

The County, by written notice, may immediately terminate any Contract, if it determines that any improper consideration as described in the preceding paragraph was offered to any officer, employee, or agent of the County with respect to the proposal and award process. This prohibition shall apply to any amendment, extension, or evaluation process once a Contract has been awarded.

Vendor shall immediately report any attempt by a County officer, employee, or agent to solicit (either directly or through an intermediary) improper consideration from Vendor. The report shall be made to the supervisor or manager charged with supervision of the employee or to the County Administrative Officer. In the event of a termination under this provision, the County is entitled to pursue any available legal remedies.

17. **Employment of Former County Officials**

Vendor agrees to provide or has already provided information on former County of San Bernardino administrative officials (as defined below) who are employed by or represent Vendor. The information provided includes a list of former county administrative officials who terminated county employment within the last five years and who are now officers, principals, partners, associates or members of the business. The information also includes the employment with or representation of Vendor. For purposes of this provision, “county administrative official” is defined as a member of the Board of Supervisors or such officer’s staff, County Administrative Officer or member of such officer’s staff, county department or group head, assistant department or group head, or any employee in the Exempt Group, Management Unit, or Safety Management Unit.

19. **Recycled Paper Products**
The County has adopted a recycled product purchasing standards policy (Procurement of Recycled Products 11-10SP), which requires Contractors to use recycled paper for proposals and for any printed or photocopied material created as a result of a Contract with the County. The policy also requires Contractors to use both sides of paper sheets for reports submitted to the County whenever practicable.

20. **Ownership of Documents**
All documents, data, products, graphics, computer programs, and reports prepared by the Vendor pursuant to the Contract shall be considered property of the County upon payment for product/services. 22. **County Hours**
Some County departments have adopted hours other than the 8:00 a.m. to 5:00 p.m. standard. These departments will notify Vendor of the modified work schedule, as necessary, to allow proper billing. Such modified 40-hour workweek will NOT result in overtime billing.

23. **Electronic Fund Transfer Program**
Contractor shall accept all payments from County via electronic funds transfer (EFT) directly deposited into the Contractor’s designated checking or other bank account. Contractor shall promptly comply with directions and accurately complete forms provided by County required to process EFT payments.

24. **Local Preference**
The County of San Bernardino has adopted a preference for Vendors whose principal place of business is located within the boundaries of the County. A five percent (5%) preference may be applied prior to approval of any purchase or acquisition of services, equipment, goods or supplies.

For purposes of the application of the local preference policy (County Policy 11-12), “principal place of business” is defined as the Vendor’s main office (or headquarters) or a major regional office. A “major regional office” is defined as a business location apart from the Vendor’s main office (or headquarters) which:

- Has been issued a business license, if required, and has been established and open for a minimum of six months prior to the date that the approval authority authorizes the circulation of an RFP/RFQ/Quote for any contract, agreement, or purchase order to which it responds; and

- Can demonstrate on-going business activity in the field of endeavor on which the Vendor is proposing, from that office during the preceding six months; and
• Has a minimum of twenty-five percent (25%) of the Vendor’s full time management employees and twenty-five percent (25%) of its full time regular employees working from the San Bernardino County location(s).

The County’s Local Preference Policy means for example, if two Vendors are responding to this RFP and if quality, service and ability to meet the County’s needs are equal, County staff must determine if one of the Vendors is a local vendor. If one of the Vendors is a local vendor, and its quoted price or cost for services, equipment, goods or supplies does not exceed five percent (5%) of the other Vendor’s quoted price or cost, unless it is determined that an exemption applies, staff should recommend the local Vendor for the Contract award.

25. Non-Discrimination
The Contractor shall not in any way discriminate against any Member or Patient on the grounds of race, color, religion, sex, national origin, age, disability, health status and genetics, political affiliation or belief. The Contractor shall include a clause to this effect in all its pertinent subcontracts. The Contractor shall also comply with all applicable provisions of the Americans with Disabilities Act of 1990.

26. Equal Opportunity Employer
The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex national origin, age or disability. The Contractor will take affirmative action to insure that applicants are employed and that employees are treated during employment without regard to their race, color, religion, sex, national origin, age or disability. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, lay-off or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. The Contractor will, to the extent such provisions apply, comply with Title VI and VII of the Federal Civil Rights Act; the Federal Rehabilitation Act; the Age Discrimination in Employment Act; the Americans with Disabilities Act of 1990; the Immigration Reform and Control Act (IRCA) of 1986; and Executive Order 99-4 which mandates that all persons shall have equal access to employment opportunities.

B. Indemnification and Insurance Requirements

1. Indemnification
The Vendor agrees to indemnify, defend and hold harmless the County and its authorized officers, employees, agents and volunteers from any and all claims, actions, losses, damages, and/or liability arising out of the Contract from any cause whatsoever, including the acts, errors or omissions of any person and for any costs or expenses incurred by the County on account of any claim therefore, except where such indemnification is prohibited by law.

2. Insurance
Without in any way affecting the indemnity herein provided and in addition thereto, the Vendor shall secure and maintain throughout the Contract the following types of insurance with limits as shown:

Workers’ Compensation – A program of Workers’ Compensation insurance or a State-approved Self-Insurance Program in an amount and form to meet all applicable
requirements of the Labor Code of the State of California, including Employer’s Liability with $250,000 limits, covering all persons providing services on behalf of the Vendor and all risks to such persons under this Contract.

If Contractor has no employees, it may certify or warrant to County that it does not currently have any employees or individuals who are defined as “employees” under the Labor Code and the requirement for Workers’ Compensation coverage will be waived by the County’s Risk Manager.

With respect to Contractors that are non-profit corporations organized under California or Federal law, volunteers for such entities are required to be covered by Workers’ Compensation insurance. If the County’s Risk Manager determines that there is no reasonably priced coverage for volunteers, evidence of participation in a volunteer insurance program may be substituted.

a. Comprehensive General and Automobile Liability Insurance – This coverage to include contractual coverage and automobile liability coverage for owned, hired, and non-owned vehicles. The policy shall have combined single limits for bodily injury and property damage of not less than one million dollars ($1,000,000);

b. Errors and Omission Liability Insurance – Combined single limits of $1,000,000 for bodily injury and property damage and $3,000,000 in the aggregate; or

c. Professional Liability – Professional liability insurance with limits of at least $1,000,000 per claim or occurrence.

d. Employee Automotive Liability Insurance - If the services to be performed under the Contract require Vendor’s employee to drive a vehicle, Vendor’s employee must possess a valid California driver’s license at all times during the performance of the Contract. Vendor’s employees are prohibited from driving County owned vehicles as part of the services performed.

In order for Vendor’s employees to be able to use a private vehicle during the performance of the Contract, Vendor’s employees shall be covered by vehicle liability insurance at least equal to the minimum requirements of the California Vehicle Code.

Such requirements currently are:
  o Fifteen Thousand Dollars ($15,000.00) for single injury or death;
  o Thirty Thousand Dollars ($30,000.00) for multiple injury or death;
  o Five Thousand Dollars ($5,000.00) for property damage.

Vendor’s Automobile Liability coverage will serve to augment Vendor’s employees’ vehicle liability coverage as per the specified limits of not less than one million dollars ($1,000,000.00) per occurrence.

3. Additional Named Insured

All policies, except for the Workers’ Compensation, Errors and Omissions and Professional Liability policies shall contain additional endorsements naming the County and its officers, employees, agents and volunteers as additional named insured with respect to liabilities arising out of the performance of services hereunder.
4. **Waiver of Subrogation Rights**
The Vendor shall require the carriers of the above required coverage to waive all rights of subrogation against the County, its officers, employees, agents, volunteers, Vendors, and subcontractor.

5. **Policies Primary and Non-Contributory**
All policies required above are to be primary and non-contributory with any insurance or self-insurance programs carried or administered by the County.

6. **Proof of Coverage**
The Vendor shall immediately furnish certificates of insurance to the County Department administering the Contract evidencing the insurance coverage, including the endorsements above required, prior to the commencement of performance of services hereunder, which certificates shall provide that such insurance shall not be terminated or expire without thirty (30) days written notice to the Department. Vendor shall maintain such insurance from the time Vendor commences performance of services hereunder until the completion of such services. Within sixty (60) days of the commencement of the Contract, the Vendor shall furnish certified copies of the policies and all endorsements.

7. **Insurance Review**
The above insurance requirements are subject to periodic review by the County. The County’s Risk Manager is authorized, but not required, to reduce or waive any of the above insurance requirements whenever the Risk Manager determines that any of the above insurance is not available, is unreasonably priced, or is not needed to protect the interests of the County. In addition, if the Risk Manager determines that heretofore, unreasonably priced, or unavailable types of insurance coverage or coverage limits become reasonably priced or available, the Risk Manager is authorized, but not required, to change the above insurance requirements to require additional types of insurance coverage or higher coverage limits, provided that any such change is reasonable in light of past claims against the County, inflation, or any other item reasonably related to the County’s risk.

Any such reduction or waiver for the entire term of the Contract and any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to the Contract. Vendor agrees to execute any such amendment within thirty (30) days of receipt.

C. **Right to Monitor and Audit**

The selected Vendor also may be requested to provide information to clarify initial responses. Negative information provided or discovered may result in disqualification from the selection process and no award of Contract.

The selected Vendor may be asked to disclose whether the firm, or any of its partners, principals, members, associates or key employees (as that term is defined herein), within the last ten years, has been indicted on or had charges brought against it or them (if still pending) or convicted of any crime or offense arising directly or indirectly from the conduct of the firm’s business, or whether the firm, or any of its partners, principals, members, associates or key employees, has within the last ten years, been indicted on or had charges brought against it or them (if still pending) or convicted of any crime or offense involving financial misconduct or fraud. If the response is affirmative, the Vendor will be asked to describe any such indictments or charges (and the status thereof), convictions and the surrounding circumstances in detail.

In addition, the selected Vendor may also be asked to disclose whether the firm, or any of its partners, principals, members, associates or key employees, within the last ten years, has been the subject of legal proceedings as defined herein arising directly from the provision of services by the firm or those individuals. “Legal proceedings” means any civil actions filed in a court of competent jurisdiction, or any matters filed by an administrative or regulatory body with jurisdiction over the firm or the individuals. If the response is affirmative, the Vendor will be asked to describe any such legal proceedings (and the status and disposition thereof) and the surrounding circumstances in detail.

For purposes of this provision “key employees” includes any individuals providing direct service to the County. “Key employees” do not include clerical personnel providing service at the firm’s offices or locations.

11. **Vendor’s Financial Capability**

a. Vendor must provide the Company’s Annual Report for the last two years. Vendor must also include independently audited financial statements for the most recent completed fiscal year. If audited financial statements are not available, please provide un-audited financial statements along with a certification from the owners and the Company’s accountant that the information accurately reflects the company’s current financial status. If the business is a sole proprietorship, please provide Schedule C of the Internal Revenue Service forms as well as a certification from the owner and the accountant that the information accurately reflects the business’ current financial status.
b. Alternatively, provide tax returns from the most recent completed fiscal year or a letter from the Vendor’s financial institution indicating the Vendor can carry up to sixty (60) days worth of invoices before obtaining payment.

c. Provide the name of firm(s) which performs annual financial audits.

12. **Insurance**
Submit evidence of ability to insure as stated in Section V, Paragraph B, Indemnification and Insurance Requirements.

13. **Proprietary Information**
Any information that is deemed proprietary by a Proposer must be clearly identified as such. The Proposer shall submit justification for any information designated as proprietary in nature. Final determinations of nondisclosure, however, rest with the COUNTY.

The County will not be held accountable if material from responses is obtained by parties other than the County without the written consent of the Proposer.

**VII. Evaluation Process**

A. **General**
All proposals will be subject to a standard review process developed by the County utilizing an Evaluation Committee. The Committee will be comprised of County and governmental agency representatives. Scoring proposals will be based on an ordinal ranking system.

B. **Initial Review of Submitted Proposals**
1. All proposals will be initially evaluated to determine if they meet the mandatory requirements.

2. The proposal must have been received at or before the time, as stated in Section II; be complete, in the required format, and be in compliance with all the material requirements of this RFP.

3. Prospective Vendors must meet the requirements as stated in the Mandatory Vendor Requirements as outlined in Attachment C.

4. Prospective Vendors must provide four (4) references from other agencies that they have provided the same or similar service as being requested in this RFP, Attachment F.

Failure to meet all of these requirements may result in a rejected proposal. No proposal shall be rejected, however, if it contains a minor irregularity, defect, or variation, if the irregularity, defect, or variation is considered by the County to be immaterial or inconsequential. In such cases, the Vendor will be notified of the deficiency in the proposal and given an opportunity to correct the irregularity, defect, or variation, or the County may elect to waive the deficiency and accept the proposal.
C. **Scope of Evaluation**
   1. Demonstrates experience, qualifications, and competence in providing the requested services;
   2. Value-Added service components of service.
   3. Demonstrates the ability to provide professional, on-time and responsive services;
   4. Demonstrates adequate staff, resources available to meet the needs of the COUNTY; and
   5. Cost(s).

D. **Oral Presentation**
   Proposers whose submission most closely meets the selection criteria and which are deemed to be the most advantageous to the COUNTY may be requested to give an oral presentation to members of the Evaluation Committee. Proposers may be requested to address specific parts of their Proposal at that time. The COUNTY Purchasing Department will schedule the time and place for Oral Presentations.

E. **Competitive Negotiation**
   The COUNTY retains the right to negotiate the final contract terms and conditions, to be presented to the San Bernardino County Board of Supervisors for approval, with one or more of the apparent most responsive Proposers as solely determined by the COUNTY.

   The COUNTY reserves the right to request clarification, to conduct discussions with Proposers, to request revisions of proposals, and to negotiate price changes or waive minor informalities. During the discussion period, no information will be disclosed regarding either the contents of Proposals or discussions. When the Board of Supervisors makes an award, the solicitation file and the Proposals are a matter of public record.

F. **Best and Final Offer**
   The COUNTY may issue a written request for Best and Final Offers (BFO). The request shall set forth the date, time, and place for the submission of Best and Final Offers. Best and Final Offers shall be requested only once, unless the COUNTY makes a written determination that it is advantageous to the COUNTY to conduct further discussions or change the COUNTY’s requirements. The request for Best and Final Offers shall inform Proposers that if they do not submit a notice of withdrawal or a best and final offer, their immediate previous offer will be construed as their Best and Final Offer.

G. **Contract Award Process**
   Contract(s) will be awarded based on a competitive selection of proposals received.

   A recommendation will be made to the Board of Supervisors, which will then consider recommendation to make award.

   The contents of the proposal of the successful Vendor will become contractual obligations and failure to accept these obligations in a Contract may result in cancellation of the award.

   Cost of service is an important factor in the evaluation process, but the County is not obligated to accept the lowest cost proposal. Ability to provide a quality service in a timely manner at a
low or reasonable cost in accordance with the RFP requirements is critical to a successful proposal.

H. Disputes Relating to Proposal Process or Award

In the event a dispute arises concerning the proposal process prior to the award of the Contract, the party wishing resolution of the dispute shall submit a request in writing to the Director of Purchasing. Vendor may appeal the recommended award or denial of award, provided the following stipulations are met:

1. Appeal must be in writing.
2. Must be submitted within ten (10) calendar days of the date of the recommended award or denial of award letters.

An appeal of a denial of award can only be brought on the following grounds:

1. Failure of the County to follow the selection procedures and adhere to requirements specified in the RFP or any addenda or amendments.
2. There has been a violation of conflict of interest as provided by California Government Code Section 87100 et seq.
3. A violation of State or Federal law.

Appeals will not be accepted for any other reasons than those stated above. All appeals must be sent to:

Deborah Pease
Assistant Administrator, Support Services
Arrowhead Regional Medical Center
400 N. Pepper Ave.
Colton, CA. 82324-1819

The County will consider only those specific issues addressed in the written appeal. A written response will be directed to the appealing Vendor within fourteen (14) calendar days of the receipt of the appeal, advising of the decision with regard to the appeal and the basis for the decision.
